MISS OAK HARBOR 2021

First, I would like to thank everyone involved in the Miss Oak Harbor Scholarship Pageant –what an amazing team and noteworthy cause! Being a part of this pageant, I had the privilege of creating sweet friendships that will last a lifetime, and I learned valuable skills which I will always be grateful for. To all the wonderful women and coaches who work so hard and continue to be amazing examples, thank you. To the 2022 Miss Oak Harbor Scholarship Pageant contestants, I'm so excited you get to be a part of this pageant and hope you can take this amazing experience and all you have learned and continue to grow—you were made for a reason; make it count! Always remember that it is the people around you and the memories that make this journey so amazing, not the outcome. I am forever grateful to be a part of our wonderful Oak Harbor community—I wouldn't have changed it for the world!

*EJ Boilek*

FIRST PRINCESS

The 2021 pageant season brought so many memories, lessons, and new relationships. The Miss Oak Harbor Scholarship Pageant taught me punctuality, professionalism, and respect. I was so fortunate to have had the opportunity to meet such a great group of girls and the incredible Board of Directors as well. I absolutely loved serving the community with the rest of the Royal Court this past year. I'm very fortunate to have had this opportunity, and, honestly, my favorite part might have been seeing the smiles of all the little girls when they saw my crown. To all the girls competing this year, good luck—I hope you enjoy this experience as much as I did. And congratulations to the new Royal Court—hold your crowns high!

*Chelsea Lonborg*

SECOND PRINCESS

I can't even begin to explain how grateful I am for this organization and every single person who helps bring it all together. From day one, the support from Board members, judges, community members, and fellow and past contestants has been unbelievable! I could not have accomplished everything I have in and outside of the pageant without everyone. Choosing to compete in the pageant is one of the best decisions I have ever made. Not only was I able to win some money to help further my education, but I gained friendships, mentors, life skills, professional skills, and so much more. I have loved watching this year's contestants get to experience this journey and I can't wait to see what this year's pageant holds. I will be forever grateful for everything I gained and experienced in my time with this amazing organization. I'd like to say a final thank you to Ms. River, and good luck to all of this year's contestants!

*Naomi Crawford*

TEEN MISS OAK HARBOR 2021

Wow, what an amazing year! Participating in the Miss Oak Harbor Scholarship Pageant has been an incredible experience that I'll always be thankful for. One of my favorite parts of the pageant was the time I spent with so many different driven women –being able to see their dedication to the community, to the program, and to the success of all the contestants. This is so much more than the average "beauty pageant." All of the things I've learned from this program are things that I will use for the rest of my life. I've had the opportunity to be a role model for young girls wanting to step into pageantry. To this year's contestants, I wish you all the best of luck, and I can't wait to crown Teen Miss Oak Harbor 2022!

*Jhinalyn Ramier*

TEEN FIRST PRINCESS

What a year! 52 weeks have passed, and I am so, so grateful for every opportunity, memory, and connection I have made. This pageant is so much more than I could have ever expected. The more I reflect and look back on the moments I got to share with the Court and the Board of Directors, the more I am filled with happiness. I got the opportunity of a lifetime to serve this last year, and I am genuinely excited for the brilliant women who will be taking the reins this next year! I promise you'll be busy! Thank you so much for the experience, love, and overall support. I am so proud to have been a part of such an amazing program; thank you for letting me cherish this amazing community.

*Payton Syring*

TEEN SECOND PRINCESS

Although I wasn't sure at first, being a part of the Miss Oak Harbor Scholarship Pageant was such an amazing experience! I think my favorite part of it was meeting all of the girls and all of the other people who contribute to the pageant. They are all so supportive, and it felt like another family. The pageant really helped me step out of my comfort zone and become more confident in myself. I also enjoyed helping with the Miss Pioneer Way Pageant—it was so fun to work with the younger girls and see them get crowned. Another part of my reign I enjoyed was when we volunteered with North Whidbey Hearts and Hammers, our 2021 Service Project, and helped fix up someone's house. It was so much fun! I thought being a part of the pageant was such a great experience that I decided to compete again this year! I wish the best of luck to my fellow contestants and hope they all have as good of an experience that I have had! Thank you to everyone who helped me get here for such a fun and life-changing experience!

All contestants participate in the same 6-week program and are scored using identical models.  
 9<sup>th</sup>- and 10<sup>th</sup>-graders compete for the title of Teen Miss Oak Harbor,  
 while 11<sup>th</sup>- and 12<sup>th</sup>-graders compete for the title of Miss Oak Harbor.

Pageant points are earned in Attendance, Board of Directors Input, Personal Interview, Health & Wellness, Style & Self-Expression, Marketing, Speech or Talent, Formal Wear, Screen Presence, Academics, Service, Physical Fitness, Extra-Curricular Activities, and Work.

Pageant scoring in all primary categories takes place prior to pageant night. On pageant night, the contestants will be asked an impromptu question. The pageant judges will score their responses, and those scores will be added to the contestants' overall pageant score to determine final placement, with the top 3 in each division being crowned Royalty.

The Miss Oak Harbor Scholarship Pageant, founded by Jes Walker-Wyse and River Powers and originally produced by PageantWyse, had a four-year run from 2015 to 2018. The pageant returned in 2021 as a virtual event, presented by the new nonprofit, Miss Oak Harbor. What you see on stage tonight is a culmination of countless meetings, brainstorming, and an intense commitment to develop a truly unique program for local high school girls.

*Our Mission*

Our mission first and foremost is to provide scholarships for young women interested in the advancement of their education, through the spirit of a competition that embodies the four points of the crown: scholarship, service, success, and style. Our intent is to inspire personal and professional growth through the development of leadership, communication, and marketability, challenging participants to serve their community through volunteerism along the way. Our hope is that participants gain confidence, self-esteem, and a sense of accomplishment that will enable them to serve as role models for the youth of their community.

*A Note from the Pageant Director*

Producing a program like the Miss Oak Harbor Scholarship Pageant takes an incredible amount of time, energy, and cooperation. It simply wouldn't be possible without such a committed Board of Directors and without the tremendous community support we receive. THANK YOU to all the Board members for always stepping up to the challenge. THANK YOU to our wonderful community for your sponsorship and support of our contestants. THANK YOU to the contestants for your joy and hard work. THANK YOU to the pageant parents for sharing your daughters with us. Above all, I would like to extend a very special thank-you to my "right hand"—Vice President, Mara Powers—for answering my texts at all hours and for consistently providing critical assistance in every aspect of program development. I am so proud of our organization and the pageant we have produced.
