Holly

Hi! Thank you for giving me an opportunity to introduce myself. My name is Holly Smith, and I am a proud member of Freedom Property Group | Rise Realty Co.

I am a wife and a mother of two wonderful children. I have worked 10+ years as a nurse, mainly in an Emergency Room setting. My family and I live outside of Bremen where we have been for almost 10 years. I enjoy sewing, horses, and being a part of our church family.

My family recently lost our house to a fire, and during that time I was quickly reminded how precious and important that HOME was to me. It was made of memories that will last a lifetime.

One of the most important decisions of your life is the process of choosing a home. Whether it be your forever home, a place to watch your babies grow up in, or a piece of property to build a business upon. I am passionate about helping people find that special place to live out their dreams, and build those lifelong memories.

It would be my honor to represent you whether buying or selling, starting your home, or moving into another chapter. I will give you and your family the time, dedication, and communication that you deserve! I would be forever grateful for your business!

MEET *Monica*

I am beyond excited to introduce myself as a proud member of Freedom Property Group | Rise Realty Co. My name is Monica Wakim and I am so grateful to be given the opportunity to do what I absolutely love best. As a newer agent, I am able to share with my clients the most up-to-date and cutting edge information on today's market.

I previously worked in property management as a leasing agent, which very quickly became my favorite job I've ever had. I couldn't wait to keep going! I loved what I did, I genuinely enjoyed meeting new people and loved being able to help them find exactly what they wanted. That's why I decided to become a Realtor. The most rewarding jobs are those that leave you feeling fulfilled at the end of a long day and that is my goal while serving each and every one of my clients!

After my leasing experience and prior to obtaining my real estate license, I also worked as a Transaction Coordinator. I learned a lot about real estate in a short amount of time while making sure every transaction ran smoothly from start to finish and carefully guiding each client through the process with as little stress as possible.

On a more personal level, I am a friendly, fun-loving, outgoing, and generous person. I LOVE spending any free time with my friends and family and being outside. I am very close with my big, Italian family and will forever cherish the importance of having a place to gather that you can always call HOME.

It would be an absolute honor to work with you when you decide to pursue your real estate goals. If you do, I promise that together, we can accomplish anything you desire!

MEET

Brooke

Hello!

Love for Travel and Adventure

My curiosity into the world of real estate began with my travels. I grew up on the shores of Lake Erie. I could see the coasters of Cedar Point from my house on a clear day and ended up working there through high school and college. I decided to go on an adventure of a lifetime and become a foreign exchange student to Argentina and live with a host family while there. I may not have been able to speak a word of Spanish at the time, but the adventure led me to loving a second family like they were my own and becoming fluent in a second language. It was there that I began to learn about types of homes as well as ways of life. I then ended up backpacking throughout Europe, staying with friends I had met both at Cedar Point and other former exchange students that had traveled to Argentina.

During college I decided to pursue a career in physical therapy. I ended up at Ohio University for both undergraduate and graduate school studies and completed my B.A in Psychology and obtained my Doctorate of Physical Therapy. My job and love of houses led me to move to multiple areas in SE Ohio including The Plains, Athens and Guysville, living in neighborhoods as well as out in the rolling hills outside of town. The kindness of the people and the way of life of Athens made me feel at home. (They say after 10 years you become a "townie" and that's definitely what I became.) I left for Mansfield for a job opportunity in the therapy world, but Athens called me back home after just over a year.

Home Life

In 2019 I married my best friend. We enjoy trail running, hiking, and playing with our dogs, 3 boys and baby girl. We both love an adventure, traveling and good food, so the multiple locally owned restaurants and the various outdoor activities of Athens is what we both love about SE Ohio. We love to hike with the kids, swim at the local "lakes", and try out new menu options at the locally owned restaurants. Hitting the trails is our past time. I was finally able to complete my dream of running a half marathon on the trails and hope to catch up to my husband and someday run an ultra-marathon.

Hard working

As a mother of four young kids and a high energy mastiff mix pup, I am currently pursuing a dream of opening a restaurant and Brewery near the Bailey's Trail System in Chauncey Ohio, I am amazing at multi-tasking. I love a challenge and I have a major desire to help people. Real estate allows for both. I am here to help you get the outcome you want with both buying and selling your home and will go above and beyond to make that happen.

MEET

Megan

Hello!

I have been a resident of Athens County for over 25 years. When my love of learning brought me to Athens to earn my Bachelor's Degree at Ohio University, I fell in love with the area, and then moved to Nelsonville to earn a second degree at Hocking College.

While doing this, I became invested in the community, volunteering with local environmental groups, food pantries, and active with the Athenian-Berean Community Players. I continued to stay engaged with Southeast Ohio when I bought my first home in Amesville. Living in Amesville, I served on Amesville Village Council, while gaining an innate knowledge of local school districts by working as a substitute teacher throughout Athens County.

I have a strong desire to help both individuals and families achieve their goals. As an energetic mom of three boys, I pride myself on my ability to handle a multitude of tasks while staying patient, detail-oriented and resourceful. Exhibiting a true passion for Southeast Ohio, you can find me out hiking, biking and exploring the area. I also enjoy home improvement, managing my own rental properties, and exploring with my family.

Whether you are seeking to purchase or sell a home in Southeast Ohio, let my personable and professional character, expertise and experience in real estate make me a trusted agent for you.
