RECORD-BREAKING SUCCESS: CROSSLAKE'S SENIOR DAYS & EXPO DRAWS UNPRECEDENTED PARTICIPATION!

BELINDA JENSEN, Meteorologist of KARE 11 News, was our Keynote Speaker at the 6th Annual Senior Expo held on April 26, 2025. Her inspiring talk was all about her personal journey from growing up "in the sticks" to presenting weather in the KARE 11 backyard for over 30 years, becoming Bel the Weather girl!

Crosslake Cares is a dedicated nonprofit organization committed to enriching the lives of seniors by connecting them with services in our community. On the weekend of April 26 we proudly hosted our fourth annual Senior Days and sixth annual Senior Expo—our most successful events to date, benefiting both seniors and local organizations in the Crosslake area.

The weekend was filled with a variety of activities across Crosslake, including new additions like Senior Bingo and Senior Trivia, as well as favorites such as the Senior Prom, pickleball matches, a 3K walk, informative presentations, and exclusive discounts at local restaurants, retail shops, and golf courses. The highlight was the Senior Expo held at The Log Church, which attracted our largest crowd yet, with hundreds of attendees and over 50 exhibitors. Guests enjoyed insightful mini talks from area experts, complemented by free coffee and pastries throughout the morning. A special thank you to Belinda Jensen, Chief Meteorologist at KARE 11, who delivered an inspiring keynote address sharing her career journey and encouraging attendees to embrace every

step of life. Her full presentation is available on our website at crosslakecares.org. We are so thankful and appreciative to Cuyuna Regional Medical Center for their Platinum-level sponsorship of the Senior Expo. Special thanks also to Jennifer Lowe and her team for providing valuable information and assistance to seniors at their booth.

Mark your calendars for next year's **Senior Days and Expo**, scheduled for the weekend of April 25, 2026. We look forward to offering another series of inspiring and helpful events for our area's seniors, and maybe more new additions!

RIDES FOR SENIORS!

Interfaith Volunteers is working with **Crosslake Cares** to solve the community's need for transportation services. Thank you to all those local Seniors who completed our Senior Transportation Survey, your feedback was invaluable!

Their mission is to help older adults and people with disabilities remain living safely and independently at home. Their primary service is to provide rides to medical appointments, grocery shopping and essential areas.

Interfaith Volunteers recently hosted a volunteer driver training session in Crosslake with 15 people in attendance. As a result, we have 5 new drivers who are available to provide rides in the Crosslake community.

If you need more information, need a ride, or would like to learn how to sign up as a volunteer driver, please visit Interfaith Volunteer's website at www.interfaithvolunteers.org or call (218) 820-7454.
