To whom it may concern

I strongly recommend Carrie Cattalo for the role of counselor.

I am Jenny Beadle, LCSW a therapist at PCBH. I've known Carrie for 1 year since we first met during her internship at PCBH. All of us at PCBH are proud of Carrie's accomplishments during her time with us, and I'm honored to write this letter on her behalf.

While at PCBH, Carrie has consistently shown a willingness to learn and grow in both therapeutic aspects and administrative tasks. Her willingness to be a team player and help whenever and wherever needed has made her a great asset to PCBH.

I'm confident that Carrie can add value to your organization. I can say with certainty that if hired as your next counselor, Carrie can become a crucial asset to your organization. If you have questions about the time I spent as a supervisor to Carrie, please reach out to me. I'm happy to answer any further questions you may have about the letter or Carrie's time spent at PCBH.

Sincerely,
Jenny Beadle, LCSW
