To Whom It May Concern;

I am writing to recommend the services of Raija Easterbrook, Upholsterer and Tailor. Raija has completed the majority of our large, capital upholstery projects throughout the twenty-two Vacation Homes at our Location, as well as doing personal tailoring for my family and me.

I feel confident in recommending Raija's upholstery services. She is not only thorough, but also easy to work with and always willing to take the time to discuss any concerns and respond to questions. She does outstanding work, supported by her dedication, attention to detail and excellent service. In my opinion, Raija's talent and skill go unsurpassed.

If you have any further questions, please feel free to contact me.

Best regards,
