What's New at Our Facility...?

We officially became a Wyndham Resort Facility December 27, 2018 and are currently in the final phase of a \$27 Million + Full Facility Renovation. We are actively completing our Meeting/Event Space, Public Areas (Lobby, Restaurants etc...) and New Construction of our Front Entrance Tower. Soon to follow is our Parking Lot Enlargement/Resurfacing and Landscaping. We anticipate the project will be completed by May/June of 2019.

Guest Room Renovations Include (COMPLETED): New Carpeting & Vinyl/Wallpaper, Furniture, Refrigerators, Curtains & Bedding and Interior Hallway Guest Room Doors. Our Guest Room Bathrooms are also being completely gutted and remodeled which includes Walk-in Glass Showers. However, we did Replace the Bathtubs in a portion of the rooms with New Bathtubs that appeal to families traveling with smaller children (if you have a preference, please mention when making your reservation). Additionally, each room was updated with its own Temperature Controlled Heating/AC Unit, Energy Efficient Windows, Exterior Doors for Courtyard Guest Rooms, In Room Safe, Telephone, and Flat Screen TV.

Meeting, Event & Public Space Renovations (FINISHING STAGES): All our Public & Meeting/Event Space will be renovated including relocating the Golf Pro Shop back into the Main Building, creating a New Outdoor Wedding Site with a Garden and Water Feature as well as a complete Renovation of the Expo Center. Additionally, we will be adding two Elevators for Guest Room Access and another Elevator to access our famous unique tiered level Showroom which includes a full Broadway style stage. The Showroom Elevator will also stop at the Main Lobby Level for any guests with mobility issues that may want to avoid the eight steps in the Entrance Foyer.

Exterior Façade, Parking Lot, Courtyard Renovations & Landscaping (IN PROGRESS): Not only will we be cosmetically enhancing our Exterior Façade, which includes the Main Entrance Tower, we will be Resurfacing and Enlarging our Parking Lot. We will also be Renovating our Courtyard Area to include a new Outdoor Infinity Entry Pool, Kids Splash Zone, Jacuzzi, Firepits, Snack Bar and Landscaping.
