reddot design award

Fractions seating redefines the value statement for task seating with choices and options. A weight balanced synchro-tilt mechanism, with an adjustable lumbar support to start with. Then you have a choice of Fixed or adjustable arms.

The fun begins with 2-back heights (High-back or Mid-back) as well as a stool option along with a choice of three frame colors and three arm cap colors, then a plethora of mesh colors and fabrics to choose from.

.... Oh' Baby !!
