Dear Rob

Thank you for your email of the 15th May. As you are aware the Extension of Time for our application we agreed with the council on the 24th April expires tomorrow (29th May 2026).

We have a meeting arranged with our community this Sunday, 31st May and we want to announce when our application is going to be considered. We expect our application will go before the next available committee. Please can you confirm our application will be determined at the June committee meeting?

We are aware there is a renotification for Application Ref: 142223/FO/2025. Have the statutory consultees (The Greater Manchester Ecology Unit, The Environment Agency and United Utilities) withdrawn their objections to this application?

We look forward to hearing from you.

Kind regards,

Tom Butler
