

IT'S HOME TO THE THIRD
LARGEST NUMBER OF
MAMMALS IN THE WORLD

2/3

Of Peru is covered in Amazon Rainforest.

121+

natural remedies in the rainforest can be used
as medicines.

TREES & PLANTS ARE
BEING BURNED,
DEGRADED & LOGGED
AT ASTONISHING
RATES

THERE ARE
55
TRIBES

Speaking 47 indigenous languages

SOME INDIGENOUS CHILDREN
ARE TRAUMATIZED, BOTH
PHYSICALLY & MENTALLY,
BECAUSE OF THEIR ETHNIC
ORIGINS

Nearly every weaving
technique known
today was invented
by Peruvians & all of
them were invented
by 3000 B.C.

3/4

of the world's alpaca population lives in
Peru. The national animal is the vicuña, a
small camelid similar to the alpaca. It
comes in 22 natural colors and its wool is
considered the world's most luxurious
fabric

70%

of plants found to have anticancer properties
are found only in the rainforest

IT TAKES
500-600
HOURS

up to 6 months to spin, dye, & weave a
traditional Peruvian poncho
