# BE TASK.

Claudio Francesco Bellini (1963) is living and working in Milan, where he graduated in Architecture and Industrial design at the renowned Politecnico university in 1990.

His strong fascination with creativity, is rooted in his early childhood years, inspired by his father Mario Bellini, who is one of the most affluent figures in design history.

Today Claudio Bellini is recognized as one of the most influential designers. Active within several fields of design, ranging from furniture to product and architecture, collaborating with leading companies worldwide including Walter Knoll; Steelcase; Poltrona Frau; Riva 1920 just to name a few, and having received international design awards, among which the prestigious Red Dot, IF and Good design award.

## ADJUSTABLE HEADREST

It's wide design not only provided the comfort & support, but it drastically enhances it's aesthetic elegance. Available in various fabric & faux leather.

- ▶ Molded foam
- ▶ 5-position height adjustment at 30mm increments

## ADJUSTABLE BACK HEIGHT

Everyone is different. The height adjustable backrest enables a vertical adjustment lift range of 50mm with 6 - Position lock.

## WATERFALL SEAT

The high-density seat design features a rounded front that slopes slightly downwards to relieve the pressure on the back of thighs and offer increases support. This improves blood flow circulation to the lower limbs

## SUPER SEAT SLIDER

The 6-position seat depth adjustment slider is lever activated to enable refined adjustments based on your own comfort and body structure.
