Hello Hunger Coalition Network Friends,

More than 80 nonprofits serving Otsego County will be participating in the 2025 Mohawk Valley Gives campaign next week!

**Mohawk Valley Gives goes LIVE on Monday, September 15th –
and ends at 9:00pm on Friday, September 19th.**

Do you want to be a part of making history?

We all have a chance to be a part of the Mohawk Valley's day of giving -- an opportunity to unite around causes in which we truly believe and to help nonprofit organizations connect to the larger community.

The Hunger Coalition of Otsego County is participating for the first time this year. Our food pantries and meal sites serve more than 11,000 individuals annually across Otsego County. We estimate that close to 900 hours have been offered by more than 150 volunteers in the last year.

The easiest way to help us (and other Otsego County nonprofits) is to go to:

or click through it now to find the nonprofits you want to support.

Get ready to give – especially on September 19th by 9:00pm!

Every nonprofit organization that participates in Mohawk Valley Gives receives a donation from the Community Foundation of Otsego County (CFOC), plus special prizes on September 19th from their generous sponsors for various categories.

Tell your friends and family members about the important work that we do – and ask them to join us in helping to make a difference in our communities.

Thank you in advance for your generosity – and for sharing this information with others who may be interested in ways to help our neighbors who are food insecure.

Yours in community service,
HCOC Steering Committee (*Maggie, Kristie, Mary, Joyce, Victoria, Cynthia*)
