

Witness: Brian Benito

Date Filed: December 22, 2025

Question:

EFSB-T-3 Refer to MS-1 at 30. Discuss potential remote locations for parking areas and/or contractor staging/laydown areas during Project construction. Provide potential localities if the Company cannot provide exact locations at the moment.

Response:

The need for offsite staging space has not yet been identified. In terms of securing space, the Company will work with the Town's administration.
