WERE YOU OR YOUR HOME AFFECTED BY THE 2023-2024 STORMS?

Apply for financial assistance through the Disaster Relief Assistance Program

ABOUT THE PROGRAM

The **Disaster Relief Assistance Program (DRAP)** provides **one-time reimbursement** to eligible Chicago residents who experienced financial hardship due to the severe storms and flooding of Summer and Fall 2023 and Summer 2024.

ELIGIBILITY

- ✓ Lived in Chicago and experienced documented financial hardship as a result of storms that occurred on the following dates: June 29-July 2, 2023; Sept. 17-18, 2023; and/or July 13-16, 2024
- ✓ Currently reside in the City of Chicago
- ✓ Can provide documentation of eligible expenses
- ✓ Household income at or below max annual income limit

HOUSEHOLD SIZE	MAX ANNUAL INCOME (2026)
1 person	\$68,050
2 person	\$77,800
3 person	\$87,500
4 person	\$97,200
5 person	\$105,000
6 person	\$112,800

COVERED EXPENSES

Has FEMA, insurance, or another program already helped you? If so, you may still qualify. DRAP is designed to fill your household's unmet need, which is the gap between your storm-related financial hardship and assistance you may have already received (up to \$15,000). Example: If your storm-related hardship was \$6,000 and FEMA gave you \$2,500, DRAP may be able to reimburse you up to \$3,500.

APPLICATION PROCESS

- Applications will be accepted on a rolling basis. Submitting an application does not guarantee your application will be reviewed.
- Due to limited funding, priority will be given to applications from zip codes most impacted by the qualifying storms, renters, and seniors (age 60+).
- If your application is selected for review and processing, you will be notified via email.

WHERE TO APPLY

- Apply online at chi.gov/drap
