Claudio Francesco Bellini (1963) is living and working in Milan, where he graduated in Architecture and Industrial design at the renowned Politecnico university in 1990.

His strong fascination with creativity, is rooted in his early childhood years, inspired by his father Mario Bellini, whom counts as one of the most affluent figures in design history.

Today Claudio Bellini Design, recognized as one of the most influential European studios, is active within several fields of design, ranging from furniture to product and architecture, collaborating with leading companies worldwide including Walter Knoll; Steelcase; Poltrona Frau; Riva 1920. Many of its creations have received international design awards, among which the prestigious Red Dot, IF and Good design award.
