

DRIVING CHANGE FOR OUR SENIORS: SEEKING VOLUNTEERS!

Join Us in Solving Transportation Issues for Seniors in the Crosslake Area!

Crosslake Cares and Interfaith Volunteers are partnering to make life easier for seniors in the Crosslake Area by providing essential transportation resources. Crosslake Cares is contacting Crosslake area organizations for your help in finding volunteer drivers.

CAN YOU HELP US?

Crosslake Cares Will:

- Connect with your organization, leadership, and members
- Set up meetings with interested volunteer drivers
- Introduce Interfaith Volunteer coordinators for any questions

Interfaith Volunteers Will:

- Enroll volunteer drivers
- Provide volunteer driver training and liability insurance
- Connect volunteer drivers with seniors needing rides

A recent Crosslake Area Senior Transportation survey tells us that area seniors need rides. 71% of the total respondents in need of transportation were above the age of 71. These individuals are needing rides primarily to:

-  *Medical Appointments-
Doctors/Dentists/Vision*
-  *Errands-
Groceries/Banks/Shopping*
-  *Church/Religious Services and
Functions*
-  *Social Outings*

Check out our websites: crosslakecares.org and interfaithvolunteers.org and our Facebook page: *CrosslakeCares18* for more information.

QUESTIONS:

If your organizations have questions about the Crosslake Cares & Interfaith Volunteers joint plan to help area seniors find rides, contact John at:
