A Member to whom notice is given under this rule shall be entitled to appear before the Committee at that meeting, with or without representative, to answer the complaint.

## 11 GOLFING EVENTS

11.1 President's Trophy. There are four main Golfing Days in the Society's calendar, The Spring Meeting, The Summer Meeting, the Autumn Meeting and Captain's Day collectively termed Qualifying Competitions.

11.2 Each event has its own Trophy which can be won by a Society Member only (i.e., not a guest) and held by that Member until the AGM when it is returned. The names of the winners will be added to each Trophy.

11.3 On the Captain's Day, the Captain will provide a prize at his expense to the winner that the winner will retain.

11.4 All four competitions are individual Stableford played to full handicap. The President's Trophy is awarded to the player who has the best three aggregate results over the year. In the event of the final scores being tied then the Trophy will be awarded on count back using the last qualifying whole round scores played by those tying for the Trophy.

11.5 Guests are welcome at the Spring, Summer, Autumn and the Captain's Day and will play for guest prizes.

11.6 A Knockout competition, open to all Members will be arranged at the beginning of each year. The Knockout is played throughout the year with the

final being played prior to AGM. This is played on an individual match play basis (i.e., The full difference of the two handicaps).

11.7 The final will be played on an independent course or one acceptable to both parties.

11.8 Trophies will be awarded to the winner and runner-up, but the event will not be a Qualifying Competition

11.9 Inter-society and other Competitions. From time to time the Society may enter Inter-Society and other competitions. These are arranged through the Captain and organised by the Society Secretary and Event Secretary. The format and venue of these matches varies.

11.10 Past Captains' Match. The outgoing Captain is responsible for choosing a venue for the Past Captains' Match. Only Past Captains of the Society with current membership are eligible to win and hold the Past Captains' Trophy. At the discretion of the Outgoing Past Captain, this event can be by invitation to include all Society Members and their Guests.

11.11 Memorial Trophy. An annual event will be held in memory of deceased members, but it will not be a Qualifying Competition

11.12 Trier's Trophy. The Triers' Trophy will be awarded to the player with the highest aggregate score over the Qualifying Competitions. Any player during the year who has won any of those events, or the President's trophy will not be eligible. In the event of a tie the trophy will be awarded on count back using the last scores of the last competitions.

## 12 HANDICAPS

12.1 It is the responsibility of each Member to ensure that they are playing from their correct handicap index. The current handicap index and shot reduction is available on the RHGS web site

12.2 The Event Secretary is responsible for the calculation of Members' handicaps. A Member's handicap can be the same or lower than his official club handicap; it can never be higher.

12.3 Handicaps are based on each player's results in those Society events which are open to all members (qualifying Stableford competition). Increases in handicaps to bring them in line with a club handicap index can only be made following a RHGS qualifying competition. After each completed competition the RHGS handicap index can only be increased by a maximum of one (1) shot and no higher than the players' current club handicap only if the member shot 35 Stableford points or lower.

12.4 A Member winning a qualifying Stableford competition will have his handicap reduced for each win by:

For handicaps up to 9 minus 1.

For handicaps 10 to 19 minus 2.

For handicaps 20 to 24 minus 3.

For handicaps of 25 and over minus 4.

12.5 In addition a member's handicap will be reduced as detailed in 12.4 should he win the Trier's Trophy or the Knockout and reduced by 1.0 for runner-up of the Knockout.

12.6 Any player leaving the society and then re-joining within 3 years will be allotted the handicap that they had on the date that they originally left the society or their current club handicap whichever is the lower. If the player re-joins after a period of 3 years, then their society handicap will be their current club handicap.

12.7 If a player does not have an official club handicap the Events Secretary will allocate a suitable handicap and assess the standard of play at RHGS events.

12.8 In the event of any dispute regarding the RHGS handicap then the Events Secretary's decision is final.

### 13 OPERATION, AMENDMENT AND REVOCATION

13.1 These rules take effect on the day after the date of the general meeting at which they are adopted on which day all previous rules are revoked. These rules may be amended or revoked by Members of the Committee during a Committee meeting, by Members of the Society in annual or special general meetings by majority vote of the quorum.
