MISS OAK HARBOR 2022

If I could think of an organization that has shaped me as an individual, it would be Miss Oak Harbor. I have had the blessing to work with this program for two years, which I have treasured. This group of strong women has impacted my life in ways I cannot even describe. From the moment I committed to the pageant, I knew it would be the place where I could innovate ideas, grow in my service, and learn more about my community. I guess that's why I continue to advocate for such a wonderful cause. Besides the scholarships, this nonprofit organization provides opportunities to develop skills of leadership, communication, and marketability. To the Court of 2023, challenging as the season was, the year of service is worth every moment of struggle. I hope you bask in the relationships you make, the service you do, and the growth that happens during your reign. Thank you, Miss Oak Harbor, for this experience as a role model in this phenomenal community. I am forever grateful.

Sara Rhodes

FIRST PRINCESS

Before the Miss Oak Harbor Scholarship Pageant, I hated public speaking. I always got nervous and my face turned tomato red. But with the mentors and people behind me, I conquered my fear. The pageant broadened my view on Oak Harbor city through volunteering and meeting more members of the community. I had amazing experiences and made lifelong friends during the pageant season.

Katie Tanner

SECOND PRINCESS

The Miss Oak Harbor Scholarship Pageant provided me with many opportunities I am grateful for. I learned so much about the Oak Harbor community that I didn't know and gained a lot more community outreach. The community service opportunities were wonderful experiences. This experience was very enlightening when it comes to the world of pageants, and I learned a lot. I am so grateful for the scholarship and opportunities I was provided.

*Kiersten Tyson*

TEEN MISS OAK HARBOR 2021

The Miss Oak Harbor Scholarship Pageant has done so much for me in such a short time. I am forever grateful that I had an opportunity to participate. This pageant has empowered me and opened many opportunities. I'm proud of what the pageant has helped me succeed in. I chose to do the pageant again because of the experience it provides and the doors it opens for me. Even if I don't win anything this year, I have learned so many more things to make it all worthwhile. I hope this pageant grows and helps other young women feel empowered. I'm glad to pass on this opportunity and title to others.

*Hannah Kunkel*

TEEN FIRST PRINCESS

What an amazing experience to have been able to be a part of! This organization does a wonderful job giving young women learning opportunities in both scholarships and also lessons in integrity and sportsmanship. Over the past year of being part of the 2022 Royal Court, I've become a well-spoken and confident young woman. If it weren't for the incredible hard work by the Board of Directors, I would've struggled to find that spark in myself to strive and accomplish whatever I put my mind to. I'm so grateful to have been able to give back to my community and meet such amazing people along this journey. Words can't describe what a powerful and loving organization this is, and I want to welcome the new Royal Court—you all will do phenomenal things!

*Laurianna Newcomb*

TEEN SECOND PRINCESS

I cannot believe that the 2022 Royalty season has come to a close! The 2022 season taught me a great amount about our community and the things that are happening all around us. I never once in my life thought that I would ever be a part of a pageant. I had always thought of them as something that you need to change yourself to be in. When I entered this pageant, I was glad that it wasn't the average beauty pageant that you would think of, and instead it was this wonderful atmosphere, with amazing friends, and overall wonderful people. I never thought that I would make so many good friends and have so many relationships from being a part of this. I would not change any of my experience with the Miss Oak Harbor organization for the world! I want to wish good luck to the next Royal Court and hope that your experience is just as wonderful as mine was.

MOH Scoring 101

The Miss Oak Harbor Scholarship Pageant scoring system is the most comprehensive and objective model that one is ever likely to find. It incorporates fourteen categories with variable weighting and is designed to honor the whole person.

All contestants participate in the same 6-week program and are scored using identical models.
9th- and 10th-graders compete for the title of Teen Miss Oak Harbor,
while 11th- and 12th-graders compete for the title of Miss Oak Harbor.

Pageant points are earned in Attendance, Board of Directors Input, Personal Interview, Health & Wellness, Style & Self-Expression, Marketing, Speech or Talent, Formal Wear, Stage Presence, Academics, Service, Physical Fitness, Extra-Curricular Activities, and Work.

Pageant scoring in all primary categories takes place prior to pageant night. On pageant night, the top 5 in each division will be asked an impromptu question. The pageant judges will score their responses, and those scores will be added to the contestants' overall pageant score to determine final placement, with the top 3 in each division being crowned Royalty.

History

The Miss Oak Harbor Scholarship Pageant, founded by Jes Walker-Wyse and River Powers and originally produced by PageantWyse, had a four-year run from 2015 to 2018. The pageant returned in 2021 as a virtual event, presented by the new nonprofit, Miss Oak Harbor. What you see on stage tonight is a culmination of countless meetings, brainstorming, and an intense commitment to develop a truly unique program for local high school girls.

Our Mission

Our mission first and foremost is to provide scholarships for young women interested in the advancement of their education, through the spirit of a competition that embodies the four points of the crown: scholarship, service, success, and style. Our intent is to inspire personal and professional growth through the development of leadership, communication, and marketability, challenging participants to serve their community through volunteerism along the way. Our hope is that participants gain confidence, self-esteem, and a sense of accomplishment that will enable them to serve as role models for the youth of their community.

A note from the Pageant Director

Producing a program like the Miss Oak Harbor Scholarship Pageant takes an incredible amount of time, energy, and cooperation. It simply wouldn't be possible without such a committed Board of Directors and without the tremendous community support we receive. THANK YOU to all the Board members for always stepping up to the challenge. THANK YOU to our wonderful community for your sponsorship and support of our contestants. THANK YOU to the contestants for your joy and hard work. THANK YOU to the pageant parents for sharing your daughters with us. Above all, I would like to extend a very special thank-you to my "right hand"—Vice President, Mara Powers—for answering my texts at all hours and for consistently providing critical assistance in every aspect of program development. I am so proud of our organization and the pageant we have produced.
