G.I.V.E ACRONYM

SHORT MEANING

Granting and forwarding significant treasures
Impacting the lives of whoever we know or come in contact with
Valuable entrance tickets to enrich and embellish this life and beyond
Empowering anyone with an authentic experiential lifestyle

FULLER MEANING - Freely We Receive So Freely We Give -

Whenever we really do receive something that has effected us positively and know how it can benefit others, and it's free, we're more prone to spread it around. If we're happy to have transitioned from sinner to saint, from carnality to divinity, and from the wide road to the Narrow Road, then we should share that with others! When people do really get saved, cleaned up, and empowered to become fruitful then they may have an adjoining inclination to share it too. That is to freely bestow this gift to empower somebody else for their breakthrough to whatever God has for them, for this life and their eternity. Freely we receive this gift and freely we can pass it forward to anybody and everybody. ***Enter In!***
(Matthew 10:8, Luke 10:9, 11:10, Galatians 6:2, 10)

Once We've Realized This

Once we've realized Who this Jesus really is and why He came to earth from heaven, and what He accomplished here, and how He impacted humanity, we'd be much more likely to consider entering into His authentic Christian model. This report is to describe the values Jesus has already delivered to earth for anyone to review, accept, internalize, and enter into Jesus' authentic experiential Christianity. Please use these factors as you please.

Jesus' Accomplishments Are Effective

Jesus' accomplishments did change the spiritual dynamics for all humanity. These dynamics will benefit anyone who becomes aware of them, and who acknowledges and abides in Jesus values!

All authority has been placed upon Jesus and that is why His name is effective!

Jesus Is the King of Kings, the Lord of Lords, head of the church, and at the right hand of God!

Accomplishments of Jesus Christ That Benefited Humanity

1. Jesus, by Himself, and within Himself, has hosted a sanctuary for all humanity
2. Jesus delivered to earth God's heavenly standards of mercy and grace, for all humanity
3. Jesus absorbed all sin, in His blood, on the cross, and deposited it on the Mercy Seat
4. Jesus erased all of sin's obstruction that had separated God from man and man from God
5. Jesus perfected all saints in His divine nature and joined them all directly to God

How Jesus Dealt With all Demonic Powers

1. Jesus came to destroy the works of the devil (render them ineffective over humanity)
2. Jesus did announce judgement, and specifically to terminate Satan's reign
3. Jesus invaded the strong man's house and conquered all demonic power
4. Jesus drove out demons by Holy Spirit, validating that Gods kingdom really did come
5. God broke all of Satan's power by reversing mankind's annexation, due to Adam's fall
6. Satan and all demonic beings were judged, condemned and sentenced (neutralized)

How Jesus Dealt With Dysfunctional Old Testament System?

1. Jesus discarded the Sanhedrin OT clergy-laity practices and all "mediator coverings"
2. Jesus replaced the OT system with a new form of humanity, His One-New-Man model
3. Jesus released Holy Spirit from "quarantine" so Holy Spirit could integrate into mankind
4. Holy Spirit is God's Promise, and is primary, (always before the Bible and before church)

How Does Jesus Lead Humanity Today?

1. God makes it easy for everyone to seek Him, find Him, and connect with Him - just ask!
2. All who select Jesus, believe in their heart, and confess Him will enter God's family!
3. Jesus bestows His keys for saints to impact humanity (to intervene, like Jesus did!)
4. Vertical (unity-action) between God and man authenticates believers are aligned with God
5. Horizontal (unification) exhibits that believers are in harmony, therefore abiding in Christ

For more amplified version on these go to Appendix B in ***Experiential Testimonials***.

Peer Pressure & Bad Teaching Corrupts Kingdom Benefits

“But my church friends have never heard of this and think that this is crazy. They’ve never seen a healing or a miracle and don’t believe in them. So because they don’t believe I can’t either because I rely on my church friends! Oh my!”

There is always those who go to church, get spoon fed, and never become self-feeders. They are part of the synthetic revised church groups that continue to operate in their own traditions. Of course they don’t know, they’ve yet to enter into Jesus’ authentic Christianity. They’ve only entered into a revised denominational version that is approved by their overseers and their own comfort levels. They’re healthy, and have no need of the gifts or many of the other factors Jesus has supplied. Believe me, when something happens, like a serious health issue where their doctor diagnoses something serious, they’ll be shifting how they think.

The point is that if there is a shifting from sinner to saint, from carnal to divine, from earthly to heaven-centered standards, and when we know about these and choose to deploy them, then effectiveness has a chance to manifest. ***So stop sweeping the benefits of God’s abundant life under the rug of humanitarian and church ignorance!***

DON’T LET OTHERS DEFINE YOU!

Many postpone prayer because they have no expectations due to previous failure. They or someone they knew tried prayer unsuccessfully, so therefore it doesn’t work. I understand hesitancy under these circumstances. However we need to remember that sin separated people from God and blocked results, but now we’re overcoming sin through Jesus, and now we’ve an open doorway to succeed. Let’s not let others define our belief or what level of faith to practice.

So for us who are dealing with symptoms, if death no longer applies, then does sickness? The answer is no! We believe this, therefore we speak it (2 Cor 4:13)! Jesus is the one to instruct us to exert enforcement and the Apostles demonstrated miracles too! Jesus is still doing them today through His disciples.

INTERVENTION IS A GOOD THING

Life can throw us many obstacles, but they don’t have to be insurmountable. Being aware and developing tools to circumvent hardships, hazards and hindrances are keys to avoiding and overcoming conflict, and being favored. To intervene is to involve oneself in a situation so as to alter or hinder an action or development, or to interfere, sometimes even through force in the affairs of another. Darkness withholds people from receiving truthful enlightenment and symptoms cause disease, pain, and suffering. ***Both darkness and symptoms are spiritually based and can be overcome by intervention.*** Superior Christian prayer can exert enforcement of intervention and enlightenment dynamics, dimming darkness and dissolving symptoms, and restoring physical, emotional, and financial health. Anyone can enter in, intervene, and bind and loose for them self or anyone else. Because God is absolute, our intervention effectiveness gets better results ***based on our proximity to God, and our distancing our self from sin.*** Causality does play a part, and our intentionality will affect us.

Replicating Jesus' Works Isn't What You Might Think!

It's not as difficult as it has been made out to be. Free will, in agreement, is very powerful, and does generate results. God cannot deny Himself (2 Timothy 2:13), and when we freely choose to partner with Him, and persevere, God does respond, and often with surprisingly unexpected results. It is for everyone, YES, anyone and everyone, just as you are right now!

Five Simple Free Will Factors

- **Factor #1.** It is always and only, by our own free will, to enter into Jesus' authentic experiential Christianity model.
- **Factor #2.** It is our own free will to practice Jesus' agreement model and the Apostle Paul's implied gathering tactics.
 - Where 2 or more are gathered, sharing fellowship in agreement, God is there. (Matt 18:20)
 - Paul models gathering tactics (1 Corinthians 14:26)
- **Factor #3.** It's each recipients free will to receive SOZO; their salvation, healing, prosperity, deliverance, and guidance, and to wait on God and persevere for a breakthrough.
- **Factor #4.** It's each disciples free will to intervene, bestow, impart, binding-loosing, and to persevere until breakthrough.
- **Factor #5.** It is God's free will to empower His gifts to impact every recipient and every disciple!

This is the synergy of God's kingdom dynamics, *on earth, as it is in heaven*. This offers unrestricted effectiveness. When we plant and water the seed of our faith, in even the smallest dose, in sincerity, without doubt, God makes it grow. That leaves the onus on us to overcome our own blockage issues to breakthrough to God's manifest presence.

Jesus and John State Principal Factors

- "I assure you, most solemnly I tell you, ***if anyone steadfastly* believes in Me, he will himself be able to do the things that I do***; and he will do even greater things than these, because I go to the Father." (John 14:12 AMPC) **Steadfastly means with a resolute determination.*
 - "***If*** you live in Me [***abide* vitally united to Me***] and ***My words remain in you and continue to live in your hearts***, ask whatever you will, and it shall be done for you. When you bear (produce) much fruit, My Father is honored and glorified, and you show and prove yourselves to be true followers of Mine." (John 15:7-8 AMPC) **Abide means to remain, reside in, and to submit to Jesus' teachings and standards. "Reside in" indicates one has selected and entered into Jesus' Christianity.*
 - "So Jesus said to those Jews who had believed in Him, ***If*** you abide in My word [***hold fast to My teachings and live in accordance with them***], you are truly My disciples. And you will know the Truth, and the Truth will set you free." (John 8:31-32 AMPC)
 - "Anyone who runs on ahead [of God] and does not abide in the doctrine of Christ [who is not content with what He taught] does not have God; but ***he who continues to live in the doctrine (teaching) of Christ [does have God], he has both the Father and the Son.***" (2 John 1:9 AMPC)
1. If anyone believes in Jesus, they'll be able to do the things that Jesus did.
 2. If anyone abides in Jesus' teachings, ask, and it shall be done for them.
 3. All who abide in Jesus' teachings are His disciples, and know the truth that sets them free.
 4. All who continue to live in Christ's teachings have Jesus, Father and Holy Spirit.

Keys To Effectiveness

- “**I will give you the keys of the kingdom of heaven;** and whatever you bind on earth shall have been bound in heaven, and whatever you loose on earth shall have been loosed in heaven.”” (Matthew 16:19 NASB)
 - “Again I tell you, **if two of you on earth agree** (harmonize together, make a symphony together) about whatever [anything and everything] they may ask, it will come to pass and be done for them by My Father in heaven.” (Matthew 18:19 AMPC)
 - “Truly I say to you, whatever you bind on earth shall have been bound in heaven; and whatever you loose on earth shall have been loosed in heaven. “Again I say to you, that **if two of you agree on earth about anything that they may ask, it shall be done for them by My Father who is in heaven.** For where two or three have gathered together in My name, I am there in their midst.”” (Matthew 18:18-20 NASB)
 - ' Truly I tell you, whoever says to this mountain, Be lifted up and thrown into the sea! and does not doubt at all in his heart but believes that what he says will take place, it will be done for him.' (Mark 11:23)
 - ' Yet we have the same spirit of faith as he had who wrote, I have believed, and therefore have I spoken. We too believe, and therefore we speak, [Ps. 116:10.]' (2 Corinthians 4:13)
1. Jesus delivered His keys of the kingdom of heaven to each saint to bind on earth what has been bound in heaven, and to loose on earth what is loosed in heaven (simple instructions).
 2. Agreement is very powerful and so is disagreement, much like belief and disbelief, honor and dishonor. These have the ability to manifest God’s presence, peace, and power. Many forms of belief don’t agree, which identifies them as counterfeit religions. When we can harmonize with Jesus, God Himself, and He says it will come to pass and be done, that is worth persevering in.
 3. In 2 Corinthians 4:13 Paul reports that we believe therefore we speak. As we do this we’re operating in conjunction with Jesus and Holy Spirit. Whatever you bind on earth shall have been bound in heaven; and whatever you loose on earth shall have been loosed in heaven. If two of us agree and ask, it shall be done by God (Who makes things grow by empowering our words that we say in faith).

Factors That Have Changed Saints From Victims To Victors!

Eternal life and an abundant life are both available for anyone interested in these.

Factor One – What Did We Bypass?

This is the big one. When saints exit humanity and enter Christianity their spiritual DNA changes from sinner to saint, and they exit carnality and enter into divinity. Saints also become the temple of Holy Spirit, where Holy Spirit then brings new life to their mortal flesh (Rom 8:11), under Jesus' heavenly standards (Your kingdom come, Your will be done, on earth as it is in heaven Matt 6:10).

If spiritual death no longer applies, then do symptoms, does sickness? Well,

obviously sickness does occur, but must it have the place that it has?

- Technically all saints are the temple of Holy Spirit, are citizens of heaven, and are now under new divine nature heavenly standards.
- Technically since no symptoms are allowed in heaven, they're not allowed in the temple of the new testament saints either.
- That's why Jesus gave us His keys (Matthew 16:19) to dismiss and discard them, just like He did.

These factors are some of the basis for overcoming, overruling, and overriding.

Authentic – Synthetic

In Jesus' authentic Christianity all believers are saints, not sinners, and are directly connected to God (and at one with God), which removes any need for a mediator or covering. That removes the submission to leadership theme, and the theme to act like a weak sheep. Saints are indwelt with Holy Spirit (and without measure) and are in compliance with Jesus' standards when they do place demands on temptations and symptoms. ***Champions do follow their leader and try to replicate His model.*** The real difference is between the authentic and synthetic versions of the gospel people select to affiliate with. ***Everyone has a choice!***

BYPASS?
Do believers bypass death?

Are all saints out of death and into life?

- Truly, truly, I say to you, he who hears My word, and believes Him who sent Me, **has eternal life, and does not come into judgment, but has passed out of death into life.** John 5:24 NASB
- We know that **we have passed out of death into Life, because we love the brothers and sisters. He who does not love remains in [spiritual] death.** (1 John 3:14)

Jesus really did bring heaven to earth and reconciled us to God, where anyone who accepts salvation enters into heavenly citizenship and standards.

Once recognized that saints are out of wrath and into eternal life, they can then begin to activate eternal life standards, and initiate the equipping process to fulfill their destiny on earth, before being promoted to their reward!

Factor Two – In The Name Of Jesus!

What is the truth about the power in the name of Jesus? Should there be any expectations of healing, provision, prosperity, peace, joy, love, enlightenment? Yes, it is in the name of Jesus that every knee bows and every tongue will confess. So using the most powerful name is just a smart thing to do when dealing with a temptation of symptom, on your self or someone else.

There is most definitely healing in the name of Jesus. Jesus forecasted, “***In My Name, they shall lay hands on the sick, and they shall recover***” (Mark 16:18). *He didn't say they might recover.* So many miracles have been recorded since, by believing disciples. Peter started it in Acts 3:6 when he said, “*In the name of Jesus Christ of Nazareth rise up and walk*”. The greek word Sozo means both eternal life in heaven and abundant life on earth. Sozo represents:

- salvation (being saved, identity change from sinner to saint),
- being healed (living in heavenly standards where there is no sickness)
- prosperity (operating with Holy Spirit and His wisdom, direction and enlightenment)

These belong to every believer, so select Jesus and embrace Christianity and its benefits.

So in retrospect, the name of Jesus is the most powerful name in the universe. The application of its use is available to anyone, even the rebellious can use it. Respectfully though, *which rebels don't adhere to*, people that utilize Jesus empowerment should honor God. But since God isn't effected by their sin, and knows once they see how He cares for them by healing them, He knows He might win them over. Criminals have witnessed God's healing, and have turned to God. This is usually unprompted too. I have witnessed it. Very awesome! Then they are interested in entering into His model. Why does this happen like this? God just overrules their evil, removes the veil of darkness, and they feel His love. No words can explain it. So keep using Jesus' name!

Remember that Jesus has already overcome the world (John 16:33), and saints are at one with Jesus (John 17:21-23), and God gives saints victory through Christ (1 Corinthians 15:57).

– REMEMBER THIS –

ALL POWER IS IN JESUS AND HIS NAME!

All humans are authorized to use Jesus' name!

GODS WILL

God's already **determined** humanity to be saved, healed, and prospered, and has **empowered** us to use His keys, **transmitted** with power from Holy Spirit to overcome temptation and symptoms. Use your Jesus keys and expect absolute Christ-like results! Enjoy the journey too!

Factor Three – Who's In Control Here?

If the control has been shifted to the saints through Jesus then the control should be exercised by each saint.

However, if a saint has been reclassified to a sinner, by a deceptive church leader, or that miracles could be from an angel of light (meaning demonic), and Satan still has all the power, then be warned of those who practice these.

Don't be ignorant and don't be deceived. As saints we are

indwelled with Holy Spirit, Who is omnipotent, meaning all things are subject to Him. ***With this understanding we should have enough conviction to speak with authority!***

God is absolute, so as we grow in God this absolute attribute becomes more relevant!

Factor Four – Can Christians Really Place Demands?

The thought of a any milquetoast believer ever placing any demand on a temptation or a symptom is foreign to most western churches today. Most are afraid of their own shadow, and need to be acknowledged by their pastor at weekly service. Saints who have entered into Authentic Christianity, will willingly be in conflict with every temptation and every symptom, and will bind them until they leave. Why the difference? Jesus set the standard, but mankind has revised the standard. Being engrafted into Jesus, with expectations for similar results are our standards. Exerting pressure Is our spiritual right!

Jesus really did empower everyone with His own keys to overcome sin, override circumstances, and overrule every sickness, disease, oppression, depression, and all other demonic influence. All are authorized to use commands to exert influence.

Subjection!

What is subject to what?

- All flesh and material are subject to the Spirit
- so when you are really saved and grafted into Jesus
- and are now a saint and adopted by Holy Spirit and
- operating in divine nature citizenship under heavenly standards
- all things are possible and nothing is impossible

God is, was, and always will be absolute!
All Who are at one with Jesus are able to benefit!

DEMAND

Can Christians Place Demands?

- Believing and equipped** believers have the right to:
1. Bind and destroy all temptations, infirmity and oppression
 2. Loose all beneficial aspects of heavenly standards

Let's use the heavenly keys that Jesus supplied us with to place demands on issues and circumstances realizing the robust eternal and abundant balance of power God provides us!

Anyone can exert prayer pressure by using Jesus' name, which is the significant element to successful intervention! We all can do this! Hope is good, but faith is the real substance and is to be exerted DURING your prayer. Believe it, speak it, and release it, and expect symptoms to dissolve by exerting faith WHILE administering prayer. When doubt starts to creep in, just say no, NO DOUBTING!

Words Accomplish That Which We Send Then To Do

- ' So shall My word be that goes forth out of My mouth: it shall not return to Me void [without producing any effect, useless], but it **shall accomplish that which I please and purpose**, and it shall prosper in the thing for which I sent it.' (Isaiah 55:11 AMPC)
- "And Jesus answered saying to them, "Have faith in God. Truly I say to you, whoever says to this mountain, 'Be taken up and cast into the sea,' and does not doubt in his heart, but believes that what he says is going to happen, it will be granted him. Therefore I say to you, all things for which you pray and ask, **believe that you have received them, and they will be granted you**. Whenever you stand praying, forgive, if you have anything against anyone, so that your Father who is in heaven will also forgive you your transgressions. [But if you do not forgive, neither will your Father who is in heaven forgive your transgressions."]" (Mark 11:22-26)

You Can't Do What You Won't Do!

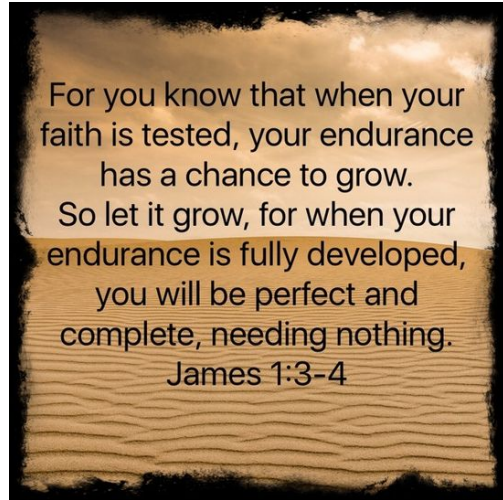

SPEAK LIFE & RELEASE KINGDOM DYNAMICS

- Jesus called his twelve disciples together and **gave them authority** to cast out evil spirits and to heal every kind of disease and illness. (Matt 10:1 NLT)
- The **tongue has the power of life** and death, and those who love it will eat its fruit. (Proverbs 18:21 NIV)
- I will **give you the keys** of the kingdom of heaven; and whatever you **bind** (declare to be improper and unlawful) on earth must be what is already bound in heaven; and whatever you **loose** (declare lawful) on earth must be what is already loosed in heaven. (Matthew 16:19 AMP)
- It is written: "I believed; therefore I have spoken." Since we have that same spirit of faith, **we also believe and therefore speak**, (2 Corinthians 4:13 NIV)
- Miracles, Signs & Wonders follow those who really believe, and demonstrate their belief **by speaking them in faith** (*releasing them*)!... Mk 11:22-26, Mk 16:15-18

You can't do what you won't do!

**You can do anything that you intentionally will to do.
So what do you have to lose by trying?
*You can do it!***

Factor Five – Will Perseverance Prevail?

All trials are as necessary for spiritual growth to be exercised. While facing obstacles if saints remember to apply truth and God's witness and Word, they are more likely to overcome. As we endure each temptation, deny it, dissolve it, and overcome it, we experience ***how it must flee*** (James 4:7). God's word is to be experienced, as doers, not read or listened to as hearers only (James 1: 22). As interventionist doers, our words impact our ability to overcome and overrule symptoms on us and others (John 14:12, 16:15). In so doing, these experiences demonstrate the transmitted authority as opposed to the delegated authority. ***We're absolute in Jesus, so as we persevere, our results technically should reflect His!*** Keep at it, and don't give up!

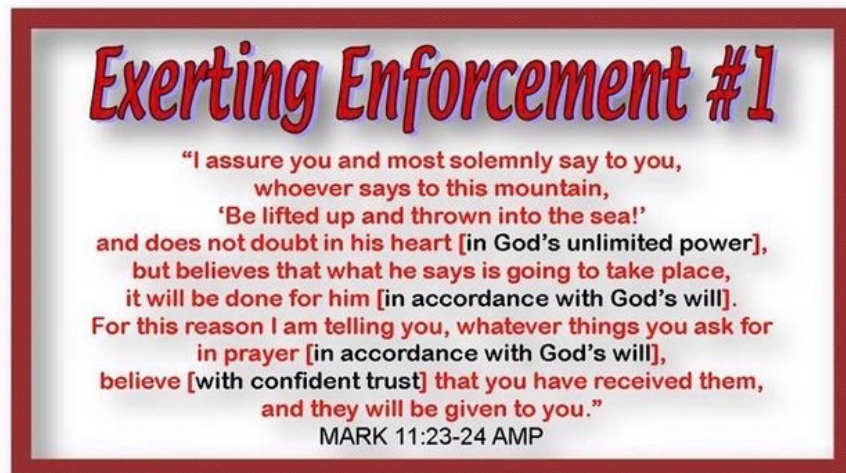

EFFORT ACTIVATES PROGRESS

We are authorized to persevere until a breakthrough is witnessed. Remember prayer in agreement with Jesus is effective and **almost completely guaranteed with persistence**. The more breakthroughs we experience, the easier it becomes. Stay focused on Holy Spirit and His anointed manifest presence, and remember to listen to Holy Spirit's direction!

Ask, wait, hear, bind, speak life, and check for results.

You're In Control, not the symptom!

Remember God is **absolute** and Jesus has already **defeated** all the demonic, and you are acting in **agreement** with God here. Persevere and see the results!

Factor Six – How & Why, Does Or Doesn't Prayer Work?

The big reason that prayer works is because God is intervening on our behalf. Remember Jesus delivered new divine nature heavenly standards for all humanity to reap the benefits. Interesting transitionary information; when people exit humanity (with its problems, out of carnality) and enter into Christianity (with its benefits, out of divinity), they shift their spiritual core values from carnal nature to divine nature. That's why they see and sense things differently.

Why & How Does Prayer and Prayer Cloths Work?

- *“For wherever two or three are gathered (drawn together as My followers) in (into) My name, there I **AM in the midst of them.** (Matthew 18:20) The gospel works because Jesus is at one with us, and empowering us.*
 - *“I planted, Apollos watered, but **God was causing the growth.** So then neither the one who plants nor the one who waters is anything, but **God who causes the growth.**” (1 Corinthians 3:6-7) God's omnipresence also willfully desires His manifest presence to support our faith. If God desires us to be saved then He desires us to be healed and prospered as well.*
 - *“And what this love consists in is this: that we live and walk in accordance with and guided by His commandments (**His orders, ordinances, precepts, teaching**). This is the commandment, as you have heard from the beginning, that you continue to walk in love [guided by it and following it].” (2 John 1:6) Maintaining allegiance to Jesus teachings has benefits.*
 - *“That they all may be one, [just] as You, Father, are in Me and I in You, that they also may be one in Us, so that the world may believe and be convinced that You have sent Me.” (John 17:21) Saints are in unity with God, and all miracles reflect the validity of the gospel.*
 - *“The sheep that are My own **hear** and are **listening** to My voice; and I know them, and they **follow** Me.” (John 10:27) Saints qualify them self by listening and following Jesus (teachings and works).*
1. The gospel works because Jesus is at one with each saint, and empowering them, as if He was there in the flesh.
 2. God is omnipresent, and sustains all life. He also desires His manifest presence (on earth as it is in heaven) to support our faith. If God desires us to be saved (which He has stated) then He desires us to be healed and prospered as well, since all three are related (from sozo).
 3. Maintaining allegiance to Jesus teachings has benefits, especially since we determine who we are going to be allegiant to.
 4. Saints are in unity with God, and all miracles reflect the validity of the gospel. All who say ‘Yes Lord’ and enter into Jesus' experiential model enter authentic Christianity.
 5. Saints qualify them self by listening and following Jesus teachings, and the Apostolic amplifications of these and by trying to do the natural and supernatural works Jesus taught.

Remember that all the miracles that are produced only serve to verify that God sent Jesus!

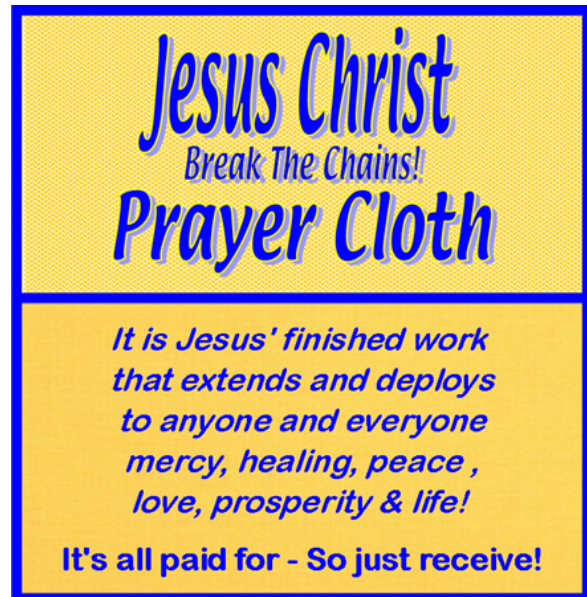

Here are some considerations for understanding authentic Christianity prayer effectiveness. All humanity have been invited to Jesus wedding feast, or to His kingdom. He is the Messiah from heaven, offering anyone truth, enlightenment, and a pathway to kingdom entrance.

- *Many are invited but few select the authentic Christianity model (Matthew 22:14). All humanity is called and invited to enter into Jesus model.*

R.E.S.C.U.E. Emergency Aid Now!

- *Jesus is the Messiah, the doorway to God, the light of the world, and the bread of life. “Jesus said to him, I am the Way and the Truth and the Life; no one comes to the Father except by (through) Me.” (John 14:6 AMPC)*
- *Kingdom entrance is through a narrow gate and few will find it. “Enter through the narrow gate; for wide is the gate and spacious and broad is the way that leads away to destruction, and many are those who are entering through it. But the gate is narrow (contracted by pressure) and the way is straitened and compressed that leads away to life, and few are those who find it. Both refer to choosing a way of life or death]” (Matthew 7:13-14 AMPC)*

Prayer Cloths and the laying on of hands are both parts of the kingdom of God dynamics to be applied as needed. As Holy Spirit manifests His presence, symptoms dissolve and cells will regenerate. The cloths were initiated by the Apostle Paul and are used to build and focus our faith on Jesus' finished works, and Holy Spirit's presence, and Father God's will for all to be saved, healed, and prospered. Prayer Cloths work because they are empowered by God from heaven, and carry Holy Spirit's anointing for immediate application right on the body part, need, or desire that needs attention. These are one of many gifts from God to His creation.

1. The reason why prayer and prayer cloths work is because Jesus prepaid their effectiveness and with unlimited usage.
2. His finished work extends to all humanity His peace, mercy, healing, love, prosperity & eternal life!
3. The Apostle Paul started sending prayer cloths in his ministry in the first century, and they have been an active part of the gifts of Holy Spirit since then. Remember prayer cloths are part of prayer, not a separate entity. **[Link To Prayer Cloth Selection](#)**

FOR IMMEDIATE IMPACT:

Just begin to receive God's manifest presence upon your own body parts and within yourself and your circumstances. ***Trust God!*** Stop trying to figure it out, and focus on receiving!

Why Prayer and Prayer Cloths Sometimes Do Not Work?

Prayer failure can be due to many potholes that are roadblocks to kingdom benefits, that can deny, delay, and defer prayer results. Jesus did report that many symptoms only go out by prayer and fasting, ***inferring this practice to overcome certain symptoms*** (Matthew 17:21).

Unforgiveness, unbelief and disrespect for God do have consequences. So do naysayers, critics and disparaging comments. They can effect the application of God's gifts.

For naysayers ridiculing R.E.S.C.U.E., remember everyone does bend their knee to Jesus in the end. **From where depends on our own free will.** My experience is that all terminally ill (100

%) do discard old lifestyle positions and beliefs and seek Jesus, **unprompted**. So, in the end, their own shifting exposes their lifetime practices as hypocritical. So if your critical of R.E.S.C.U.E. now, you may want to reconsider, since statistically your likely to join your predecessors anyway. The benefit will be earlier kingdom potentials and the consequences are falling from a pothole status to black hole, where your on the wide road that leads to permanent severance from God, with the demonic. Ridicule is just another form of unbelief that does deny, delay, and defer prayer results and block peoples faith to receive God's gifts.

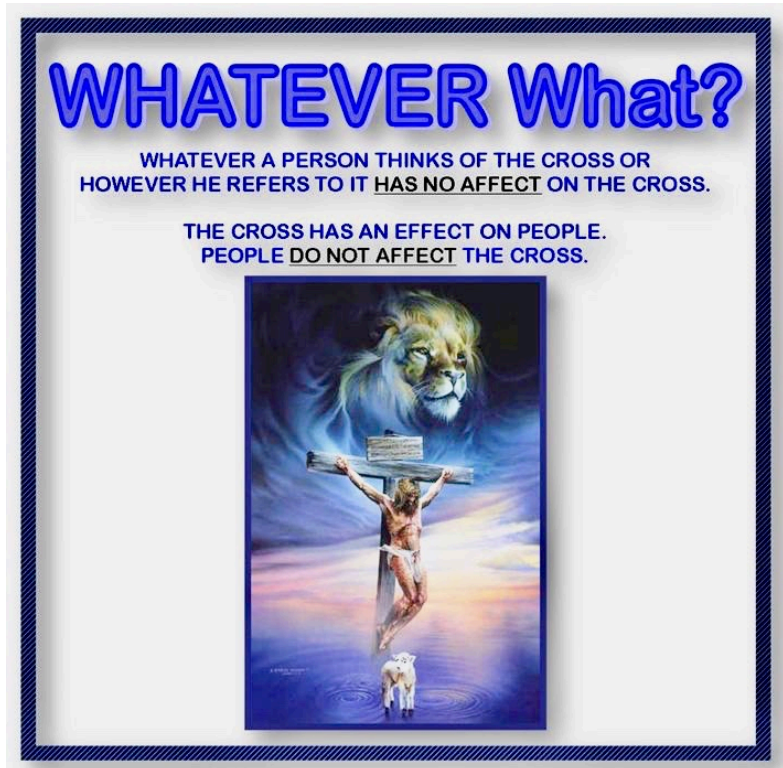

Model Shift

Nobody is disrespecting the authenticity of the gospel message to save wherever it is given. We're addressing the beneficial factors Jesus delivered which have been restricted from many believers. The synthetic form of religion does debase the authentic original form of Christianity, and anytime an original model is diminished it does carry an effect. The further each revision is distanced from the original, the less effective it usually is, *due to replacement of standards, truths, and practices*.

Hence, the closer we stay to Jesus' original model, the more effective we should be. How others practice their faith is their business, and it is usually based on their interests, influences, and motivations, but how we practice our faith is our business and based on our criteria, as well as the revelation and direction we get individually from Holy Spirit. Whatever anyone thinks of the gospel doesn't change it. It only changes their ability to benefit from it. God's authentic gospel effects people. People don't effect it!

Relegation

When we relegate prayer results to the determination of another, we receive their determination, not ours. If we sidestep our personal responsibility to embrace and activate kingdom benefits, consequences usually are in order. Relegating personal responsibility can deny, delay or defer benefits. So instead of resisting prayer, resist the symptom and persevere until breakthrough. It was reported to me that many resist or postpone prayer because of prior failure, so they have no expectations. I understand their hesitancy, however potential success is higher if we engage and activate some level of faith. Today we're overcoming sin through Jesus' successfully concluded

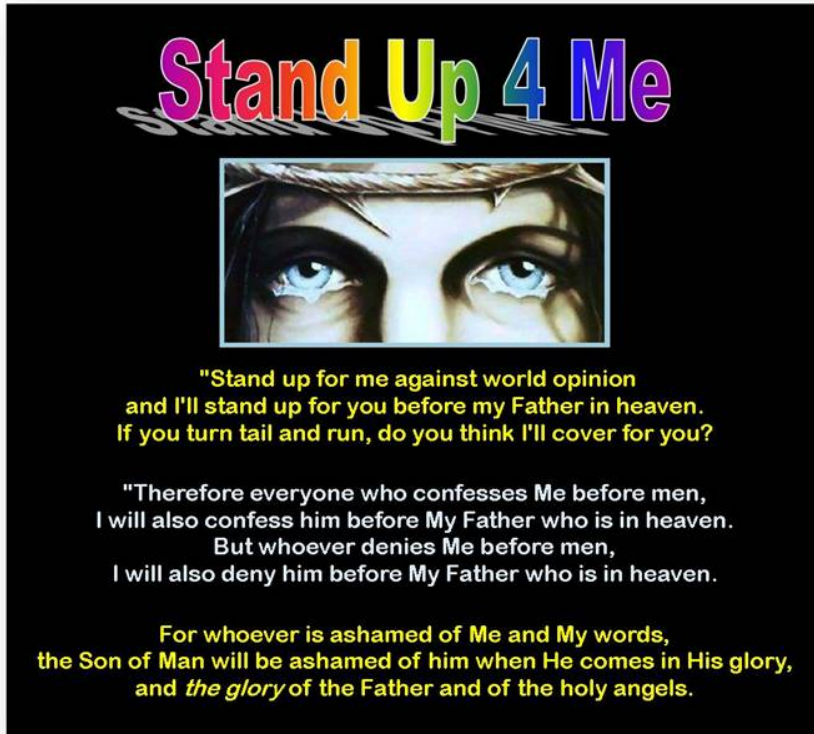

works, and now we've an open doorway to succeed in overcoming sickness too. Never let others define our belief or what level of faith to practice. Become aware, acknowledge, and activate a dialogue with Holy Spirit (prayer) to open up a relationship with God. It's easier than you think!

Doubt

Doubt is a darkness that resists the effectiveness of Jesus' completed work. Doubt can shift a person to unbelief, despair, and hopelessness. Whatever someone declares evil, especially toward Jesus completed works on Calvary, they have no effect on the gospel. ***Jesus' works impacts***

people. People don't impact the cross! Doubt, unbelief, and unforgiveness are not from God, do carry a negative effect, and are known to resist heavenly benefits. Upon the removal of these negatives, favor and many heavenly advantages are opened up. God has already determined His will for humanity is to be healed, saved, and prospered. Jesus has empowered us to use His keys!

Factor Seven – Is There A Secret Key?

There are a few secret keys, six of them are reported here.

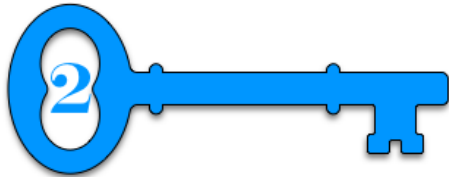

1. Secret Keys to understand spiritual topics?

The secret key is *truthful enlightenment by Jesus*, Who exposes and dispels all darkness to enlighten all truth.

Jesus is the key, so entering into Christianity with Him is the first step toward true enlightenment to understanding spiritual topics. Knowing Jesus and Holy Spirit are the essential keys to succeed.

2. Jesus delivered to earth divine nature heavenly standards!

Jesus brought heavenly standards to earth for humanity to enter into. Jesus, within Himself, has created Christianity, a new form of humanity! Entering into Jesus' original Christianity creates in us a new life, eternal (beginning now and forever), an abundant life (indwelled by Holy Spirit), and begins physical, emotional and intellectual regeneration (overriding all oppression), along with a new spiritual family adoption process. As we wait on Holy

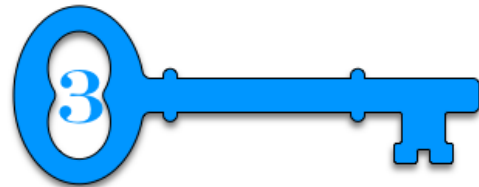

Spirit, and embrace His manifest presence, we can begin to experience His benefits!

3. Why Are Bad Things Still Happening?

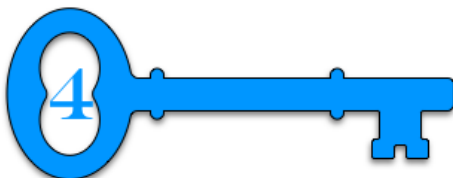

Sin has always been the problem, so God sent Jesus to deal with the sin problem. **JESUS DID JUST THAT!**

So now everyone can access the benefits of Jesus' original Christianity! It is a choice, and not everyone makes it. But nonetheless it's still a personal choice.

Bad things are happening because people are choosing bad temptations that impact themselves and society. These choices are consequential. The more society becomes aware of the wide road of destruction, and the more people that choose to depart from it, the better off society will be.

4. What Good Does Entering In Do?

Entering into Jesus' original Christianity creates in each person:

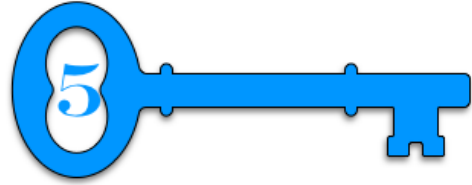

1. a brand new life when we accept it
2. an abundant life that is indwelled by Holy Spirit much like what was generated at Pentecost
3. an overriding and regeneration of all oppression that has victimized the physical, emotional and intellectual

aspects of our lives

4. an adoption process that directly relates us to God and unifies us into a new spiritual family

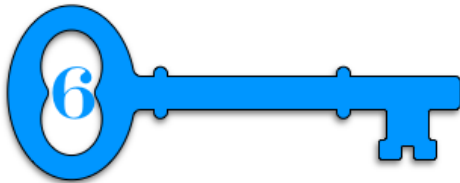

5. Waiting Is Always The Hard Part

As we initiate time to wait on Holy Spirit, and then embrace His presence, we can begin to experience His indwelling and His infilling.

We experience many aspects of His manifest presence just like the early church did at Pentecost! Some experience peace, comfort, pain relief, physical healing, emotional healing, and deliverance from demonic elements that have attached themselves to us. Waiting on God also builds up our spiritual strength. Just like all the demonic must bend a knee to Jesus and Holy Spirit, they all must bend a knee to Saints as well. Remember Holy Spirit is the promised Person of God on earth to indwell each saint, as the temple of God. Holy Spirit is helping each become more like God (but within their own personality)!

6. Three Frequently Asked Questions

There are some real questions regarding why the effect of Christianity seems to be diminished:

1. Did Jesus come to reform humanity?
2. Was Jesus sent to correct, reinstate, or discard the Sanhedrin?
3. Did God send Jesus to completely break all of Satan's power?

The reason these are important is to clarify why Jesus came to earth. By the time Jesus came to earth He knew human reformation was impossible, which is why He replaced humanity with Christianity. He also knew He had to discard the Sanhedrin. Whatever value the clergy system had the leaders ruined it, and beyond repair too. Regarding breaking Satan's power over people on earth;

1. Jesus established a divine nature heavenly standard in original Christianity on earth, overriding all demonic power (His testimonials prove this)
2. Jesus had judged, condemned, and sentenced Satan (much like His evicting all demonic from heaven previously)
3. Jesus came to destroy Satan's works (which He did)
4. Then Jesus reconciled humanity to God directly, and empowered all of His disciples to help Him reconcile humanity to God and replicate His works (overcome, overrule, override)

These are authentic Christian values, not necessarily synthetic revised church values. Many are called but **few** have selected (Matthew 22:14), and the road is narrow but unfortunately **few** will find it (Matthew 7:14).

Please never forget that *ALL POWER IS IN JESUS AND HIS NAME*, and all humans (which includes you) are authorized to use Jesus' name in binding demonic symptoms and temptations. All humans were made in God's image and Jesus has already connected you to God. Go for it!

Factor Eight – The Manifest Presence

Manifest is defined as easily noticed or perceived; obvious; plain. Manifest is to show plainly; reveal or display: to prove beyond doubt. So when Jesus appeared after His resurrection, He manifested himself so the disciples could believe, beyond a doubt (Acts 10:40, John 21:14). There is an omnipresence and a manifest presence of God. Omnipresence is life itself, that God has derived and is sustaining but manifest presence established heavenly standards in plain sight, like a miracle healing, enlightenment, inspiration, etc.. *So why is this important? Why would I be interested if I can never access these features? What's the point?*

We can access these features and much more, if we're interested in pursuing Jesus' authentic model where Holy Spirit baptizes saints with tongues of fire. Three questions to ponder:

1. Do saints have the capability to access Holy Spirit's manifest presence to exert heavenly standards, and to change the atmosphere?
2. Does praying in tongues induce Holy Spirit's manifest presence?
3. Will persevering in praying in tongues exert the enforcement of enlightenment and empowerment?

The answer to all three are yes. Whenever we exert the gift of tongues, temptations must flee, and the spiritual atmosphere shifts to peace, comfort, and generally an illuminating model. Salvation induces the indwelling of Holy Spirit where the saint and God are completed, made whole, and made like God.

Once we recognize that all saints do have the capability to access Holy Spirit's manifest presence, establishing heavenly standards, then things begin to change. But if we're unaware or resistant to this truth, — then these promises will not apply (and unfortunately won't come to pass). — Whatever we believe and place our faith does actually carry an overriding impact.

Praying in a prayer language, will exert significant influence, and persevering in prayer, even in quiet meditation or our native language, can exert a maximum penetration, and a breakthrough. *Why?* - Because God is absolute, and the closer we get to Him, the more effective He is. Jesus told us that we can have what we say. Peter reports that, as we practice the 7 pillars of the divine nature, our capacity increases. Now, just imagine how we can exert the enforcement of heavenly standards, (*on earth as it is in heaven*), and the effects this could have on our self, and wherever we direct it.

So, if the manifest presence of God is available to anyone who will activate it, with all its benefits, why don't more take advantage of it?

Reason #1 is their unaware of the manifest presence potential.

Reason #2 is their too inundated with other agendas and peer pressure.

When we freely choose to practice, *like Jesus did*, in getting away alone with God, *privately*, Holy Spirit can then *impact* us with specific teachings and understandings that *God has for us!*
