

Stake Your Claim with FamilySearch Research Wiki

A Motherload of Information

Janee Probst
DEARLYDEPARTEDONE@GMAIL.COM

Before the FamilySearch Research Wiki, genealogist depended on many books,

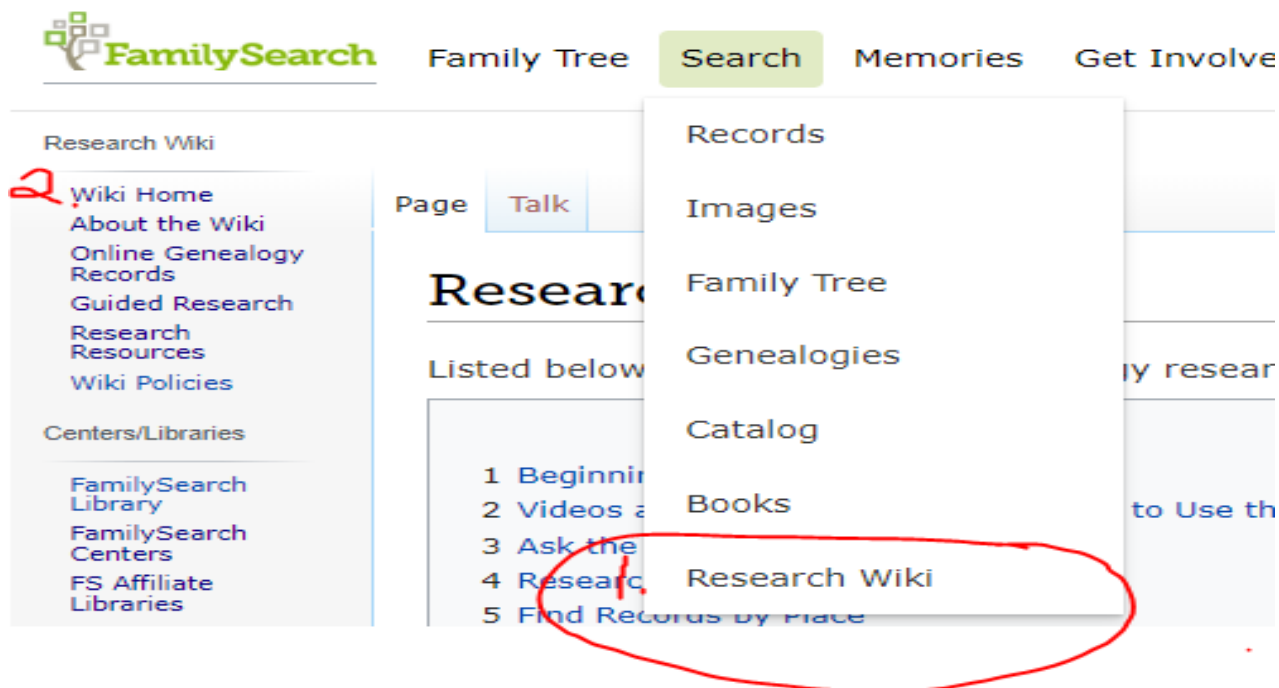

1. The Red Book by Ancestry
2. The White Book by Ancestry
3. The Handybook for Genealogists by The Everton Publishers
4. Don't forget Telephone books

Why would you use the FamilySearch Research Wiki

- To understand the areas you are researching.
- To learn what records are available.

You can access the FamilySearch Research Wiki two different ways,

1. Go to: <https://www.familysearch.org/en/wiki> , you will not need an account
2. Sign into your FamilySearch account, then to the “Search” tab, then to the “Research Wiki” link (Circled red 1)

1. The Guide on left side – See the left margin section above

- Learn about the FamilySearch Research Wiki - **Red 2** above will teach you more “About the Wiki.”
- Online Genealogy Records - What records are available
- Guided Research
- Research Resources
