## Renter's Insurance is mandatory!

No leases or rental agreements will be signed without proof of policy.

Renter's Insurance is a low cost insurance that protects both tenants and landlords against unforeseen events.

A basic policy usually covers,

- ✓ Property Damages
- ✓ Earthquake
- ✓ Flood
- ✓ Replacement
- ✓ Thefts on and off the premises (contents stolen from a friends car).
- ✓ Hotel in case of emergency (fire, earthquake, events beyond your control).
- ✓ Medical coverage for accidents
- ✓ Covers Cellphones and computers (best cellphone insurance)
- ✓ Identify theft
- ✓ Food replacement due to power outages
- ✓ Things rented or borrowed, storage contents(public storage, uhaul), etc.

If you already have auto insurance, it may be cheaper to add the renter's insurance policy to your coverage.

**Policy Minimums: 150,000 – liability; 10,000 - Personal Items; Loss of Use - 5,000 - 10,000; Identity theft - 5,000+; Electronics - 10,000, Pet Addendum - \$5,000**

**This must be added to your policy >> - “Additional Interest, Leslie Hollis” @ P.O. Box 1445, El Segundo, Ca 90245 | Email:lhollismanagementinsurance@gmail.com**
