Featuring and supported by the Music of:

Neil Young, Tom Petty, Indigo Girls, Midnight Oil, Stevie Wonder and others.

**"Heroes of the Slopes" is a compilation of some of the best stories and characters within 'enabled' skiing. They are all leaders at adaptation who are also enjoying their unique rides and unique contributions to the advancement of the sport and to the evolution of the human race.**

**Through technology, anywhere on the mountain, alone or with others, adaptive skiing has come a long way in a very short time and continues bringing out the best in the human spirit.**
