Reporting Concerns About Other Adults

Where any person has a concern regarding the conduct of an adult connected to the Company, which poses or may pose a safeguarding risk to children such as:

- harming a child either physically or emotionally
- exposing a child to behaviour which may cause physical or emotional harm
- engaging in criminal activity concerning a child

this must be raised in the first instance with the Safeguarding Officer (or where this is not appropriate, a different senior member of the organisation) so that the next appropriate steps may be agreed and actioned. We recognise that there could be circumstances where a person may need to report a matter that has taken place in a setting outside of the person's engagement with the Company.

Usually, any appropriate steps following a safeguarding referral in respect of an individual connected to the Company will include either:

- further initial enquiries
- escalation to the applicable Local Authority Children's Services department for assessment and/or the police for investigation
- instigation of any appropriate disciplinary, formal investigation processes and suspension of any person concerned within the Company
- a referral to the Disclosure and Barring Service, Disclosure Scotland or Access Northern Ireland, or any other relevant regulatory bodies

Any person within the Company who has allegations made against them shall be informed properly in a formal meeting of the particulars of the allegations and the relevant next steps which shall be taken. Such a meeting should ordinarily be held by the Safeguarding Officer. On certain occasions, such a meeting may not be convened until this has been approved by any authorities involved (such as the police or the relevant Local Authority).

Any person from within the Company who has allegations made against them shall be treated fairly. All enquires, investigations and decisions taken shall be just and fair, with the safety of any child concerned at the heart of the process.

Any person from within the Company who makes an allegation against another person from within the Company shall be listened to, taken seriously and shall be treated fairly and justly throughout the process of enquiries, investigations and decision making.

Where we hold any events or activities whereby a child attends alongside their parent or guardian, parents and guardians should ensure that children are properly supervised.

Managing the Behaviour of Children Generally

Whenever any adult engaged by us is faced with challenging or inappropriate behaviour from a child or with conflict between children, they must:

- treat each child fairly and equally
- approach the situation in a calm and neutral manner
- only ever use physical restraint/intervention in order to protect the immediate safety of a person, for example, to prevent an injury or harm either to the child or others
- wherever it is justified to physically restrain a child or to physically intervene, the amount of force used should be kept to the absolute minimum taking into account the risk posed
- make a written record of the incident and ensure this is reported appropriately to the Safeguarding Officer

Managing Risks Posed by Other Children

It is important for all adults engaged by us to recognise that children can face harm from their peers. This can commonly take the form of bullying. Bullying can be defined as any behaviour which is:

- repeated; and
- has the intention of hurting somebody either physically or emotionally.

Bullying can sometimes be motivated by prejudices based on certain groups, for example, gender, race, religion or sexual orientation. Bullying can often include:

- physical harm perpetrated against another child
- name calling and threats
- cyberbullying (threats and abusive comments made via technology)

Any instance of bullying or concern relating to possible bullying between children at any event or activities arranged by us will usually be dealt with by us in the first instance as follows:

All children And any relevant staff shall be spoken to individually to ascertain the facts. Where appropriate children will receive a first warning and relevant support/education.

Where any behaviour amounting to bullying continues following this, the following steps will be taken:

The child or children who have found to be responsible for persistent behaviour which amounts to bullying of another child, shall be banned from attending the club.

All steps in relation to the prevention or management of bullying should be taken in consultation with the Safeguarding Officer.

Photography

Our Photographs

On some occasions, we may take photographs featuring children. We recognise that photography of children carries risks, such as:

- the potential for images to be re-used, shared or adapted in a damaging or inappropriate manner
- the general risk of sharing images and the impact this could have on child's public image as they grow older

In view of these risks, we will:

- always ask for written permission from a child and their parent/guardian before taking and sharing any image of them
- always ensure that a child and their parent/guardian are properly informed how an image will be used and shared
- always ensure that a child's identity is protected as far as is possible within any published material
- ask that parents, guardians, children and any other person connected to them who may wish to share any of our published images which features other children to refrain from doing so unless they have the permission of the other children and their parent/guardian

This Policy is approved and robustly endorsed by
SB CHEERLEADING and is due for review every
12 MONTHS.
