MORE THAN JUST A CHAIR

Thesis is an active learning platform for twenty-first century students. Built with an agile quad storage base and a modern seat shell, Thesis blends flexibility (like 360-degree swiveling capability and an ambidextrous tablet arm) with mobility and personal storage. Thesis anticipates the needs of today's vibrant classroom - a classroom that transitions seamlessly from lectures to discussions and interactive groups.

MULTI-FUNCTIONAL & MULTI-DICIPLINE

Designed not only for the modern learning environments, The Thesis seating can be used in every area where seating is required including guest seating, cafeteria, waiting & public areas. It's vibrant colors and features makes Thesis use multi-functional and multi-disciplined.
