# **DIP YOUR TOE INTO FAMILYSEARCH** GENEALOGYKC 2024

### PRESENTER: ASHLEY ARNETT

Many people wish to start their journey in genealogy, but get too overwhelmed with navigating through the technology. In this class together we will navigate through the basics of FamilySearch and get comfortable using settings, adding information and sources, and looking more closely at tools on individuals profiles.

# Tree

### Filters and views

- Fan chart/pedigree view
- Birth country, sources, stories, photos, research helps
- Generations
- Home navigation
- Zoom

Adding sources to a person		Tree	Land I	
Compare information from the document to	the person in your	r tre	ee:	
Record:	Person in tree	:		

If it's a match, add the new information from the document and attach it to the person.

Continue the process until you have many solid sources to prove this person and their information is correct.

You can also search for more records on the "..." menu.
