Use of Equipment

Please ensure that all guests respect the equipment supplied and treat it with care. No pens, pencils, markers, or sharp objects that could puncture the mattress are allowed in the forts. If you choose to provide your guests with refreshments, we ask that tomato-based foods, pasta, greasy or messy foods are not served inside the forts. Painting or similar activities are not allowed inside the forts. These can stain our linens and fabrics and make clean-up a challenge. Our forts are handmade and will be easily damaged through misuse. Please, no jumping on the beds.

We require a smoke-free environment.

Set-up Times

Depending on the size of your party, we require a 1-2 hour set-up time. We request that you help make this time as uninterrupted as possible. Arrival set-up and collection times will be arranged at the time of booking subject to Fairytale Forts availability.

Positioning/Setting up of Equipment

Please have the designated party area clear of furniture and clean prior to our arrival. The Client is responsible for indicating clearly the location of the assembly or dismantling of the equipment. Struble Enterprises Incorporated will take every care but shall not be liable for any damage to the site, site access, furniture or personal belongings. All floor areas must be cleaned & furniture cleared before setup commences. Each fort will require around 3.5' X 6.5 feet of space.
