# ABOUT US

*Hello my Gorgeous Millionaire Women!  
Thank you for taking this magical pathway of  
healing your soul & personal transformation.*

*Living as a survivor of an abusive relationship  
emotionally & physically, trust me when I tell you, I  
understand your soul pain. It's a deep pain that gets  
trapped within the soul and causes great distress in  
the mind that no-one can see, but you.*

*After my separation from my marriage, I went on to  
raise my two girls, work a very demanding corporate  
job and pay off over half a million dollars in debt  
that I was left in. I ended up in situational poverty,  
losing my home, my car re-possessed and almost  
losing my mind! I became homeless and had to stay  
downstairs someone's home for about 3 months.*

*Through prayer, my strong faith in God and therapy,  
I overcame the battles of life and began to re-build.  
My mission in life now is to help women like myself,  
heal their soul, find their purpose, live their truth  
and create an amazing life & business here on  
earth.*

*I have invested tens of thousands of dollars on  
developing my skill internationally, healing my soul,  
perfecting my service and preparing for amazing  
clients like you. I'm here and ready to help you find  
emotional wellness so that you can Manifest your  
Millions and Shine Your Light!*

*My only hope is that you surrender to the process  
and give yourself permission to heal. I can't wait to  
meet you in person and to inspire you become the  
highest, truest, most authentic version of yourself!  
Your Coach, Anna.*
