Severed Introduction

Indubitably, there will be those who will have conflict with these, due to these truths conflicting with the "politically correct" comfort zones of their belief system. The objective is to identify and inform what the effects of breaking (not bending) Gods explicit standards. There is no implication of condemnation for anyone here, just information to help us assess our own status.

Caveat Emptor: A Latin phrase meaning let the buyer beware, used here as a alert to make sure your source and standards are in alignment for a narrow road current and eternal life blessings instead of a wide road current and eternal suffering of futile practices.

The other implication here is to not assume that the quality of the source of your "personal standards" information ensures your success. Sabotage is the deliberate attempt to damage, destroy, or hinder, to cause destruction of property or to obstruct success. Since many of these values addressed in "Severed" are in conflict with many worldly accepted standards, one of the sources is false, these or those. Is the false standard a product of sabotage? Deception is the only pertinent value Satan has to use on humanity.

Because it has been reported that the denigration of the Bible must be undertaken to support vulgar and vile lifestyles, biblical values have been redefined as hateful, (if you can even believe this, bizarre). In a 1958 TV interview, Aldus Huxley admits that the Bible gets in the way of their sexual perverse lifestyle, so it had to be discredited. This is a deliberate attempt to damage the Bible and its moral value, hence sabotage. There is more evidence if you care to check the facts. Your free to accept this or reject this, but the truth itself, will never be revised. The purpose of exposing this to inform humanity of alternative agendas that will sabotage our lives, and those around us. Caveat Emptor!

Nothing Can Separate Us From God's Love

All saints have a special relationship with God, and the more we know about that the better off we are.

- *'So now **there is no condemnation for those who belong to Christ Jesus.** And because you belong to him, the power of the life-giving Spirit has freed you from the power of sin that leads to death. ' (Romans 8:1-2)*
- *“What shall we say about such wonderful things as these? If God is for us, who can ever be against us? Since he did not spare even his own Son but gave him up for us all, won't he also give us everything else? Who dares accuse us whom God has chosen for his own? No one—for God himself has given us right standing with himself. Who then will condemn us? No one—for Christ Jesus died for us and was raised to life for us, and he is sitting in the place of honor at God's right hand, pleading for us. **Can anything ever separate us from Christ's love?** Does it mean he no longer loves us if we have trouble or calamity, or are persecuted, or hungry, or destitute, or in danger, or threatened with death? (As the Scriptures say, “For your sake we are killed every day; we are being slaughtered like sheep.”) No, despite all these things, overwhelming victory is ours through Christ, who loved us. And I am convinced that nothing can ever separate us from God's love. Neither death nor life, neither angels nor demons, neither our fears for today nor our worries about tomorrow—not even the powers of hell can separate us from God's love. No power in the sky above or in the earth below—indeed, **nothing in all creation will ever be able to separate us from the love of God that is revealed in Christ Jesus our Lord.**” (Romans 8:31-39 NLT)*

So we see that to remain in Christ there is no separation from God. That would infer people must enter into Christ first, and continue to abide in Christ. Now what constitutes “abiding in Christ”?

SEVERED TRUTHS

Why are these truths so important?

Ultimately we're all going to know the truth and we'll all be set free when that happens. What concerns me is which side I will be on regarding each of the categories below. I'd like to prepare myself for the best potential result.

**Truth is the
Ultimate Asset!**

Severed Categories

1. Severed from God, in eternal darkness and suffering, because my own doing, due to corruption and deception, turning renegade and desertion. (Card # 1-12, 15-20, 23-24)
2. Severed from my reward, because it was burned up, due to distractions and interferences. (Card # 21-22)
3. Severed from demonic toxicity that could poison me, and restrict my kingdom benefits. How I sever these toxic contaminates is important. (Card # 13-14)

God is absolute, and Jesus brought an absolute Gospel authenticating a heavenly narrow road set of values and standards. These three categories describe essential important values to become aware of and activate strategies to influence enforcement to defeat the first two and engage #3.

There is a difference between Jesus' authentic gospel and mankind's theologically revised versions that are parading around today as authentic. The big differences is between how these Gospel models are practiced, what our belief system is regarding an earthly mediator, and how we deny or embrace delegated or transmitted authority (the Person Holy Spirit).

Placing God in a restricted place where He can't hear any of my prayers, due to my own severance causing activity, wasn't something any of us was setting out to do. But if my prayers aren't answered shouldn't I find out why, and try to fix it? Maybe these truths can provide some values for me to address this issue and others. These truths are important to help me redeem so many significant values God has for those who know about them, pay attention to them, and build their lives on Jesus truths.

Narrow Road Standards

The world offers many standards for each of us to accept and even be enticed by. Traditional church isn't far behind, unfortunately. There are some very defined standards, by God, for His family. Jesus taught on these, as well as His Apostles. The difference is that God's standards get very good results, today, tomorrow and forever, while the others are futile and powerless. Certain practices may be expedient, but long term have an expelling consequence.

After studying these and seeing how effective they are, I decided to share them. These can help enable others to become enlightened on narrow road standards. It is smart to leverage off of somebody else's effort and success, and if I can avoid the potholes ahead it is worth the hour or two to bypass failure and futility.

The standards of life need to be exposed and encouraged to help all humanity. If we are truly good citizens and patriots, we will

share with each other the truth and not enable others to slip down into failure or to expire into an eternity of darkness. If any of our current "truths" are obstructing God's values and these practices sanction a sinful lifestyle, they can cause us uncertainty about this subject matter. If we feel conflicted it just might be God nudging us toward some level of enlightenment.

If failure, barriers, and hinderances meet us unprepared, maybe we should spend some time in preparation, in order to overcome these obstacles. My motivation here is to insure awareness and acknowledge answers, solutions and better chance at succeeding. Like Jesus, we are not supposed to lose anybody. Since the way is for truth to set us free, lets embrace it and help others do the same.

Knowledge Factors
People die of fail from lack of knowledge so resisting truth is consequential
As we conform to truth we'll benefit from its ADVANTAGES!

About The Kingdom Cards

The Kingdom Cards are “Bite-Sized, Fact-Checked Nuggets” developing value to build our spiritual esteem! Faith comes by hearing, so print them for periodic reviews. Repeated viewing helps retention. 1st viewing retains 10%, 2nd 30%, 3rd is more!

These Kingdom Cards were developed to help me with my understanding of Biblical teaching. I found out that I enjoy doing research and matching up answers with questions. These have been a fun and fascinating series to discover, develop, and publish. Every time I go through these cards, I see something different as if Holy Spirit was enlightening me on it, maybe taking me deeper, etc. These began as a flash card study project. Then I had my first Apple computer and was becoming acquainted with FileMaker, so I arranged my first database of questions and answers with these very cards. As time went on, I kept adding more study cards. When I started to help teach the children in Sunday school, I thought to myself, something that was colorful and challenging could be effective. So I arranged the style of the Cards and then built the Question and Answer Retention Sections. Answering the questions will always help us decipher how well we really know these truths. I thought if it helped me, maybe somebody else might benefit as well, or maybe these might shorten the learning curve for newer believers. So here I am, now 25 years in the making. I sincerely hope you're benefited. Since these discoveries have impacted my ability to bypass bad information, and those consequences associated with them, so I'm sharing them to help you impact your own journey.

We Are all “Cramming for Finals” in One Way or Another!

Work-In-Progress Report

This is called a work-in-progress report because of the periodic additions, which is why many are dated and have version numbers as well. Although much of this was revelation to me, it may only be information to you.

FIPO: (For Internal Purposes Only)

The kingdom of God begins in the inner life, where it rules, then it flows outward! Keep the teachings inside where they can begin to effect each of us deeply. There is a season for everything. Every seed needs time to germinate, root, and get healthy before it can produce. It's a cycle. Until we know something, have experienced it, and witnessed results, we're cautious and keep a low profile. So awareness, acknowledgement and activation could help us see better results.

I sincerely hope that the value you come away with will be more of the agape love of God, the riches of the provision and prosperity provided by Jesus, and the many gifts Holy Spirit has for you personally.

KINGDOM CARD WORKBOOK SECTION

Fill in the blanks are a way to help us retain the knowledge and test our retention. This usually has a better chance to recalibrate our thinking and internalize the knowledge for activation. Since reading something once usually doesn't offer a high retention level, the activation level wouldn't be available either. This section is to help retain truth, so truth could recalibrate my behavior.

Each of the fill-ins are highlighted words in the reciprocating kingdom cards (trying to help us identify them). It is challenging, but more valuable when we add the wisdom to our personal lives. Feel free to report any feedback @ www.golog2day.com.

Sin Does _____ & Gives Birth To _____!

**IT MAY REQUIRE PERSEVERANCE TO DO THE FILL INS
BUT YOU WILL BENEFIT BY KNOWING THIS INFORMATION!**

Pre-Section Questions Answered

The pre-section question asked *Does sin sever man from God*. It has been reported that Satan and a third of the angels were evicted from heaven because Satan found sin and practiced it. Satan was able to get one third of the angels to practice it too, so they were evicted too! In addition, Adam and Eve were expelled from the garden after disobedience to God, a sinful practice. Sin was the reason Jesus volunteered to come to earth. To deal with it, forever. The answer overwhelmingly is yes, sin still can separate anyone from God. Jesus' brother James

breaks down the cycle and reports that each person is tempted when they are dragged away **by their own evil desire** and enticed. Then, after desire has conceived (the sin), it gives birth to sin; and sin, when it is full-grown, gives birth to death. Severance from God is very real and God has described it simply and clearly. Resistance to God’s rules are futile.

Personal Commentary

It became apparent to me that death is associated with being out of favor with God, with curses, and under the wrath of God. *So becoming aware of anything that could block my potential Godly benefits, here on earth, and eternally, I became interested in knowing about them.* If God can't hear me, because of something I initiated, that needs fixing. Also by becoming aware of and identifying a temptation at conception, it’s much easier to nip it in the bud. Awareness and acknowledgement do carry significant discernment attributes, and impact our success. It just doesn’t seem smart to me to be in a place where God cannot hear me. So I need to know which practices place me in the wrong place, where there are no benefits and consequences. I need to evaluate my practices earnestly.

2 DID JESUS TEACH ON DEFILEMENT?		
Defile; pollute, profane, debase, desecrate		
HOW DID JESUS REFER TO THIS?		
<p>But the things that come out of a person’s mouth come from the heart, and these defile them. For out of the heart come evil thoughts—murder, adultery, sexual immorality, theft, false testimony, slander. These are what defile a person; but eating with unwashed hands does not defile them.” (Matt 15:18-20) (Luke 7:20-23) & (Matthew 5:28-30 NIV)</p>

2 DID JESUS TEACH ON DEFILEMENT?

1. Does defilement pollute, profane, debase, and desecrate?
2. DID JESUS TEACH ON DEFILEMENT?
3. Where does defilement originate from?

But the things that come ___ of a person’s mouth come from the _____, and these defile them. For out of the _____ come _____ thoughts, murder, adultery, sexual immorality, theft, false testimony, slander.

These are what _____ a person; but eating with _____ hands does not defile them.

Pre-Section Questions Answered

The pre-section question asked if Jesus taught on defilement. Yes, He did. He made it clear

that defilement came from our heart, thoughts, words, then deeds. He also made it clear that defilement WAS NOT from NOT washing your hands, so then neither does it imply service attendance, or adhering to any man-made compulsory rules.

Personal Commentary

All of my mentors and shepherds have drilled into me that it is my own heart that is THE essential part of my life, and what God wants. Every parent desires to be loved by their children.

God isn't any different. So clearing out the junk and recalibrating our life with Jesus' teachings and Holy Spirits tutelage does enlighten us with impact.

Additional Verses That Add Value To

Those Who Seek This Level Of Wisdom

- “When I wrote to you before, I told you not to associate with people who indulge in sexual sin. But I wasn’t talking about unbelievers who indulge in sexual sin, or are greedy, or cheat people, or worship idols. You would have to leave this world to avoid people like that. I meant that you are not to associate with **anyone** who claims to be a believer yet **indulges in sexual sin**, or is **greedy**, or worships idols, or is **abusive**, or is a **drunkard**, or **cheats** people. Don’t even eat with such people.” (1 Corinthians 5:9-11 NLT) For a more complete list see Appendix A.
- “Don’t you realize that those who do wrong will not inherit the Kingdom of God? **Don’t fool yourselves**. Those who indulge in sexual sin, or who worship idols, or commit adultery, or are male prostitutes, or practice homosexuality, or are thieves, or greedy people, or drunkards, or are abusive, or cheat people—**none of these will inherit the Kingdom of God.**” (1 Corinthians 6:9-10 NLT)
- “Run from sexual sin! **No other sin so clearly affects the body as this one does**. For sexual immorality is a sin against your own body. Don’t you realize that your body is the temple of the Holy Spirit, who lives in you and was given to you by God? **You do not belong to yourself**, for God bought you with a high price. So you must honor God with your body.” (1 Corinthians 6:18-20 NLT)

- “**Don’t be fooled** by those who say such things, for “bad company corrupts good character.” Think carefully about what is right, and stop sinning. For to your shame I say that **some of you don’t know God at all.**” (1 Corinthians 15:33-34 NLT)
- “What I am saying, dear brothers and sisters, is that **our physical bodies cannot inherit the Kingdom of God.** These dying bodies cannot inherit what will last forever.” (1 Corinthians 15:50 NLT)

Pre-Section Questions Answered

The pre-section question asked about the source of being severed from God. We’d all like to think that any severance from God is always the doing of another. But SURPRISE, not so! Seriously, being SEVERED from God can only be from my own effort as a result of my own doing. God gave everyone free will, to exercise, at their own discretion. This means we are in charge of accepting Jesus or rejecting Jesus. If we accept Jesus it impacts our life, to seek to know more about Him, and to get to know Holy Spirit. If we resist any interest in getting to know either Jesus or Holy Spirit, it is a red flag the seed didn’t take. See analogy in Matthew 13.

Personal Commentary

The Apostle Paul covered these bases efficiently by specifically identifying which practices will prevent anyone from entering into heaven. In Appendix A charts identify a fuller listing.

4 DOES STUBBORNNESS SEVER?

1. Are those who are stubborn destined to be severed?
2. Will God judge everyone according to what they have done?
3. Are humility and gratefulness Godly attributes?

But because you are stubborn and refuse to _____ from your _____, you are storing up terrible punishment for _____. For a day of anger is coming, when God's righteous judgment will be _____. He will judge everyone according to what they have _____.

He will give eternal life to those who keep on doing _____, seeking after the glory and

honor and immortality that God offers.

But he will pour out his anger and wrath on those who live for _____, who refuse to _____ the truth and instead live lives of wickedness. There will be trouble and calamity for

everyone who keeps on doing what is _____ —for the Jew first and also for the Gentile.
(Romans 2:5-9)

Pre-Section Questions Answered with Commentary

The pre-section question asked if stubbornness is destined to ultimately sever one from God. Since God judges everyone according to what they have done, if they have rejected Jesus, they've already judged themselves accordingly. Most of us are humbled and grateful of Jesus' accomplishments. Those who resist and make it a policy to defiantly resist God's grace could be categorized as stubborn. We will see what Jesus says about them in the next card.

5 DOES DENYING JESUS SEVER US?

THOSE WHO DENY JESUS ARE SEVERED FROM ETERNAL LIFE IN HEAVEN

"Therefore everyone who confesses **Me** before **men**, I will also confess **him** before My Father who is in heaven.
But whoever denies Me before men, I will also deny him before My Father who is in heaven.
(Matthew 10:32-33 NASB)

Jesus makes His point very clear here. He knows He was sent by God, He knows He's voluntarily dying to absorb our sin and He knows this was His Father's plan for humanity.

'But if someone **claims** to be a prophet and **does not acknowledge the truth about Jesus**, that person is **not** from God. Such a person has the **spirit** of the Antichrist, which you heard is **coming** into the world and indeed is already **here**.' 1 John 4:3

Pre-Section Questions Answered with Commentary

The pre-section question asked about the status of anyone who denies Jesus, rejects the gospel, or as we will see resists Holy Spirit too, is denied access to Heaven by both Jesus and God. Also if someone claims to be a prophet (or a pastor, or a teacher) and denies the truth of Jesus' gospel (primarily by revising it), that person is not from God. This is why knowing the truth is so important, and why the truth has so many vantage points. Those in the truth travel on the narrow road, in the divine nature, from having entered into Jesus and fully embracing Holy Spirit. All gospels that preach Jesus are effective, however, after that, only a few find the narrow road.

Pre-Section Questions Answered

The pre-section question asked about the issue of rejecting Holy Spirit. So why is this important? I thought Jesus was the savior and the main event here. What am I missing? This is very important. Every person who becomes a Christian, by shifting from a sinner to a saint, is indwelt by Holy Spirit, completing the conversion dynamic, and beginning the adoption process. Yes, Christians are adopted into God's family, become citizens of heaven, bypass death, and are in alignment for direct benefits and teachings from the Bible and Holy Spirit. Holy Spirit is the Spirit of Father God, Who was prevented from indwelling humanity due to Adams sin. When Jesus absorbed that sin, all humanity has immediate access directly to God, and Holy Spirit had the availability to impact humanity more personally. So if someone rejects Holy Spirit, they're really rejecting God, and Jesus' finished work on Calvary, that Jesus sacrificed His life to absorb all of mankind's sin.

Personal Commentary

The Apostle Paul makes it abundantly clear that all who reject Jesus, reject Jesus' teachings, and those who reject Holy Spirit, are severed from God and from heaven. That's why this is important.

I do not nullify the _____ of God, for if righteousness comes through the _____, then Christ _____ needlessly. (Galatians 2:21 NASB)

Pre-Section Questions Answered

The pre-section question asked about how grace can be nullified, and what it means. Grace is God's new way to deal with a humanity because it needed extra care to qualify for both a direct relationship with God and eternal life. The law was great at letting people know what disqualified them from God's eternal life, but nobody could live that perfectly. When Jesus came from heaven, and did live perfectly, He qualified to act as our pascal lamb and actually absorb sin, instead of just being a temporary cleanse, like the Jewish system provided. God permanently removed the sin and now has all humanity potentially connected to God, individually, by His grace. Nullifying grace to return to a mediated system, to earn your way to God, or by being an underling under a hireling or covering, is what Paul is referring to here. By returning to a legalistic system, Paul says that you are severed from God.

Personal Commentary

Paul did make clear how God views people who return to the law (any legalistic revision misleading saints to sinners, etc.). In view of the fact that Jesus paid dearly to discard that system, so all humanity may have a direct access to God, reinstating any mediated system that requires a "covering", mediator, or person in between God and each person is nullifying the work of Jesus. To identify one as a sinner means they have been severed from God. Sinners are defined as heathens, under wrath, in the original Greek language. Revising the temple to the building housing church events from the individual saint is another form of heresy. [See 5 Elementals](#)

Pre-Section Questions Answered

The pre-section question asked if the Apostle Paul actually did warn the church specifically about returning to the law, and practicing the mediated clergy system. By testifying that Christ will be of no value to you by returning to the law looks like very clear validation that grace is the only way forward.

Personal Commentary

The theme about an outward profession of faith without an inward sincerity has been reported since the Didache, early churches teachings ([Link: scroll to bottom](#)). These reports are unanimous in their review that salvation is inward, it affects people in their heart, and produces Godly behavior, because the saved are grafted into Jesus. Instead of being severed from God they are now unified with God. We become like Him, not vice versa. So if there isn't any growth in that direction one might want to visit their own sincerity for confirmation.

Pre-Section Questions Answered With Commentary

The pre-section question asked by Paul is dealing with a wide plethora of items that are liberally accepted and practiced today. Paul wasn't trying to ruin anyone's party here. He was informing us that carnality carried too far has consequences. Sexual sin, even with consenting adults, is still sin, and carries with it a death sentence (death meaning separated from God, not physically dying). See [The 5 Elementals](#) for more on this. perverted behavior have voiced opinions to silence the Bible and its values for centuries. They've tried to cripple free speech and have villainized many who stand for Jesus. They're protecting their "Turf" and fabricating their freedom from God's moral law. The fact that they reach for Jesus, once in hospice, proves the hypocrisy of this culture. Their screams for politically correct victimization of offensive speech is completely hypocritical. After almost 30 years of ministry, including ICU, hospice, and Nursing Home visitations, I have always witnessed these social liberals drop their beliefs and make a beeline to Jesus, repent and enter into Christianity. Subterfuge is an expedient trick used to evade a rule, a truth, or to escape the consequence of something. It is pure deception.

So again, why should I be so concerned about offending someone who is using "being offended" or "hate speech" as a pretext to silence my right to acknowledge God's standards? I'm always concerned for them, and their success, and I'm not abandoning God's standards, if they are addressed. Since I've already witnessed their end of life behavior I just let them talk.

Pre-Section Questions Answered

The pre-section question asked if backsliders are severed from God. Technically grace covers a lot of failure and a period of time for the indwelling of God to take effect on each saints behavior. Jesus gave three years for the tree to produce or tear it down. See this in the Parable of the Barren Fig Tree (Luke 13:6-9). This timeframe could be analogous to God's expectations for growth in believers. Jesus did warn His followers about upcoming false prophets, that were

dressed nicely and charismatic, but inside were wolves. I believe saints are supposed to know the authentic gospel so the synthetic counterfeits can be detected and avoided.

Personal Commentary

We know that Christians can't return to sin because they've shifted from sinner to saint, wide road to narrow road, carnality to divinity, and are indwelled by Holy Spirit, God, Who doesn't coexist with sin. Remember God had all sin expelled from Heaven, and Jesus absorbed it on earth, so we could enter into His new form of life, Christianity. So we are thankful to Jesus for reconciling us directly to God. But we must be careful to not backslide our self, even though few of us actually mature without falling occasionally. Let's face it, we all fall somewhere along the line. Lastly be aware of those who would revise the Gospel to include these unacceptable practices.

Pre-Section Questions Answered

The pre-section question asked if dishonoring God severs us from God. God’s first three of the ten Commandments dealt with Him and His rules, especially how He expects to be treated by us. If anything comes before God, dishonoring Him, it carries consequences. Those consequences are explained by Paul in Romans 1 & 2. These people are completely severed from God, and in verse 27 Paul is stating that the inevitable consequences and penalty of their wrong doing was their fitting retribution. Now if that punishment is due this form of rebellion, the other forms of rebellion are in alignment to suffer as well. Their only hope is a heartfelt sincere repentance, or they are seriously doomed.

Personal Commentary

It appears that Paul cleared up any conflict about these practices and where they’ll wind up. Since God gave up on them, their only hope is to repent. My ministerial “visiting the sick” experience has witnessed that **they all “jump ship” at the end** and grab onto Jesus. It’s amazing to witness this! So why don’t they just do that now? Ego, peer pressure, lots of carnal reasons prevent them from seeing truth. It is God, Holy Spirit, who exerts some level of compassion, just before sinners are going to fall into the abyss. When I witness this, first hand, and saw with my own eyes how God exercises His own faithfulness, I was able to see how He does intervene for so many. God’s dedication is real! It could be God is answering the prayers of a faithful brother, sister, mother, father, or an associate who is dedicated to standing in the gap for someone else. Since God doesn’t hear them, because they are severed, God had to have heard someone!

Commentary

In the nature of Christianity, saints profess to honor Jesus and His standards. Since Christians are the wise virgins and hypocrites the foolish ones, the lamps (signifying commitment and purity) are supposed to be operating consistently, not erratically. Remember these virgins are waiting for their husband, to get married, so signifying a wise Christian status of staying pure while waiting for Jesus' to return.

Pre-Section Questions Answered

The pre-section question asked how many of the ten virgins were severed, and implying why. The answer is half of them were severed because they were foolish. Warnings against foolishness is a prevalent theme with this series. The differentiation between the foolish and wise was getting ready and staying ready for Jesus, staying in His purity and sinlessness. This parable should draw the line of demarcation of what Jesus' standard is and that it does not have room for any spiritual degeneration.

Personal Commentary

In the nature of Christianity, a new form of life in Christ, Christians profess to honor Jesus and His standards. Since Christians are the wise virgins and hypocrites the foolish ones, the lamps are to signify commitment to purity, and are supposed to be operating consistently, not intermittently. Remember we “virgin” Christians, are waiting for Jesus’ return. God uses marriage as a graphic to describe becoming one permanently with Him. Jesus did signify that a wise Christian will stay pure while waiting for Jesus or they will end the race by not maintaining purity with the indwelling of Holy Spirit.

Doer - The Acts Of Overcoming Sin

Do not merely **listen** to the word, and so **deceive** yourselves. **Do what it says.** Anyone who listens to the word but does **not** do what it **says** is like someone who looks at his face in a **mirror** and, after looking at himself, goes away and immediately **forgets** what he looks like. **But whoever looks intently into the perfect law that gives freedom, and continues in it—not forgetting what they have heard, but doing it—they will be blessed in what they do.** (James 1: 22-25).

Biblical standards reflect who we really are, by comparison, just like a mirror reflects our image. The Bible exposes our personal corruption, pet sins, blockages, and reveal to us why we fail. When the light hits the darkness within us, we need to overcome those deficiencies and vanquished them. Doing represents allowing for the word of truth to expose sin and then we intentionally shift our life into becoming an over comer on each issue. **It seems that only in overcoming are we doer's,** building on the rock, not just hearing.

Pre-Section Questions Answered

The pre-section question asked about becoming a doer, and what that exactly mean. We see that it is not what we think. James positions this as a form of self examination, using the Bible values

and verses as the standards to reflect our status. James reports that merely listening to the word doesn't evoke salvation or eternal life. If I don't do what it says, I've missed the mark. Missing the mark is described as being a sign of sin or being a sinner, and that, as we have seen, will separate us from God. Merely listening is important as well because it is seed planting. Jesus teachings and the Apostles amplification of those teachings will expose my own sin to me if and when I'm ready and willing to discover them and then overcome them.

Personal Commentary

Biblical standards reflect who we really are, by comparison, just like a mirror reflects our image. The Bible exposes our personal corruption, pet sins, blockages, and reveals to us why we fail. When the light hits the darkness within us, we need to overcome those deficiencies and vanquished them. Doing represents allowing for the word of truth to expose sin and then we intentionally "do" shift our life into becoming an overcomer on each issue. This is intentional and it takes sincerity and effort. It seems that only in overcoming do we become a doer, building on the rock, not just hearing.

If merely listening to the gospel message was sufficient to save every sinner, then why would Jesus specify that acknowledging Him before others, publicly was a qualification for Him to acknowledge each of us before His Father, for eternal kingdom entrance? I see the mirror as a critical factor for each of us to ensure our compliance.

If we do good works that benefit others, but bypass the important issue of acknowledging Jesus (not necessarily denying God), what is the effect? Not including cultural isolation from the gospel message (those out of touch with the rest of humanity, aborigine), the rest of us have a decision to make regarding Jesus message, on denying or accepting Jesus, or on becoming unified with God or becoming severed from God. Becoming a doer, looking into the mirror and allowing for the Word to examine our thought, word, and deed behavior will initiate an agenda to mortify those things in conflict with God, and open the door to build up our inner man.

Pre-Section Questions Answered

The pre-section question asked what doing means, as opposed to being a doer in number 13. In these verses doing reflects the acts of replicating Jesus' works, whether that be just listening to someone, giving out a glass of water, or exerting the power gifts to reverse out terminal illnesses. They are all important to God, yes, each one! Jesus did imply to His followers to hear and act on His teachings, to build on Him, the rock, and to pick up the cross and follow Him. In doing so, because we're in Him, His light bestow grace through our personalities and we become effective!

Personal Commentary

In Matt 25:31-46 parable about the Final Judgment, Jesus explains what separates and severs the sheep from the goats. There are 6 specific items. In James 2:14-26, Jesus brother explains how faith without works is dead. So both Jesus and James do imply that doing is very essential, as if doing is a verification of salvation. Jesus implies that saints will produce a harvest of good works, like the examples He showed us, or whatever we are confident in pursuing.

15 WHAT DOES "I NEVER KNEW YOU" MEAN?

These are the four words that we definitely want to avoid hearing!

"Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, **but only the one who does the will of my Father** who is in heaven.
Many will say to me on that day, 'Lord, Lord, did we not **prophesy** in your name and in your name **drive** out demons and in your name perform many **miracles**?' Then I will tell them plainly,
'I never knew you.
Away from me, you evildoers!' (Matt 7:21-23)

"Then the King will turn to those on the **left** and say, 'Away with you, you **cursed** ones, into the eternal **fire** prepared for the **devil** and his demons. (Matt 25:41)

Turning a deaf ear to doing the will of God earns this response from Jesus, "Depart from me".

Pre-Section Questions Answered

The pre-section questions asked what "I Never Knew You" meant, and who does it apply to? The Apostle John answers this clearly in 1 John 2:4-6.

- 'Whoever says, I know Him [I perceive, recognize, understand, and am acquainted with Him] but **fails to keep and obey His commandments (teachings)** is a liar, and the Truth [of the Gospel] is not in him. But he who keeps (treasures) His Word [who bears in mind His precepts, **who observes His message in its entirety**], truly in him has the love of and for God been perfected (completed, reached maturity). By this we may perceive (know, recognize, and be sure) that we are in Him: Whoever says **he abides in Him ought [as a personal debt] to walk and conduct himself in the same way** in which He walked and conducted Himself.' 1 John 2:4-6

Verse Recap

1. Posers fail to keep and obey Jesus' teachings, and don't build on Jesus
2. Successful saints observe Jesus' teachings, in their entirety, no cherry picking

3. Successful saints must walk and conduct them self in the same way Jesus conducted Himself.

This does differentiate who are the posers and who are those who build on the rock, and who will enter the kingdom of heaven. The requirements to enter heaven has to do with observing Jesus' teachings, in their entirety, and no cherry picking. So, 'I never knew you', has more to do with those false teachers who God identifies as posers, and who are not entering in. Turning a deaf ear to doing the will of God is bad judgement. It may be expedient, but long term a real bad idea. Building on Jesus (as the rock), and engaging in Divine Nature are essential.

Personal Commentary

I've wondered if "I Never Knew You" was a literal issue with Jesus because a church member never entered into Jesus, but only entered into a church membership venue, that had revised out the experiential and authentic gospel attributes of knowing Jesus and knowing Holy Spirit? In studying the subject severed I found this to be the most complexing because if we are doing miracles, especially in Jesus' name, where God is getting the glory, why the severance? Jesus is addressing true and false teachers here, specifically sincere Christians verses posers (counterfeits). John explains it well in 1 John 2:4-6 (above). On another perspective, miracles are never dependent on the inner life of any Christian, but are all permitted by the Divine power of Holy Spirit. Miracles glorify God, not us. If we are glorified, then we're in trouble (deceived).

In Matthew 7:21-23 parable Jesus teaches saints to hear and do, not just to hear only. Traditional version of the gospel have revised Jesus' authentic experiential version to a synthetic, to be a hearer only, which Jesus refers to as sand. To hear and do is the inward foundation that Christ laid (and referred to to build on rock). Foundation of sand don't offer any real protection during storms. That is why so many religions have such a high failure rate. Only building on Jesus Himself qualifies for kingdom benefits. When saints do hear and do build their ministry on the foundation of Jesus, bestowing grace, endearment, and miracles become normal and prevalent, because of who we are grafted into.

16 WHAT DOES "IF YOU DON'T FORGIVE" MEAN?

1. Did Jesus only reconcile God to man or did also reconcile one to another?
2. If you do not forgive others can God forgive you?
3. Would God hand you over to jailers to be tortured until you pay back all you owe?
4. Are those who offer no service for the good of others doing God's will?

But if you do not _____ others, then your Father will ___ forgive your transgressions. (Matt 6:15)

In anger his master _____ him over to the _____ to be _____, until he should pay back all he owed. "This is how my heavenly Father will treat each of ___ unless you _____ your brother or sister from your _____." (Matt 18:34-35)

And throw that worthless servant _____, into the _____, where there will be weeping and gnashing of teeth. (Matt 25:30)

Pre-Section Questions Answered

The pre-section question asked about the imminence of forgiveness or consequences. Since Jesus had reconciled God to mankind and man to man, unforgiveness is considered rebellion from God's perspective. The 5 Levels of Reconciliation cover the fundamental and technical details. It also seems that we are binding God to our free will, by not forgiving others, we're restricting Him from forgiving us. In that unforgiveness God can hand you over to jailers to be tortured.

Personal Commentary

If I forgive, then Father will also forgive me. I must forgive, to be forgiven. Simply put, anyone desiring mercy from God, must show mercy to others. No mercy shown, the God mercy bank window is closed, it is cause and effect, and people initiate.

Slothfulness, laziness and those who are no way serviceable, or beneficial to humanity to the glory of God and the good of others, will be reckoned with as unprofitable servants. Merely avoiding sin seems insufficient. Doing God's will is Jesus' inferred model so our implied agenda.

16 WHAT DOES IF YOU DON'T FORGIVE MEAN?

Jesus has reconciled man to man, signifying an implication that forgiveness is in order

But if you do not **forgive** others, then your Father will **not** forgive your transgressions. (Matt 6:15)

If you forgive, your heavenly Father will also forgive. We must forgive, as we hope to be forgiven. Those who desire to find mercy with God, must show mercy to their brethren. Christ came into the world as the great Peacemaker, not only to reconcile us to God, but one to another. Matthew Henry Commentary

In anger his master **handed** him over to the **jailers** to be **tortured**, until he should pay back all he owed. "This is how my heavenly Father will treat each of **you** unless you **forgive** your brother or sister from your **heart**." (Matt 18:34-35)

Unprofitable Servants Reward

And throw that worthless servant **outside**, into the **darkness**, where there will be weeping and gnashing of teeth. (Matt 25:30)

Slothfulness, laziness and those who are no way serviceable to the glory of God, or the good of others, will be reckoned with as unprofitable servants. Merely avoiding sin seems insufficient, per this parable. **Doing God's will is Jesus' model.**

Pre-Section Questions Answered

The pre-section question asked about the effects of false doctrine on believers and on their families. Jesus addressed the issue of invalidating the gospel by revising it with a traditional view, and exposes the hypocrisy of the hireling leadership. The point here is that Jesus is rebuking them to repent or become permanently severed from God.

Personal Commentary

Denominational doctrine, in conflict with God’s Word and Jesus teachings, become a “WIDE ROAD” diversion, interfering with God’s real agenda for His saints. Only Jesus teachings, God’s Word, and Holy Spirits guidance, are acceptable for true practices.

18 DID JESUS BRING SCATHING REBUKES TO THE LEADERSHIP?

1. Did Jesus rebuke the Pharisee Leadership regarding their practices of justice, false propriety, and warn them of their perception from heaven as tombs?

But woe to you Pharisees! For you pay _____ of mint and rue and every kind of garden herb, and yet _____ justice and the _____ of God; but these are the things you should have _____ without neglecting the others.

Woe to you Pharisees! For you love the _____ seats in the synagogues and the _____ greetings in the market places.

Woe to you! For you are like concealed _____, and the people who walk over them are unaware of it. Luke 11:42-44

Pre-Section Questions Answered

The pre-section question asked about the practices of justice, false propriety, and warned them of God's perception of them as being tombs (or dead to God). This exchange offers a glimpse of the disappointment God had from the Pharisees and set up the purpose for Jesus discarding the entire mediated clergy laity system.

Personal Commentary

The Pharisees, under the Law, were under a compulsion by the Law to pay 10% on all goods to support the Levites, who operated the clergy system, and the temple services. Jesus is telling them that they're exacting down to a mint leaf (and no more, what they are going to pay), while disregarding justice and discarding bestowing God's will, placed them in a position of separation with God.

Pre-Section Questions Answered

The pre-section question asked about the complete abuse of power legalistically exacted by leadership over laity. Jesus rebuked the Pharisee Leadership for weighing down others with burdens without ever lifting a finger to help them. Jesus put them on notice regarding their compliance with persecuting prophets.

Pre-Section Questions Answered & Personal Commentary

The pre-section question asked about blocking people from finding and entering into the kingdom of God, better known as sabotage. God knew what was going on there. Jesus did warn the Pharisees with condemnation due to how they treated widows. Jesus warned the Pharisee that their discipleship methods are a failure and evil. Is it any wonder why God would eliminate that system and would never place any man between Him and anyone, except Jesus as mediator? “For **no other foundation can anyone lay than that which is [already] laid, which is Jesus Christ** (the Messiah, the Anointed One). But if anyone builds upon the Foundation, whether it be with gold, silver, precious stones, wood, hay, straw, The work of each [one] will become [plainly, openly] known (shown for what it is); for the day [of Christ] will disclose and declare it, because it will be revealed with fire, and **the fire will test and critically appraise the character and worth of the work each person has done**. If the work which any person has built on this Foundation [any product of his efforts whatever] survives [this test], he will get his reward. But if any person's work is burned up [under the test], he will suffer the loss [of it all, losing his reward], though he himself will be saved, but only as [one who has passed] through fire. [Job 23:10.] Do you not discern and understand that you [the whole church at Corinth] **are God's temple (His sanctuary), and that God's Spirit has His permanent dwelling in you** [to be at

home in you, collectively as a church and also individually]? If anyone does hurt to God's temple or corrupts it [**with false doctrines**] or destroys it, God will do hurt to him and bring him to the corruption of death and destroy him. For the temple of God is holy (sacred to Him) and that [temple] you [the believing church and its individual believers] are.” (1 Cor 3:11-17 AMPC)

Pre-Section Questions Answered

The pre-section question have addressed some very important issues. Paul did identify Jesus as the only true Gospel foundation, which means that building our life on “another Jesus foundation”, one that has been revised to accommodate traditional values, would be an invalid option, for the purpose of passing the fire test. Paul does report that each persons works are evaluated, and are either burned up or will reward them.

Personal Commentary

Paul did identify Jesus as the only true Gospel foundation, which implies His gospel as the only valid one to use. Every saint expresses the gospel in their own personality, and develops their own style and ways. Paul says we have the leverage to do that, and encourages everyone to be all they can be, in their new identity. Personal ways of expressing the gospel are always extraordinary to witness. As long as the witness is pure and doesn't morph into an interpretation that will disqualify a "good works reward", we should keep bestowing those graceful works. But what disqualifies rewards? What makes our works ineligible for treasures in heaven?

Paul infers that the issue of the new temple of God, each individual believer them self, hosting Holy Spirit, is a primary value for hearing, obeying abiding in Christ, and doing God's will. Paul warns that any devaluing of this principle is corruption and grounds for destruction. Since it has to do with Holy Spirit, and since Jesus warned about disrespecting Holy Spirit would be an unforgivable sin, it makes sense. Holy Spirit is primary in the new covenant relationship with God, and Jesus paid the price for this level of integration. God made man to be like Him, and now has supplied His own Spirit to each saint transparently, to unify us with God. This is highly personal, experiential, authentic, and empirically provable. Pentecost was just a beginning.

By revising the gospel to reverting the temple to a building like the Jewish temple system, and re-identifying saints as sinners who require an earthly religious mediator (implying Jesus as mediator isn't enough), Paul is implying that these are disqualifying theological strategies that will burn up the good works of believers. So if these bring ineligibility to rewards by resisting Jesus' authentic experiential gospel and restricting Holy Spirit, it also explains the lack of enlightenment and empowerment as well. Because the church has replaced Holy Spirit with the Bible, they've entered a wide road theology, not a Narrow Road experience, and since have become weak. Jesus warned about traditionalizing His gospel, and we've seen the effect. Paul is referring to acts that will burn up our good works reward. It doesn't devalue the gospel message getting someone saved though. God, in His mercy, is allowing the revisionist perpetrators to maintain salvation.

To recap, if practicing the gospel in a way that is degrading Jesus' authentic model, by redefining saints as sinners, and replacing Holy Spirit with the Bible, and shifting the temple identification to a building from the rightful individual heirs it belongs to (and others issues), these practices may disqualify our treasure in heaven rewards. See next card for further details. I don't think I want to position myself to barely escape through a wall of flames, so I'm reviewing these with much more intensity.

22 DID PAUL WARN OF COUNTERFEITS?

Recap Of Jesus As Only True Foundation

1. Only Jesus' **authentic** model is approved as a Gospel.
2. When we build upon this foundation, as saints in our own personality, our works will become known and tested by fire.
3. The **fire** will critically evaluate the character and worth of the work each person has done.
4. If the work **survives** this test, the saint will get their reward.
5. If the work is **burned** up under this test, that saint will suffer the **loss** of the potential reward, but they'll maintain salvation!
6. All saints should know that we are God's **temple**, His sanctuary, and that God's Spirit has His permanent dwelling in us.
7. If anyone hurts, corrupts with false teaching, or destroys any **temple**, God will destroy them.

This passage gives wide leverage as to how we are presenting the gospel. This is necessary due to the fact that every saint must bestow the gospel grace within the framework of their own personality. It also reigns in any activities not in compliance with Jesus teachings.

Pre-Section Questions Answered

The pre-section question asked about a very important issue, counterfeits. The Apostle Paul publicly reports that Jesus is the only authentic model approved of, as a Gospel model. Saints should be building upon Jesus' foundation. Both Jesus' teachings and His examples are the only valid ones verified from God. The fact that he specifies this foundation should make us aware of other foundations (potentially). These works that we do become known by God and are tested by fire for potential rewards. This helps us to avoid the counterfeits, and keep our rewards.

Personal Commentary

This passage gives wide leverage as to how we are presenting the gospel. This is necessary due to the fact that every saint must bestow the gospel grace within the framework of their own personality. It also reigns in any activities not in compliance with Jesus teachings. Even though the foundation of the rock (Jesus) is perfect, it doesn't ensure each building that is built on the rock (personal or corporate doctrine) is in alignment with Jesus' Narrow Road standards. In order to pass the test, it would seem we'd need to be aware of and compliant with Jesus' teachings (as the Rock). If not how would we know our witness is alignment with His foundation?

One More Thing On Our Works Passing Through The Fire

- “For I have come down from heaven to do the will of God who sent me, not to do my own will. And **this is the will of God, that I should not lose even one of all those he has given me**, but that I should raise them up at the last day. For it is my Father's will that all who see his Son and believe in him should have eternal life. I will raise them up at the last day.” (John 6:38-40 NLT)
- “While I was with them, I kept and preserved them in Your Name [in the knowledge and worship of You]. Those You have given Me I guarded and protected, and **not one of them has perished or is lost** except the son of perdition [Judas Iscariot—the one who is now doomed to destruction, destined to be lost], that the Scripture might be fulfilled. ” John 17:12 AMPC
- “I told you that I AM he,” Jesus said. “And since I am the one you want, **let these others go.**” He did this to fulfill his own statement: “**I did not lose a single one** of those you have given me.” John 18:8-9 NLT

Personal Observation

Once again we see it is God's will for all to be saved, it was Jesus' personal intervention that saints would remain, and now it is up to each of us to identify and remain on the Narrow Road. Passing the test to keep our rewards attached to our good works has already been exemplified by Jesus. Our ability to unify and intervene for each other would seem essential, when recognizing what Jesus did for His disciples in the garden.

Pre-Section Questions Answered

In this pre-section question Paul exposes and reveals a real threat to Jesus' authentic Gospel. Paul openly warns of a horrid deception corrupting the church, known as "ANOTHER GOSPEL". Have you ever heard of Another Jesus, Another Gospel, or Another Spirit? Jesus did warn us too.

The Apostle Paul warned saints of corrupt deceptions, which places onus on us to know truth, in order to discern any counterfeits. After reading Jesus' teachings and sitting through other peoples interpretations of the Gospel, I now know why Paul exposed this. Additional Epistle Text To Add Clarification

I am surprised and astonished that **you are so quickly turning renegade** and **deserting** Him Who invited and called you by the grace (unmerited favor) of Christ (the Messiah) [and that you are transferring your allegiance] to a different [even an opposition] gospel. Not that there is [or could be] any other [genuine Gospel], but **there are [obviously] some who are troubling and disturbing and bewildering you** [with a different kind of teaching which they offer as a gospel] and want to pervert and distort the Gospel of Christ (the Messiah) [into something which it absolutely is not]. But even if we or an angel from heaven should preach to you a gospel contrary to and different from that which we preached to you, let him be accursed (anathema, devoted to destruction, doomed to eternal punishment)! As we said before, so I now say again: **If anyone is preaching to you a gospel different from or contrary to that which you received** [from us], let him be accursed (anathema, devoted to destruction, doomed to eternal punishment)! Now am I trying to win the favor of men, or of God? Do I seek to please men? If I were still seeking popularity with men, I should not be a bond servant of Christ (the Messiah). For I want you to know, brethren, that the Gospel which was proclaimed and made known by me is not man's gospel [a human invention, according to or patterned after any human standard]. For indeed I did not receive it from man, nor was I taught it, but [it came to me] through a [direct] revelation [given] by Jesus Christ (the Messiah). (Galatians 1:6-12 AMP)

Pre-Section Questions Answered

The pre-section question asked the question of a different Gospel than the one presented by Jesus and Paul. He identifies some factors saint should become aware of to succeed in retrieving the benefits of Jesus authentic Gospel.

Personal Commentary

The Apostle Paul didn't leave anything to be interpreted liberally or in any false matter. He even condemned anyone who would revise the Gospel from the authentic Jesus had established. He clearly defined how deception had entered into the church and how deception had revised "another gospel". Today ritualism and revised theological interpretations have developed over 50,000 denominations. "Theological philosophy" parading around as the gospel has been supported by liberal, weak minded hirelings to mislead humanity, and has been operating since the early church. Paul made it very clear that forms without Holy Spirit and without authentic attributes are unacceptable and not God's standard.

If this is the case how do we differentiate between Jesus' gospel and the "other gospel" Paul indicates? Here are a few observations:

1. TRUE CHRISTIAN IDENTIFICATION: Believers are saints, (not sinners), citizens of heaven, grafted into Jesus (not Israel), have bypassed death and begin their eternal life on earth at salvation, and directly connected to Holy Spirit personally (no mediator or covering required). When each believer is identified as a sinner it is a clear indication the identifying source is "another gospel".
2. DIRECTLY CONNECTING: Relationship with God is direct, non-mediated, no covering required, and with complete access to God 24/7/365. Having a conversation with another person is beneficial and can be very enlightening and encouraging. But it shouldn't replace the direct relationship saints have with God. When believers are relegated to underlings subject to hirelings it is a clear indication the delegators are practicing "another gospel".
3. TRUE TEMPLE: A major factor is identification of the current Temple, which is each saint (them-self), not the building church services are held in, not the 501C3, and certainly not any compulsory church agenda (like mandating attendance and financial obligatory contributions). When a church pulpit messages members are getting fed there and are under their covering it is a clear indication they are practicing "another gospel".
4. ABIDING PRINCIPLE: If a person is a saint, Holy Spirit's indwelling begins to deliver and discern Heavenly Standards, what is acceptable and what is unacceptable to God. God does have an absolute affect on saints: darkness is diminished and offensive sin is brought to light. Seeds that take root sprout, grow, and have some type of fruitful breakthrough. Either a seed takes root and begins growing or it gets choked out. Just like a seed in the ground produces growth, those Holy Spirit driven heavenly standards (which are expected to be embraced and assimilated) also render fruit. If no fruitfulness ensues the seed didn't take root, and salvation should be re-visited.
5. INTELLECTUAL RECALIBRATION: Renewing our mind with Logos and Rhema (Holy Spirit teaching) will recalibrate our identity to add Godly characteristics to each personality:

- a) Spiritual Narrow Road Standards to become aware of, emulate, and operate from
- b) Mortifying the flesh, identifying gratification causing blockages that prevent growth
- c) Edifying the spirit, identifying practices to build our inner man to overcome and overrule

These attributes and more have been revised by too many church leaders, debasing Jesus' model, and misleading too many believers.

Synthetic Debases Authentic

Anytime an original model is reduced it does carry an effect. The further each revision is distanced from the original the less effective it usually is. This is due to the replacement of original standards, truths, and practices.

Hence, the better we find and stay on Jesus' narrow road model, the more effective and the more favored we should be!

Conclusion Commentary

Conclusions are always self deduced, based on the revelation and integration of information. I came away from this study with a new revelation of the effect of how God's standards really does have on each individual, beneficially as well as consequentially. I'm in awe, and humbled by how much transmitted authority God has empowered each individual with. He is generous. We should recognize, that by our own doing, we can be severed from God, we can be severed from our potential reward in heaven, or we can sever ourselves from demonic influence, either temptations or symptoms. Once we recognize these three important truths their principles will be more assimilable into our lives and the more successful we'll become. Breakthroughs are a result of an initiated effort. In the right direction we can be benefited significantly. Resistance to truth and enlightenment only block breakthroughs.

Practices That Optimize

I've heard "car guys" discuss the right fuel mixtures that promote optimum performance, as well as substandard fuels that will choke performance and shorten engine life. We know how to calibrate and recalibrate to get the best efficiency and performance on mechanics, biology, and engineering, but seem lax in the spiritual area. We tend to fizzle in this area, or just deflect and side-step the subject as unimportant. The sinners don't want to deal with something that they can't control, so they dismiss it anyway. Unbelieving believers often engage in legalistic practices whereby they have replaced the individual Saint as being the temple of God with their 501c3 Church Bldg. model, and replaced Holy Spirit's indwelling with tradition. They're still gathering, preaching, studying, and doing great works, but resist using Jesus keys that He authenticated His original version with. They've had to vote to shift their practices to sustain these practices. Then they hire a hireling to administer back to them within the framework they've allowed (cherry picked). This make members feel good about themselves.

There are spiritual foods that optimize and others that will choke off performance and shorten our life in the spiritual area too. I've found these truths candid and sincerely honest. Here are some highlight recaps of the report.

Severed Categories

1. Severed from God (Card # 1-12, 15-20, 23-24)
2. Severed from my reward (Card # 21-22)
3. Severed from demonic toxicity (Card # 13-14)

Yes, we're all going to know the truth. Nobody is immune. We see that exercising our rights to sin is futile and has consequences. I'd just like to leverage the beneficial facts in my favor (*for once*). So I'm preparing myself for the best potential result, here on earth and for my own future in heaven. I always thought that dealing with severed had to do with pruning away my own sinful thoughts, words, and deeds. But now I see that for those who actually enter into Jesus' authentic Christianity we can do the severing of evil, darkness, temptations, and symptoms. We can reap the benefits of abiding in Christ and we can help others do the same!

Sin Cycle Factors

1. **Temptation** is the act of tempting; enticement or allurement
2. **Desire** is a personal longing or craving, as for something that satisfies
3. **Conceive** is to experience or form; to consider, accept, and activate
 - a) Conception gives birth to or initiates sin (beginning the separation process)
 - b) Sin gives birth to or initiates death (completing the separation process)

Regarding the definition of death having to do with being separated from God versus our physical bodily expiration please review details in [The 5 Elementals](#). The greek word *thánatos* (2288) defines death as a separation from life forever by dying without first experiencing God's gift of salvation. Everybody should know this. This cycle is better down as THE DEATH SPIRAL. James breaks it down very simply for each to know how it works. It's not complicated.

What Is The Source of Defilement?

Jesus reports that all defilement is sourced from our own heart; our own thoughts, words and deeds. **This places the onus on each person** to make sure their own soil is clean and able to grow the seeds of truth that Jesus is generating. We, individually **will either accept Jesus' truth** or **we will reject it**. We, individually are the source of defilement or of veneration. Only our own free will can generate our future. **We have to own this to benefit from it!**

Jesus Is The Only Foundation

Paul did identify Jesus as:

1. the **only** true Gospel foundation that saints should be building upon
2. the **only** authentic model approved as a Gospel model
3. the **only** teachings and examples that are valid and verified from God

The fact that Paul specifies this foundation should make us aware of other foundation potentials, which could mean building our life on "another Jesus foundation". Another one that has been revised to accommodate traditional values, would be an invalid option, for the purpose of passing the fire test, or something worse.

Why Is The Truth Of Christianity So Important?

Every person who becomes a Christian, by shifting from a sinner to a saint, is indwelled by Holy Spirit, completing the conversion dynamic, and beginning the adoption process. Yes, Christians are adopted into God's family, become citizens of heaven, bypass death, and are in alignment for

direct benefits and teachings from the Bible and Holy Spirit. Now if someone claims to be a prophet, pastor, or teacher, and denies these truths of Jesus' gospel, by revising it, that person is not from God. This is why knowing the truth is so important, and why the truth has so many vantage points. Successful saints observe Jesus' teachings, in their entirety, no cherry picking. Successful saints must walk and conduct them self in the same way Jesus conducted Himself.

Grace

Grace is God's new way to deal with a humanity, that needed extra care to qualify for eternal life. The law was great at letting people know what disqualified them from God's eternal life, but nobody could live that perfectly. When Jesus came from heaven, and did live perfectly, He qualified to act as our paschal lamb and actually absorb all of our sin. Instead of just being temporarily cleansed, like the Jewish system provided, God permanently removed the sin (purifying saints) and had all humanity potentially connected to God directly, and individually. Nullifying grace to return to a mediated system, to earn your way to God, or by being an underling under a hireling or covering is what Paul is referring to here. By returning to or directing others to practice a legalistic system, Paul says that you are severed from God. By testifying that Christ will be of no value to you by returning to the law looks like very clear validation that grace is the only way forward.

The pre-section question asked if backsliders are severed from God. Technically grace covers a lot of failure and for a period of time, for the indwelling of God to take effect on each saint's behavior. Jesus gave three years for the tree to produce or tear it down. See this in the Parable of the Barren Fig Tree (Luke 13:6-9). This timeframe could be analogous to God's expectations for growth in believers.

Doer Dynamics (mortification)

James positions this as a form of self examination, using the Bible values and verses as the standards to reflect our current spiritual status. James reports that merely listening to the word doesn't validate salvation or eternal life (*this is reporting that obedience to Jesus teachings, morals, and standards are internal gospel validations*). If I don't do what it says, I've missed the mark. Missing the mark is described as being a sign of sin or being a sinner, and that, as we have seen, will separate us from God. James isn't advocating a works program, but to examine my behavior in compliance with God's kingdom standards. *See card #13 to revisit this subject.*

Doing Dynamics (edification & inspiration)

In these verses doing reflects the acts of replicating Jesus' works, whether that be just listening to someone, giving out a glass of water, or exerting the power gifts to reverse out terminal illnesses. They are all important to God, yes, each one! What matters here is that we hear, and do, bestowing God's grace to someone, thereby potentially helping Jesus reconcile them to God. Jesus did imply to His followers to hear and act on His teachings, to build on Him, the rock, and to pick up the cross and follow Him. Jesus really is our model. In doing so, because we're in Him, it's His light that bestow grace through our personalities and we become effective!

Invalidating Jesus Gospel

Jesus even addressed the issue of:

1. Invalidating the gospel by revising it with a traditional view, and exposed the hypocrisy of the hireling leadership.
2. Jesus told the Pharisees that they're exacting (minimizing what they are going to pay), while disregarding justice.
3. Jesus rebuked the Pharisee for weighing down others with burdens without EVER lifting a finger to help them.
4. Jesus rebuked the Pharisee for blocking people from finding and entering into the kingdom of God, better known as sabotage.
5. God knew what was going on then, and today.

Another Jesus - Another Gospel - Another Spirit

Every saint is entitled to practice the gospel within their own personality, but not to their own revised interpretation of "cherry picked" gospel factors. The Apostle Paul warned saints of corrupt deception in the church, at the time. Again, this places onus on saints to know truth, in order to discern counterfeits. The Apostle Paul didn't leave anything to be interpreted liberally or in any false matter. He even condemned anyone who would revise the Gospel from the authentic Jesus had established. He clearly defined how deception had entered into the church and how deception had revised "another gospel". Today ritualism and revised theological interpretations have developed over 50,000 denominations. Theological philosophy parading as the gospel, being supported by liberal interpretations to weak minded hirelings and misleading humanity, has been operating since the early church. Paul made it very clear that forms without Holy Spirit and without authentic attributes are unacceptable and not God's standard.

Consequences Of Bad Associations!

You're cheating on God. If all you want is your own way, flirting with the world every chance you get, you end up enemies of God and his way. And do you suppose God doesn't care?

The proverb has it that "he's a fiercely jealous lover." And what he gives in love is far better than anything else you'll find. It's common knowledge that "God goes against the willful proud; God gives grace to the willing humble."

James 4:4-6

Severed From God

Being SEVERED from God can only be from our own effort as a result of our own doing. God isn't putting up any barriers. That is Satan's job. God sent Jesus to break down the barriers and He has. God gave everyone free will, to exercise, at their own discretion the means to accept Jesus or reject Jesus. Since God judges everyone according to what they have selected, if they have rejected Jesus, they've already judged and doomed themselves. If someone rejects Holy Spirit, they're really rejecting Jesus' finished work on Calvary. Jesus warned everyone about blaspheming

Holy Spirit, and also indicated that it carries an irreversible death sentence.

We've covered many subjective positions of severed in this series to alert and inform anyone interested in this level of intelligence. Here are some highlights to some of the big ones:

1. **Posers:** Posers failed to keep and obey Jesus' teachings, #15
2. **Rebellious:** Paul informed the church and humanity that carnality carried too far has horrible consequences. Consensual sexual sin, is still sin, and carries with it retribution. #9-11
3. **Foolish Behavior:** There are so many warning on foolish behavior. Half the virgins were severed because they were foolish. Warnings against foolishness is a prevalent Bible theme. # 3, #12
4. **Unforgiveness:** This is known to be so stupid because it is like drinking poison yourself and waiting for the one you refuse to forgive to become effected. How does that work? In reality unforgiveness is considered rebellion from God's perspective because Jesus has already paid the price for our forgiveness, so if we're not forwarding that, something is missing here. #16

As simple as the gospel is, there seem to be many potholes and a few black holes to become aware of and to avoid. Scriptural clarification on these issues hopefully has helped. It has been cathartic to research this and very humbling to prepare it to share with you. *Caveat Emptor!*

HOW GOD REPAYS

Have you ever thought of how God actually deals with everyone after their life is over on earth? How does He reward, benefit or penalize? Here are some scriptures that were scattered between the old and new testaments that deliver a consistent message and that answers this question.

- “But when you give to someone in need, don’t let your left hand know what your right hand is doing. **Give your gifts in private, and your Father, who sees everything, will reward you.**” Matthew 6:3-4 NLT
- “Also to You, O Lord, belong mercy and loving-kindness, for You render to every man **according to his work.** Psalm 62:12 AMPC
- ““I, the LORD, search the heart, I test the mind, Even to give to each man according to his ways, **According to the results of his deeds.**” Jeremiah 17:10 NASB
- “For He will render to every man **according to his works** [justly, as his deeds deserve]: Romans 2:6 AMPC.
- ““Therefore, I will throw her on a bed of suffering, and those who commit adultery with her will suffer greatly unless they repent and turn away from her evil deeds. I will strike her children (*church followers*) dead. Then all the churches will know that I am the one who searches out the thoughts and intentions of every person. **And I will give to each of you whatever you deserve.**” Revelation 2:22-23 NLT
- ““Look, I am coming soon, bringing my reward with me **to repay all people according to their deeds.** I am the Alpha and the Omega, the First and the Last, the Beginning and the End.”” Revelation 22:12-13 NLT
- ““Just as the weeds are sorted out and burned in the fire, so it will be at the end of the world. The Son of Man will send his angels, and **they will remove from his Kingdom everything that causes sin and all who do evil.** And the angels will throw them into the fiery furnace,

where there will be weeping and gnashing of teeth. Then the righteous will shine like the sun in their Father's Kingdom. Anyone with ears to hear should listen and understand!" Matthew 13:40-43 NLT

- ““But when the Son of Man comes in his glory, and all the angels with him, then he will sit upon his glorious throne. All the nations will be gathered in his presence, and he will separate the people as a shepherd separates the sheep from the goats. **He will place the sheep at his right hand and the goats at his left.**” Matthew 25:31-33 NLT
- “For we must all stand before Christ to be judged. **We will each receive whatever we deserve** for the good or evil we have done in this earthly body.” 2 Corinthians 5:10 NLT

Recap

1. When we give our gifts in private, our Father, who sees everything, will reward us.” Matthew 6:3-4 NLT
2. God renders to every man according to his work. Psalm 62:12, Romans 2:6, Revelation 2:22-23, 12-13, 2 Corinthians 5:10
3. God gives to each man according to his ways, According to the results of his deeds.” Jeremiah 17:10 NASB
4. Jesus' Angels will remove from his Kingdom everything that causes sin and all who do evil. Matthew 13:40-43 NLT
5. Jesus will separate the sheep from the goats, the sheep at his right hand and the goats at his left.” Matthew 25:31-33

Apostle John's Major Warning

“Do not love this world nor the things it offers you, for when you love the world, you do not have the love of the Father in you. For the world offers only a craving for physical pleasure, a craving for everything we see, and pride in our achievements and possessions. These are not from the Father, but are from this world. And this world is fading away, along with everything that people crave. But anyone who does what pleases God will live forever.” 1 John 2:15-17 NLT

1. Worldliness offers only a craving for physical pleasure, a craving for everything we see, and pride in our achievements and possessions, which aren't from the Father, but are from this world, which is quickly fading away (futile practices).
2. Do not love this world nor the things it offers you, because when you love the world, you don't have the love of the Father in you (which could be a red flag warning, like not having Holy Spirit).
3. Anyone who does please God will live forever.

Appendix A Pothole Listings

This information is sourced from many verses of the Bible and is formulated to help us to be alerted to practices that can and will keep people from their true identity, their destiny, and their potential eternal salvation, if these are practiced intentionally (continuously), with a disregard for God’s moral laws. Remember God is not effected by sin, only man is. God is removing any deception in this area by informing us what effects each of and how. This is what parents do!

Again, Again, there is no condemnation here. I'm using these to identify potential blockages so I can avoid failure. If God's omnipotent blessings are available for us to receive, awareness of conflicting blockages helps us to avoid them and reposition our self for better reception. So we see that awareness of these blockages will help me to avoid them. This is the point of publishing them. Avoiding these will help me to find the narrow road and stay on it, and benefit from the divine nature dynamics God has for each of us individually who abide.

7 NULLIFY GOD'S GRACE?

ARE THOSE WHO NULLIFY GRACE SEVERED FROM CHRIST?

Paul reports to all saints that revising and modifying the gospel model back to the clergy mediated model is tantamount to returning to a sinner, with the implication of a dog returning to it's vomit or a pig back to the mire.

Rather, **I am a sinner if I rebuild the old system of law** I already tore down. (Galatians 2:18 NLT)

I do not nullify the grace of God, for if righteousness comes through the **Law**, then Christ **died** needlessly." (Galatians 2:21 NASB)

Paul makes it very clear how God views people who return to the law (any legalistic revision) that Jesus paid dearly to discard, so all humanity could have direct access to God.

8 DID APOSTLE PAUL WARN THE CHURCH?

THOSE WHO RETURN TO THE LAW

Notice, it is I, Paul, who tells you that if you receive circumcision,

Christ will be of no profit

(advantage, avail) to **you** [for if you distrust Him, you can **gain** nothing **from** Him].

I once more **protest** and testify to every man who receives circumcision that he is under obligation and bound to **practice** the whole of the Law and its ordinances.

If you seek to be justified and declared righteous and to be given a right standing with God through the Law, you are brought to **nothing** and

so separated (severed) from Christ.

You have fallen **away** from **grace** (from God's gracious favor and unmerited blessing). (Gal 5:2-4)

9 DOES PRACTICING SIN SEVER?

ARE THOSE WHO PRACTICE SIN SEVERED FROM CHRIST?

Don't you realize that **those who do wrong will not inherit** the Kingdom of God? Don't **fool** yourselves.

Those who indulge in sexual **sin**, or who worship idols, or **commit** adultery, or are male prostitutes, or **practice** homosexuality, or are thieves, or greedy people, or drunkards, or are abusive, or cheat people—**none of these will inherit the Kingdom of God.** (1 Corinthians 6:9-10 NLT)

When you follow the desires of your **sinful** nature, the results are very **clear**: sexual immorality, impurity, lustful pleasures, idolatry, sorcery, hostility, quarreling, jealousy, outbursts of anger, selfish ambition, dissension, division, envy, drunkenness, wild parties, and other **sins** like these.

Let me tell you again, as I have before, that anyone living that sort of **life** will not **inherit** the Kingdom of God. (Galatians 5:19-21 NLT)

10 ARE BACKSLIDERS SEVERED?

WHO IS SEVERED FROM CHRIST?

It has happened to them according to the true proverb, "**A DOG RETURNS TO ITS OWN VOMIT,**" and, "**A sow**, after washing, returns to wallowing in the **mire.**" (2 Peter 2:22 NASB)

The point here is that real Christians are not pigs or dogs and therefore should not be returning to their old sinful nature that Jesus has cleansed them from.

Beware of **false** prophets, who come to you dressed as **sheep**, but inside they are devouring **wolves.** [Ezek. 22:27.] (Matthew 7:15 AMP)

So be careful of backsliding and be aware of those who revise Jesus' Gospel message to accommodate revised synthetic practices

11 DOES DISHONORING GOD SEVER US?

THOSE WHO DISHONOR GOD ARE SEVERED FROM GOD

Therefore God **gave** them up in the lusts of their [own] hearts to sexual impurity, to the dishonoring of their **bodies** among themselves [abandoning them to the degrading power of sin], Because they exchanged the **truth** of God for a **lie** and worshiped and served the **creature** rather than the **Creator**, Who is blessed forever! Amen (so be it).

For this reason **God gave them over and abandoned them** to **vile** affections and degrading passions. For their women exchanged their natural **function** for an unnatural and **abnormal** one, And the men also turned from natural relations with women and were set ablaze (burning out, consumed) with **lust** for one another—men committing **shameful** acts with men and suffering in their own **bodies** and personalities the inevitable consequences and penalty of their wrong doing and going astray, which was [their] fitting retribution.

And so, since they did not see fit to acknowledge God or **approve** of Him or consider Him worth the **knowing**, God gave them over to a base and **condemned** mind to do things not proper or decent but loathsome, (Romans 1:24-28 AMP)

12 WHAT % OF THE VIRGINS WERE SEVERED?

The Parable of the Ten Virgins (Matthew 25:1-13)

50% (Please read the parable) these are verse excerpts:
2 Five of them were **foolish**, and five were **wise.**
4 but the **wise** took flasks of **oil** with their lamps, (prioritizing)
6 But at midnight there was a cry, 'Here is the **bridegroom!**
11 Afterward they bought **oil** other virgins came also
12 But Jesus answered, 'Truly, I say to you, I do not **know** you.'

Commentary

In the nature of Christianity, saints profess to honor Jesus and His standards. Since Christians are the wise virgins and hypocrites the foolish ones, the lamps (signifying commitment and purity) are supposed to be operating consistently, not erratically. Remember these virgins are waiting for their husband, to get married, so signifying a wise Christian status of staying pure while waiting for Jesus' to return.

13 WHAT DOES BECOMING A DOER MEAN?

Doer - The Acts Of Overcoming Sin

Do not merely **listen** to the word, and so **deceive** yourselves. **Do what it says.**

Anyone who **listens** to the word but does **not** do what it **says** is like someone who looks at his face in a **mirror** and, after looking at himself, goes away and immediately **forgets** what he looks like.

But whoever looks intently into the perfect law that gives freedom, and continues in it—not forgetting what they have heard, but doing it—they will be blessed in what they do. (James 1: 22-25).

Biblical standards reflect who we really are, by comparison, just like a mirror reflects our image. The Bible exposes our personal corruption, pet sins, blockages, and reveal to us why we fail. When the light hits the darkness within us, we need to overcome those deficiencies and vanquished them. Doing represents allowing for the word of truth to expose sin and then we intentionally shift our life into becoming an over comer on each issue. **It seems that only in overcoming are we doer's**, building on the rock, not just hearing.

14 WHAT DOES DOING MEAN?

Doing: The Acts Of Replicating Jesus' Works

- 1 Saints who **hear** and **act** on Jesus' words are wise and **build** their homes upon rock, not sand. (Matthew 7:24)
- 2 the seeds that fell on the good **soil** produced a huge harvest." (Luke 8:15 NLT)
- 3 anyone that **professes** to have **faith** in Jesus should have good **works** to show for it. (James 2:14 AMP)
- 4 Jesus set an **example** that all saints should **do** as I have done for you. (John 13:13-15)
- 5 Saints walk in the **same** way in which Jesus walked and **conducted** Himself." (1 John 2:6)
- 6 All saints are created in Christ Jesus to **do** good **works**, (Eph 2:10 NIV)
- 7 **faith** apart from works is **dead**." (James 2:26 AMP) add 2:17, 20 and Gal 5:6
- 8 For Christ left you His personal **example**, so that you should **follow** in His footsteps. (1 Peter 2:21 AMP)

Jesus, James, John, Paul and Peter do imply that hearing and acting (doing) is very essential!

15 WHAT DOES "I NEVER KNEW YOU" MEAN?

These are the four words that we definitely want to avoid hearing!

"Not everyone who says to me, 'Lord, Lord,' will **enter** the kingdom of heaven,

but only the one who does the will of my Father who is in heaven.

Many will say to me on that day,

'Lord, Lord, did we not **prophesy** in your name and in your name **drive** out demons

and in your name perform many **miracles**?'

Then I will tell them plainly,

'I never knew you.

Away from me, you evildoers!' (Matt 7:21-23)

"Then the King will turn to those on the **left** and say, 'Away with you, you **cursed** ones, into the eternal **fire** prepared for the **devil** and his demons. (Matt 25:41)

Turning a deaf ear to doing the will of God earns this response from Jesus, "Depart from me".

16 WHAT DOES IF YOU DON'T FORGIVE MEAN?

Jesus has reconciled man to man, signifying an implication that forgiveness is in order

But if you do not forgive others, then your Father will not forgive your transgressions. (Matt 6:15)

If you forgive, your heavenly Father will also forgive. We must forgive, as we hope to be forgiven. Those who desire to find mercy with God, must show mercy to their brethren. Christ came into the world as the great Peacemaker, not only to reconcile us to God, but one to another. Matthew Henry Commentary

In anger his master handed him over to the jailers to be tortured, until he should pay back all he owed. "This is how my heavenly Father will treat each of you unless you forgive your brother or sister from your heart." (Matt 18:34-35)

Unprofitable Servants Reward

And throw that worthless servant outside, into the darkness, where there will be weeping and gnashing of teeth. (Matt 25:30)

Slothfulness, laziness and those who are no way serviceable to the glory of God, or the good of others, will be reckoned with as unprofitable servants. Merely avoiding sin seems insufficient, per this parable. **Doing God's will is Jesus' model.**

17 DID JESUS WARN OF FALSE DOCTRINE?

Jesus did warn saints of both false doctrines and hirelings

"He was also saying to them,

"You are experts at setting aside the commandment of God in order to keep your tradition.

For Moses said, ' HONOR YOUR FATHER AND YOUR MOTHER '; and, ' HE WHO SPEAKS **EVIL** OF FATHER OR MOTHER, IS TO BE PUT TO **DEATH** '; but you say, 'If a man says to his father or his mother, whatever I have that would help you is **Corban** (that is to say, given to God),' you no longer **permit** him to do anything for his father or his mother; **thus invalidating the word of God by your tradition** which **you** have handed down; and you do **many** things such as that.'" (Mark 7:9-13 NASB)

Denominational doctrine, in conflict with God's Word and Jesus teachings, become a "WIDE ROAD" diversion, interfering with God's real agenda for His saints. Only Jesus teachings, God's Word, are acceptable for true practices.

18 DID JESUS BRING SCATHING REBUKES?

Jesus Rebuked Pharisee Leaders 1/3

Woe to you Pharisees! For you love the **chief** seats in the synagogues and the **respectful** greetings in the market places.

Woe to you! For you are like concealed **tombs**, and the people who walk over them are unaware of it.

Woe to you! For you build the tombs of the prophets, and it was your fathers who **killed** them. So you are witnesses and **approve** the **deeds** of your fathers; because it was they who killed them, and you build their tombs. For this reason also the wisdom of God said, 'I will send to them prophets and apostles, and some of them they will **kill** and some they will **persecute**, so that the **blood** of all the prophets, shed since the foundation of the world, may be **charged** against this generation, from the blood of Abel to the blood of Zechariah, who was killed between the altar and the house of God; yes, I tell you, it shall be charged against this generation.

20 DID JESUS REBUKE HYPOCRISY?

Jesus Rebuked Pharisee Leaders 3/3

Jesus' Scolds Leadership from Luke 6 & 11, and Matthew 23

But woe to you, scribes and Pharisees, hypocrites, because you **shut off** the kingdom of heaven from people; for you do not **enter in** yourselves, nor do you **allow** those who are **entering** to go in.

Woe to you, scribes and Pharisees, hypocrites, because you **devour** widows' houses, and for a **pretense** you make long prayers; therefore you will receive greater condemnation.

Woe to you, scribes and Pharisees, hypocrites, because you travel around on sea and land to make one **proselyte**; and when he becomes one, you make him twice as much a son of **hell** as **yourselves**. '

21 DID PAUL IDENTIFY 1 TRUE FOUNDATION?

Paul Identifies Jesus As The Only True Foundation

'For no one can **lay** any foundation other than the one we already **have**—Jesus Christ.

Anyone who **builds** on that foundation may use a variety of **materials**—gold, silver, jewels, wood, hay, or straw.

But on the judgment day, fire will **reveal** what kind of work each builder has done. The fire will **show** if a person's work has any **value**. If the work survives, that builder will receive a **reward**.

But if the work is **burned** up, the builder will suffer great **loss**. The builder will be **saved**, but like someone barely escaping through a wall of **flames**.

Don't you realize that **all** of you **together** are the temple of God and that the Spirit of God **lives** in you? God will destroy anyone who **destroys** this **temple**. For God's temple is holy, and **you** are that temple.'

22 DID PAUL WARN OF COUNTERFEITS?

Recap Of Jesus As Only True Foundation

1. Only Jesus' **authentic** model is approved as a Gospel.
2. When we build upon this foundation, as saints in our **own** personality, our works will become known and **tested** by fire.
3. The **fire** will critically evaluate the character and **worth** of the work each person has done.
4. If the work **survives** this test, the saint will get their reward.
5. If the work is **burned** up under this test, that saint will suffer the **loss** of the potential reward, but they'll maintain salvation!
6. All saints should know that we are God's **temple**, His sanctuary, and that God's Spirit has His permanent dwelling in **us**.
7. If anyone hurts, corrupts with false teaching, or destroys any **temple**, God will **destroy** them.

This passage gives wide leverage as to how we are presenting the gospel. This is necessary due to the fact that every saint must bestow the gospel grace within the framework of their own personality. It also reigns in any activities not in compliance with Jesus teachings.

But [now] I am fearful, lest that **even as the serpent beguiled Eve by his cunning, so your minds may be corrupted** and seduced from wholehearted and sincere and pure devotion to Christ.

For [you seem readily to endure it] if a man comes and preaches **another Jesus** than the One we preached, or if you receive **a different spirit** from the [Spirit] you [once] received or a **different gospel** from the one you [then] received and welcomed; you tolerate [all that] well enough!
