Hannah Hurley
Miss Oak Harbor 2024

The Miss Oak Harbor Scholarship Pageant was more than a competition—it was a transformative journey that built my confidence, character, and connection to the community. As the competition season began, I quickly learned that no one is perfect in every single judging category, but growth comes from embracing the constant challenges. Watching my peers develop both their skills and confidence was inspiring.

However, the real impact came after the competition, as we took on leadership, responsibility, and professional networking. This program goes beyond a title—it equips young leaders with real-world experience. From collaborating with business professionals to organizing fundraising events, we gained invaluable skills rarely taught in high school. More importantly, it deepened my love for our community and the people who make it special. Thank you, Whidbey Royalty, for this incredible opportunity—I will carry it with me always.

Naomi Crawford
First Princess

As I get ready say goodbye to this royalty season, I am not only filled with gratitude and a sense of accomplishment but also the understanding of how incredibly blessed I am to have been a part of this experience. Whidbey Royalty means so much to me; it helped me step out of my comfort zone and truly embraces who I am and the person I want to be in the future. One of my favorite parts about Whidbey Royalty is that it is an amazing platform that has allowed me to connect with my community in a deeper way. This experience has taught me the value of pushing myself beyond my comfort zone and embracing new challenges. I will carry the lessons I've learned and the bonds I've formed with me as I continue on my journey. I'd also like to take a moment to thank River Powers from the bottom of my heart for all that she's done for me and our community. Words can't express the extent of my gratitude for her dedication to making a positive impact for Oak Harbor's youth. She has not only helped shape who I am today but has also made a profound difference in our community. Her unwavering commitment and passion is truly admirable. So thank you, River, for being a mentor, a friend, and a pillar of inspiration.

Cali Pretti
Second Princess

Year two of royalty season is already coming to an end, and I am sad to see it go. As a freshman in college, far from home, I have found a new appreciation for this program. The things I learned these last two years have followed me every step of the way throughout this new chapter of my life. Along with these lessons, the people I met along the way have grown to be my support system and another family to me. I want to thank the Miss Oak Harbor Scholarship Pageant for helping me grow into the person I am today. I'm grateful to have spent 2024 as part of the Royal Court, and I am so excited to play a role in the start of the 2025 Royal Court tonight. I wish the next court the best of luck with their year of reign!

Abby Brinker

Teen Miss Oak Harbor 2024

I'm truly grateful for the opportunities that were opened up to me through Whidbey Royalty. I had so much fun being involved in the community, serving others around me, having fun with the Mr. and Miss Courts, and just being surrounded by wonderful people. I will miss all the time I got to spend with all the amazing Royalty and Directors. This farewell isn't a goodbye to all the friendships and memories I've made along the way but simply a goodbye to my 2024 year of service.

Congrats to the 2025 Royalty, I can't wait to see the projects to come!

Elizabeth Hauter

Teen First Princess

I am extremely grateful for the opportunities and experiences that this program has provided. I have met some of my best friends and gained so many connections throughout the community. This experience is truly so unique and inspiring. I'm so thankful I was able to be a part of the 2024 court! I'm also so thankful for the amazing people that I met through competing in this pageant and the wonderful role models I gained!

Emelyn Payne

Teen Second Princess

Competing in the 2024 Miss Oak Harbor Scholarship Pageant was something I never expected to have that much of an impact on me, but it did. More than that, I never expected to be a part of an incredible Royal Court that got to be the ones making the impact. Miss Oak Harbor provided me with so many opportunities where I not only learned new things about myself, but was introduced to a whole new side of the community, one I love being involved in. I was challenged to do things I never imagined myself even attempting, such as planning the Winter Ball, but I loved every second of it. Looking back, there is no doubt in my mind that I absolutely would do it again. I love this program, and to anyone involved in the future, take advantage of the opportunities you are given, enjoy what you do, and have fun! I will always remember my time as the 2024 Teen Second Princess, and congratulations to the 2025 Royalty!

"Success doesn't come and find you; you have to go out and get it."

History

Whidbey Royalty is a nonprofit organization that gets its roots from the former nonprofits, PageantWyse and Miss Oak Harbor. The first Miss Oak Harbor Scholarship Pageant, co-founded by Jes Walker-Wyse and River Powers, was presented in 2015. The Pioneer Way Pageant, an all-natural event for girls and boys ages 0-14, made its debut in 2016, and in 2023, the Mr. Oak Harbor Scholarship Competition was added to the repertoire. Jes and River's vision was to organize events that tapped into the professional community to provide mentorship for our local youth in all sorts of life skills, empowering them for success. Through tremendous community support and contestant fundraising, Whidbey Royalty is able to deliver LOTS of college scholarships to high schoolers every competition season.

Our Mission

Our mission is to empower youth by providing a platform that fosters networking, cultivates a sense of responsibility, and embraces the acceptance of all. We are dedicated to creating an inclusive environment where participants can grow their skill sets, engage in meaningful volunteerism, and build lasting connections. Through our pageants, we celebrate diversity, encourage personal growth, and provide scholarships to support educational aspirations. We aim to inspire a sense of accomplishment in participants as they develop into confident, compassionate leaders committed to giving back to their communities.

A Note from the Pageant Director

Producing the Miss Oak Harbor Scholarship Pageant takes an incredible amount of time, energy, and cooperation. It simply wouldn't be possible without such a committed Board of Directors and without the tremendous community support we receive. THANK YOU to all the Board members for always stepping up to the challenge. THANK YOU to our wonderful community for your sponsorship and support of our contestants. THANK YOU to the contestants for your joy and hard work. THANK YOU to the pageant parents for sharing your daughters with us. I am so proud of our organization and the program we have developed.

The Miss Oak Harbor Scholarship Pageant scoring system is the most comprehensive and objective model that one is ever likely to find. It incorporates thirteen categories with variable weighting and is designed to honor the whole person. All contestants participate in the same 6-week program and are scored using identical models. 9th- and 10th-graders compete for the title of Teen Miss Oak Harbor, while 11th- and 12th-graders compete for the title of Miss Oak Harbor.

Pageant points are earned in Attendance, Board of Directors Input, Personal Interview, Video Journals, Marketing, Formal Wear, Stage Presence, Speech or Talent, Academics, Service, Physical Fitness, Extra-Curricular Activities, and Work.

Pageant scoring in most primary categories takes place prior to pageant night. On pageant night, the pageant judges score Formal Wear, Speech/Talent, and Stage Presence, then the top 5 in each division will be asked an impromptu question. Those scores will be added to the contestants' overall pageant score to determine final placement, with the top 3 in each division being crowned Royalty.

Each week during pageant season, contestants were given a theme for their coaching sessions on Wednesdays. They were split into groups and tasked with working together to determine how they would like to interpret the theme as a team. Each person on the winning team got to choose a couple of prizes from the pageant treasure box. Judges were Mr. Oak Harbor helpers in attendance and the evening's coaches.
