AFFILIATE PROGRAM

Welcome to the True Light Services Affiliate Program! We're a company with an enthusiasm to invest in communities and would love to partner with you through our Affiliate Program.

There are two great ways to participate in our Affiliate Program and generate funds for your organization. We invite you to participate in one or both ways!

SALES AGENT REFERRAL OPTION:

Help People You Know Find a Profitable Career And Generate Funds for Your Organization at the Same Time!

We market and sell technology products in various markets and are consistently looking for individuals to join our sales teams.

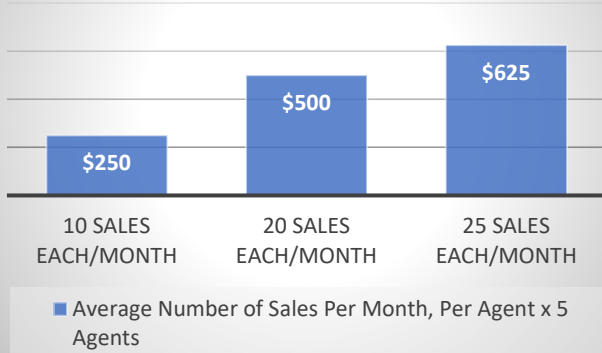

As a Sales Agent Referral Affiliate, you simply refer people to True Light Services that may be interested in starting or expanding a career in sales. Once these new sales agents are onboarded and begin to make installed sales, we will generate monthly payments to your organization for each successful sale to help you fund your operation. It's that simple!

Below you will find a breakdown of how payments are calculated, as well as some examples of potential revenue for your organization based on sales results of the people you refer. All payments are calculated based on completed and installed sales. The payments and calculations below are based on the number of individuals that you refer and are a part of your Affiliate Program.

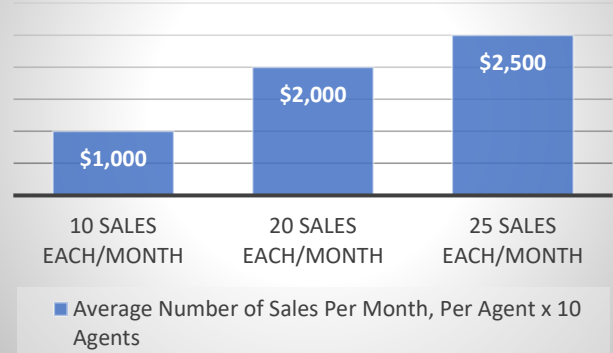

Number of Active Sales Agents in Affiliate Program	Payments Made on Each Installed Sale
1 – 5 Sales Agents	\$5.00 Per Installed Sale
6 – 10 Sales Agents	\$10.00 Per Installed Sale
11 – 15 Sales Agents	\$15.00 Per Installed Sale
16 – 20+ Sales Agents	\$20.00 Per Installed Sale

In the charts below you will find several examples of earning potential as part of the Sales Agent Referral Affiliate Program.

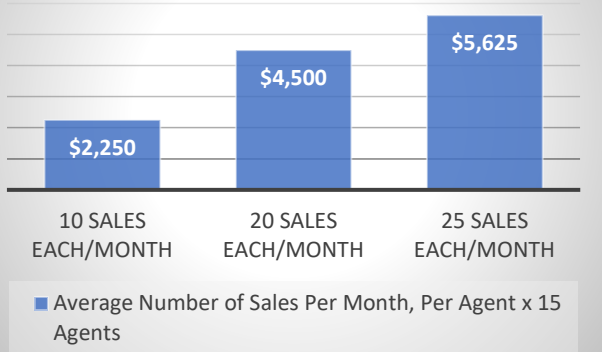

**5 Active Sales Agents
\$5 Per Sale Payment**

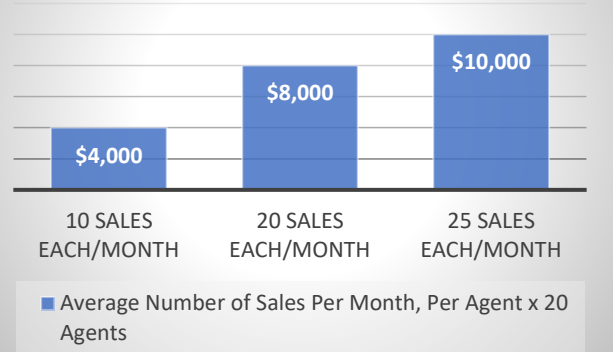

**10 Active Sales Agents
\$10 Per Sale Payment**

**15 Active Sales Agents
\$15 Per Sale Payment**

**20 Active Sales Agents
\$20 Per Sale Payment**

- Referred Affiliate Sales Agents must have a cumulative minimum of 5 qualifying sales combined in a given month for the organization to receive override payments.

PRODUCT PROMOTION OPTION:

We offer a variety of technology products based upon the location and market. As part of our Product Promotion Affiliate Program, you simply make friends, family, and others aware that you are part of an affiliate program with True Light Services and refer them to contact us regarding our products and services available in their area. We take it from there and generate a monthly payment to your organization for all complete sales.

We even make the referral easy for you! We provide a tailored Digital Referral Card that you can simply share through text with those you are referring and instruct them to mention your referral code on the card when they contact us so that we can be sure to get you credited.
