

VERIFICATION FORMS INSTRUCTIONS

- * For all Verification Forms, fill in your name, contestant number, and phone number at the top. If you need additional space, use a second form.
- * Take each form to the appropriate supervisor and ask them to complete the form, letting them know by which date you will need to pick it up. If you have more than one supervisor to give the form to, make sure to start early—qualified hours go through **October 31**, and **forms are due November 6**—so start with those supervisors for hours that ended first, then move on to supervisors for hours you're currently working on (e.g., if you worked for one employer in July and another one in October, have the first employer sign the form first).
- * **In order for hours to count, they must be indicated on the official Verification Form, the form must be complete, and it must be signed and dated by the appropriate supervisor** (not a co-worker, teammate, or classmate). You cannot get credit for hours in more than one category. Follow the directions to determine which form to use; if you have questions, ask!
- * **Forms will not be accepted after November 6.**
