MISS OAK HARBOR 2023

I truly love this program. My first year winning was a surprise, and it really showed me that anything could happen. I loved the opportunities this program presented, and I will always appreciate what it has done for me; I hope my service was great enough to repay that to the program.

I learned so much more about my community and expanded my knowledge about my one and only hometown. I competed in this pageant for 2 years, and in those 2 years I learned and did so much. I made so many connections with the community and other contestants. I'll miss the times I had with them. This experience truly shaped me into the individual I am today. I was able to grow and learn how to advocate for the things I believe in, and I was able to help so many people in the process. To the contestants of 2024, whether you win or lose, just look back on all the good times this program has brought to you and how much you learned from taking part in this program. Don't let one thing or mishap bring you down; focus on what brought you here. I hope you all grow from this experience just like I did. Finally, to my Court, the Miss Oak Harbor Royalty of 2023, I loved sharing this reigning year with you. We had our bumps, but we pushed through as a team. I hope you forever treasure our time together, and I wish you well in your future endeavors and hope to see you as successful as you dreamed of. Thank you, Whidbey Royalty, for this experience as a role model in this amazing community. I will forever be grateful. Thank you, all, for your support. This is Miss Oak Harbor 2023 signing out!

Cali Pretti

FIRST PRINCESS

A last thank-you to Whidbey Royalty and River for the past year of growth and opportunity. Participating in the Miss Oak Harbor Scholarship Pageant and as Miss Oak Harbor Royalty has truly pushed me outside my comfort zone and given me confidence I didn't think I could have. I've met some of my best friends through the program, and I've been able to experience unique things in our community that I previously had never heard of. To my fellow 2023 Royalty, this past year with you is one I will never forget. And to the 2024 Court, take advantage of this next year, and good luck! I know the 2024 Royal Court will be amazing!

Jordan Garstin

SECOND PRINCESS

I am immensely grateful for Miss Oak Harbor as it has provided me with numerous opportunities within the Oak Harbor community. Through this platform, I've discovered a plethora of new events and had the pleasure of meeting countless incredible individuals. Miss Oak Harbor has not only expanded my involvement in the community but has also instilled in me the belief that I am capable of overcoming challenges. I am also grateful that I could participate in helping make Mr. Oak Harbor happen! Overall, I've had a wonderful time making meaningful friendships with all these amazing girls. I am looking forward to competing and supporting the new 2024 Court, as well as witnessing the growth and potential of Miss Oak Harbor in the future for other girls!

Laurianna Newcomb
TEEN MISS OAK HARBOR 2023

It is so mind-blowing how fast the 2023 Royalty season has come to a close! The Court was so fun and caring of each other. The 2023 season taught me more than I ever thought possible. This was my second year being on the Court, and I learned more than I thought I could going into year two. I learned more about the community and the people we have all around us. I never thought that this organization would literally change my life forever, but it did. It gave me great confidence and showed me that with hard work comes great achievements. Miss Oak Harbor taught me lessons that a school could never teach. It taught me to be brave and to put my trust in things I believe in. We had the opportunity to create the first-ever Mr. Oak Harbor Competition. I never could have asked for a better learning experience. A special shout-out to River for always being there and leading in such a powerful and fun-loving way. I wish all the luck in the world to the six girls who earn a position on the 2024 Court. I hope that their year teaches them and brings them together, just as much as mine did.

Elizabeth Hauter
TEEN FIRST PRINCESS

The 2023 Miss Oak Harbor Scholarship Pageant truly changed my life. Thanks to this program, I met some of the greatest friends I've ever had. Along with that, it opened up so many opportunities for me to get involved with my community and to meet so many amazing community leaders. I am truly grateful I participated and was honored to earn a position on the Court. I will always be grateful for this program and what Whidbey Royalty does to support high school girls. Enjoy the show!

Danielle Becherer
TEEN SECOND PRINCESS

*"So I say to you,
forget about the fast
lane. If you really
want to fly, just
harness your power
to your passion.
Honor your calling.
Everybody has one.
Trust your heart and
success will come to
you."*

History

The Miss Oak Harbor Scholarship Pageant, founded by Jes Walker-Wyse and River Powers and originally produced by PageantWyse, had a four-year run from 2015 to 2018. The pageant returned in 2021 as a virtual event, presented by the new nonprofit, Miss Oak Harbor (dba Whidbey Royalty). The Mr. Oak Harbor Scholarship Competition was added to the repertoire in 2023. What you see on stage tonight is a culmination of countless meetings, brainstorming, and an intense commitment to develop a truly unique program for local high schoolers.

Our Mission

Our mission first and foremost is to provide scholarships for young women and men interested in the advancement of their education, through the spirit of a competition that embodies the four points of the crown: scholarship, service, success, and style. Our intent is to inspire personal and professional growth through the development of leadership, communication, and marketability, challenging participants to serve their community through volunteerism along the way. Our hope is that participants gain confidence, self-esteem, and a sense of accomplishment that will enable them to serve as role models for the youth of their community.

A note from the Pageant Director

Producing the Miss Oak Harbor Scholarship Pageant takes an incredible amount of time, energy, and cooperation. It simply wouldn't be possible without such a committed Board of Directors and without the tremendous community support we receive. THANK YOU to all the Board members for always stepping up to the challenge. THANK YOU to our wonderful community for your sponsorship and support of our contestants. THANK YOU to the contestants for your joy and hard work. THANK YOU to the pageant parents for sharing your daughters with us. I am so proud of our organization and the program we have developed.

MOH Scoring 101

The Miss Oak Harbor Scholarship Pageant scoring system is the most comprehensive and objective model that one is ever likely to find. It incorporates thirteen categories with variable weighting and is designed to honor the whole person.

All contestants participate in the same 6-week program and are scored using identical models.
9th- and 10th-graders compete for the title of Teen Miss Oak Harbor,
while 11th- and 12th-graders compete for the title of Miss Oak Harbor.

Pageant points are earned in Attendance, Board of Directors Input, Personal Interview, Video Journals, Marketing, Formal Wear, Stage Presence, Speech or Talent, Academics, Service, Physical Fitness, Extra-Curricular Activities, and Work.

Pageant scoring in most primary categories takes place prior to pageant night. On pageant night, the pageant judges score Formal Wear, Speech/Talent, and Stage Presence, then the top 5 in each division will be asked an impromptu question. Those scores will be added to the contestants' overall pageant score to determine final placement, with the top 3 in each division being crowned Royalty.
