

FINTECH

Alcohol Management Simplified

Are you currently using cash, checks, or money orders to pay alcohol vendors? Automate your beverage alcohol payments today with Fintech's no-cost Distributor Autopay program.

Automate All Alcohol Payments: Fintech is offered by 5,000 alcohol wholesalers nationwide, including many control state agencies. Our automated payment solution will streamline and consolidate all of your alcohol payments, credits, reconciliation details, and purchasing history.

Eliminate cash, checks, and money orders. When utilizing Distributor Autopay, you reduce security risks associated with prepping manual payment.

Speed up deliveries. Through Distributor Autopay, your alcohol invoices are paid electronically, so employees do not have to take time to write a check or rely on management to leave a blank check for payment at time of delivery.

Ensure regulatory compliance. Distributor Autopay pays all your invoices automatically on the due date listed, so your stores remain in compliance with all state regulatory laws.
