

MEET US: YOUR COMPREHENSIVE TRAVEL AGENCY & PLANNER

Transforming Corporate Travel with Concur

Are you ready to elevate your corporate travel experience? At Meet Us, we specialize in providing state-of-the-art travel solutions, and we're proud to offer **Concur** to our corporate clients.

Transforming Corporate Travel with Concur

Why Choose Concur?

1. Access to AMEX Global Rates

Concur's partnership with AMEX allows you to benefit from exclusive global rates. This means significant cost savings for your company while ensuring that your employees have access to the best travel options worldwide.

2. Centralized Reporting

With Concur, all your travel data is compiled in one spot. This centralized reporting simplifies expense tracking and provides valuable insights into your travel spending. You can quickly assess what departments or projects are incurring the most costs, enabling smarter budgeting and forecasting.

3. Know Where Your Team Is Traveling

Safety is paramount. Concur helps you maintain compliance and provides peace of mind by tracking the locations of your traveling employees. You will always know where your team members are, allowing you to respond swiftly in emergencies or travel changes.

Costs Associated with Concur Services

- **Transaction Fee:** \$3.80 per transaction.
- **Per Account Set Up Fee:** \$550.00.
- **Set Up Support/Per Instance:** \$850.00 per day.

Note: While Amex GBT does not charge to implement clients, additional charges from Concur may apply for project-dependent services, such as:

- Single Sign-On
- Profile API
- PNR Set Up
- Automated Credit Card Import Interface

These additional costs will be provided via Concur through a Work Order.
