Miss Oak Harbor 2025

As my journey ends with Whidbey Royalty I am so incredibly grateful for the support, love, and growth this community has given me. After three unforgettable years competing, I learned what it truly means to be confident in who you are. I am so grateful and proud to say I got to experience Miss Oak Harbor and serve on the Court with other amazing young women. This pageant has helped me grow out of my comfort zone and embrace who I am, teaching me to speak up for myself and what I want for my future. Whidbey Royalty not only curates connections, responsibility, and leadership but also a strong sense of belonging. We got to work closely with our community, helping different groups throughout the year. It was so incredible to see all the lives we got to impact along the way. I want to thank my family and friends for always supporting me and cheering me on. A big thank you to Miss Kate, Miss Ashley, and Miss River for always being a warm welcome, a bright smile and an admirable role model.

*Dana Rivo*  
First Princess

Whidbey Royalty has taught me so much about what it truly means to be a Princess. Going into my Miss Oak Harbor season, I had no idea what to expect. I never imagined walking away with a title, a crown, and most importantly, the number of opportunities and relationships that have significantly changed me for the better. Throughout my season, I've learned what it means to be a philanthropist, to give back to the community, and to serve with both purpose and compassion. I'm eternally grateful to the Board of Directors for their encouragement and leadership, the '24-'25 Royalty Court for their guidance and support throughout my pageant season, and most importantly, my current Royalty Court of '25-'26 for the incredible bond we've built together and Miss River for teaching me how to use my crown to uplift others and what it truly means to serve and lead with confidence. I learned that being Royalty means embracing opportunities to grow, how important it is to support each other, and how to represent your community with integrity and kindness. It's a journey of personal growth, meaningful relationships, and a commitment to making a difference. These are lessons I will carry with me long after my season is over. I hold each and every one of you close to my heart, and I'm so grateful that I took this journey which pushed me beyond my limits and helped me discover my true potential. Being a Princess isn't just about wearing a crown, it's about having the courage to lead with empathy, the elegance to uplift and serve others, and the grace to inspire those around you. Thank you, and I wish the next Royal Court the best of luck. With all my love, 2025 Miss First Princess.

*Allena Locklear*  
Second Princess

Serving as 2025 Miss Second Princess has been one of the greatest experiences I've had. I'm endlessly grateful to the directors, my sponsor, my family, and everyone who believed in me. My journey through the Pageant and serving on the Royal Court have really impacted my life. I've built confidence in myself, built meaningful connections with the community, and used my voice to create an actual difference, becoming a more proactive person in Oak Harbor who now knows more of the opportunities it has to offer. The girls I have met along the way really stick with me through memory and meetings. To the next girls who take up these titles, I hope you embrace every moment as they come. You will continue to grow and shape your own path in ways you don't even know. Thank you, Whidbey Royalty, for the memories, the growth, and the chance to provide service. I am truly grateful.

## Elena Holton

### Teen Miss Oak Harbor 2025

Serving as Teen Miss Oak Harbor 2025 has been one of the greatest honors and opportunities of my life. Being part of Whidbey Royalty has given me amazing friendships, confidence, and memories I'll carry with me forever, but most of all, it has shown me the amazing people I have all around me through introducing me to the most outstanding, unique contestants and royals, working with leaders to present meaningful events, and helping the community that I hold so close to my heart. Thank you to the directors, my fellow royalty and friends, our sponsors, and this incredible community for believing in me and allowing me to represent Oak Harbor with pride. I would also like to thank my mom, who so graciously supported me through it all. To the next titleholder—step into this role with an open heart. You're about to experience something truly special! Cherish every parade, every event, every little moment, because it goes by faster than you think. Oak Harbor is a small city, and through your reign you will realize how every little interaction, service, or relationship in your community affects your life in an indescribable and amazing way. Whidbey Island will always be my true home, and this program will always be family. Thank you for letting me be a part of this incredible journey. I'm excited to cheer on our next Royalty as they make their own mark.

## Adelle Keyes

### Teen First Princess

Being a part of Whidbey Royalty has had a huge impact on my life. It has taught me to branch outside of my comfort zone, to get to know people more, and to become more active in our Oak Harbor community. Most of all, it has taught me to become an efficient planner and organizer, helping me to overcome big tasks and increase my leadership skills. I am so grateful for my time as Teen First Princess, and I hope to bring the lessons I've learned to many future problems.

*"Success doesn't come and find you; you have to go out and get it."*

-ZIG ZIGLAR

## Victoria Reyna

### Teen Second Princess

As I prepare to end this chapter of my reign with Whidbey Royalty, my heart is filled with a profound sense of gratitude. Being part of this pageant has been an experience of immense growth, friendship, and self-discovery. However, the time has come for me to close this chapter and move forward toward new personal goals and adventures.

While it is bittersweet to say goodbye, these girls will always be my family. And for whoever takes the reign next, I know that when they step into this role, they will bring their own unique light and passion to the stage. Whidbey Royalty offers so much room for inspiration, and I am certain the next person will cherish every moment, every lesson, and every connection just as much as I have. To my fellow contestants, the directors, and the supporters who have been by my side, as well as the Royals who have gone through this journey with me, thank you for making this such a memorable season of my life. I cannot wait to see the amazing things the next titleholders will achieve, and I will be cheering loudly from the sidelines.

Wishing the entire Whidbey Royalty organization and our community nothing but the very best. It has been an honor.

## *History*

Whidbey Royalty is a nonprofit organization that gets its roots from the former nonprofits, PageantWyse and Miss Oak Harbor. The first Miss Oak Harbor Scholarship Pageant, co-founded by Jes Walker-Wyse and River Powers, was presented in 2015. The Pioneer Way Pageant, an all-natural event for girls and boys ages 0-14, made its debut in 2016, and in 2023, the Mr. Oak Harbor Scholarship Competition was added to the repertoire. Jes and River's vision was to organize events that tapped into the professional community to provide mentorship for our local youth in all sorts of life skills, empowering them for success. Through tremendous community support and contestant fundraising, Whidbey Royalty is able to deliver LOTS of college scholarships to high schoolers every competition season.

## *Our Mission*

Our mission is to empower youth by providing a platform that fosters networking, cultivates a sense of responsibility, and embraces the acceptance of all. We are dedicated to creating an inclusive environment where participants can grow their skill sets, engage in meaningful volunteerism, and build lasting connections. Through our pageants, we celebrate diversity, encourage personal growth, and provide scholarships to support educational aspirations. We aim to inspire a sense of accomplishment in participants as they develop into confident, compassionate leaders committed to giving back to their communities.

## *A Note from the Pageant Director*

Producing the Miss Oak Harbor Scholarship Pageant takes an incredible amount of time, energy, and cooperation. It simply wouldn't be possible without such a committed Board of Directors and without the tremendous community support we receive. THANK YOU to all the Board members for always stepping up to the challenge. THANK YOU to our wonderful community for your sponsorship and support of our contestants. THANK YOU to the contestants for your joy and hard work. THANK YOU to the pageant parents for sharing your daughters with us. I am so proud of our organization and the program we have developed.

My sweet Victoria, Watching you grow has been the most beautiful and humbling journey of my life. From the very first moment I held you, I knew your heart was meant for big dreams and wide skies. You have always been my brave little bird—testing your wings, trusting yourself, and finding your way with quiet strength and grace. Every year, every step, every moment has reminded me how deeply proud I am to be your mom. Seeing you reach this milestone fills my heart with both joy and awe, because it means you are becoming exactly who you were meant to be. No matter where life carries you or how far you fly, my love will forever be your constant, your anchor, and your home. The Miss Oak Harbor Scholarship Pageant scoring system is the most comprehensive and objective model that one is ever likely to find. It incorporates fourteen categories with variable weighting and is designed to honor the whole person. All contestants participate in the same 7-week program and are scored using identical models. 9th- and 10th-graders compete for the title of Teen Miss Oak Harbor, while 11th- and 12th-graders compete for the title of Miss Oak Harbor.

Pageant points are earned in Attendance, Board of Directors Input, Video Journals, Marketing, Personal Interview, Platform/Cause Presentation, Formal Wear, Academics, Service, Talent, Stage Presence, Physical Fitness, Extra-Curricular Activities, and Work.

Pageant scoring in most primary categories takes place prior to pageant night. On pageant night, the pageant judges score Formal Wear, Talent, and Stage Presence, followed by an impromptu question. Those scores will be added to the contestants' overall pageant score to determine final placement, with the top 3 in each division being crowned Royalty.

Each week during pageant season, contestants were given a theme for their coaching sessions on Wednesdays. They were split into groups and tasked with working together to determine how they would like to interpret the theme as a team. Each person on the winning team got to choose a couple of prizes from the pageant treasure box. Judges were Mr. Oak Harbor helpers in attendance and the evening's coaches.

### WEEK 1 THEME: WILD WEST

### WEEK 2 THEME: PAJAMAS

### WEEK 3 THEME: OUT OF THIS WORLD
