

Escape the Census

Janee Probst
DEARLYDEPARTEDONE@GMAIL.COM

You can't escape the census! This is a hands-on, interactive exploration of the census. See the census in a larger-than-life format. Come and learn how each line of the census can be a clue into solving the mystery of a family. Through learning activities, you will discover the who, where, and how that tell the stories of families back in the day. Did they rent or own? Where did their mother and father come from? Find out why it all matters and have some fun.

Here are some Clues
