

Fiddle-off Fiddle Contestants

PLEASE READ

If a clear winner cannot be decided and if the total score of the two highest fiddle contestants in their representative age groups are closer than 2% of the combined scores of the three judges, then the two contestants will perform a fiddle-off under the following guide-lines.

1. A tune used in the competition may not be used in the Fiddle Off.
2. Both contestants will be on stage at the same time, one sitting to the side while the other is performing their tune. This is not to allow the other player unfair time to prepare.
3. First contestant will be decided by a coin toss.
4. Contestants will be judged under the normal criteria of the contest.
