

SALEM CEMETERY ASSOCIATION
1 000 SOUTH MARKET STREET, TROY OH 45773

November 8, 2021

Salutations to our fellow Salem Cemetery Association Members!

The Salem Cemetery Association has been busy this year with several projects, namely the lawn maintenance of the cemetery, consolidating banking accounts, digitizing and archiving old records, searching for lost or missing addresses of members, and starting a fundraiser. We have plans for next year update our By-Laws, currently under legal advisement, secure a more permanent solution to our annual mowing responsibilities, expand and update our membership, and increase our involvement and communication with the membership.

Attached is a Newsletter with information, stories, fundraiser links, and contact info for the Board of Trustees. Please consider a donation this year, which is easy to do using the Internet Go Fund Me website in the Newsletter. Alternately, you can simply mail a donation to our Association Treasurer Robert Brower, using the address at the top of this letter (and also included in the Newsletter).

We are emailing and “snail mailing” this letter and Newsletter to everyone that we have contact information. If you only received this in the regular mail, then that means we do not have your current email address. If you know of a member who did not receive either, then we don’t have any contact information for them! We would love to hear from you! Please email, write, or call to update our records.

Email: browerrj@hotmail.com

Mail: Salem Cemetery Association (address at the top of this letter)

Phone: Trustee phone numbers are on bottom of the second page of the Newsletter

I hope you enjoy the Newsletter, please share with us YOUR stories and pictures, and remember to help with the fundraiser as this is important to keep our beautiful cemetery running for many more years.

Best Regards,

Robert Brower, President and Treasurer
