- Crafts must be original creations crafted by the vendor and are subject to market management approval based on the type and quality of the product.
- Mass-produced items or franchised items such as Avon, Mary Kay, Paparazzi, Pampered Chef, Tupperware, etc., **are not eligible vendor products.**

In addition to maintaining the appropriate vendor mix, vendor selection is based on quality of product, date of application, and previous experience with the vendor. An application received is not a guarantee of a booth space.

To maintain a vibrant, appealing, and produce-focused market, and in accordance with Georgia Grown guidelines, the following vendor mix will be used as a general guide for selecting participants:

- Produce, farm/agricultural products: 40% minimum (no cap)
 - Horticulture: 10% (up to 20%)
 - Baked Goods:/ Specialty Foods: 20% (up to 30% if varied product)
 - Arts & Crafts: 20% (preference for crafts complimentary to farm products: candles, soaps, garden/ yard items).
 - Prepared Foods: 10% (vendors are selected based on product variety).
 - Downtown Merchants: No limit. (Weekly participation based on space availability).
- Applicants not selected as seasonal vendors may be placed on a waiting list for weekly vendor openings or full-time spots as vacancies in the category occur.

ATTENDANCE:

To maintain a full and active Market, all Market vendors are required to notify the HDDA office of any absences by **noon the day before market**. Advance notification of vendor absence before the day of the market is appreciated to allow weekly vendors' timely notification. Vendors should limit absences to three (3) per season. Excessive absences may result in loss of assigned space for the remainder of the season and will render a vendor ineligible to receive any discounts or bonus market events.

The market will be canceled if lightning is observed. We will monitor the weather conditions, and we care about the safety of our vendors, guests, and staff. The Market staff reserves the right to cancel the Market and will try to do so in advance. HDDA staff will send a mass email and post on the Market Facebook page to notify vendors of Market cancellations. HDDA staff will send all communication electronically to the e-mail listed on the vendor application form.

CLEAN-UP AND TRASH REMOVAL:

Vendors are responsible for collecting and removing their own trash. Roll carts and recycling bins are available for vendor use. Booth space must be cleaned at the end of each Market. Food vendors must place a mat or tarp under any areas where food is cooked to protect the ground surfaces. Please do not use trashcans assigned to downtown businesses.
