SERVING OTHERS

by Pastor Josh Martyn

“Then they came to Capernaum; and when he was in the house he asked them, “What were you arguing about on the way?” But they were silent, for on the way they had argued with one another who was the greatest. He sat down, called the twelve, and said to them, “Whoever wants to be first must be last of all and servant of all.” Then he took a little child and put it among them; and taking it in his arms, he said to them, “Whoever welcomes one such child in my name welcomes me, and whoever welcomes me welcomes not me but the one who sent me.” (Mark 9:33-37, NRSV)

Doesn't life sometimes feel like a treadmill? Where you are constantly running, seeking to attain something in life and it's always just beyond your grasp? It is so easy to find oneself trapped on the treadmill of life. Especially when you fall victim to constantly comparing what you have or what you look like to others around you. Many individuals seek to have the perfect body, perfect house or newest possessions. Others strive for wealth, fame, and the endless pursuit of greatness and success. Very few may attain their goal, while many others run on their treadmills of life, striving to attain what everyone else seems to have.

Yet, in the midst of the chaos of always trying to measure up to others, our text reminds us that we are already great, we are already perfect. No matter who you are. No matter what you have done. No matter what you have or don't have, how much is in your bank account or what you look like. You are of high value in the eyes of God. Through Jesus' death and resurrection God no longer sees a sinful broken person. God sees a beautiful child who is worth more than you could ever imagine. Even though we may be hard on ourselves and judge ourselves as imperfect. God, through the cross, sees a beautiful perfect child and claims us all as a God's children through the waters of baptism.

continued on next page

"HAVE YOU EVER ASKED YOURSELF THAT QUESTION? DO YOU SERVE OTHERS BECAUSE YOU FEEL THAT YOU HAVE TO OR THAT IT MAKES YOU FEEL GOOD? OR ARE YOU SERVING OTHERS TO LIFT THEM UP?"

And just as we have been cleansed and forgiven, we are challenged in our text to measure greatness with humility, servanthood and gentleness. And this is a tough thing to do. Humility is a tough trait to acquire because it forces you to place yourself last others first. Now I know some of you may be thinking that it's pretty simple to serve others, but take a minute and think about it. Many of us truly do go out of our way to welcome and serve others. However, to me that's the easy part. The question that really gets to the center of our hearts is why do we serve others? Have you ever asked yourself that question? Do you serve others because you feel that you have to or that it makes you feel good? Or are you serving others to lift them up? Over the years when helping to serve at community meals I have heard many volunteers say that they love serving the homeless because it helps them, the volunteer, remember that their lives are not that bad. Or they say they do it because it makes the volunteer feel good about themselves. Is that humility and servanthood? No.

As Jesus shows us in Mark's gospel, humility and servanthood is the ability to think less of oneself and more about the other. It's the ability to go out and give all of yourself to those in the community and to see the cross of Christ in their eyes. Poor or rich. Young and old. You will recognize greatness when you look for it in the humble acts of love shown every day by people who are not interested in self-promotion, but promoting the love of God found in Jesus Christ.

Peace in Christ,
Pastor Josh

WARTBURG SEMINARY**

Grace and Peace to you from God our Father and our Lord Jesus Christ,

We pray that this note finds you and yours healthy and safe in this time! It has been a long time since we have seen each other face to face in worship, and it has been difficult for us to be apart from one another. We give thanks to God that on **Saturday, October 10th, 2020 at 4:00P.M. we will gather in the name of Christ for a Parking Lot Worship Service at Wartburg Theological Seminary. Please arrive 20 minutes early.** We are preparing a special service that will bring us the joy of seeing one another again, even if at a distance and through a car window!

In this service we will celebrate Holy Communion and get to experience God's grace in this way for which we have missed these many long months. To top this off, we get to rejoice with our most recent class of First Communion students and partake with them in the Lord's Supper on this special occasion. This will be a special Holy Communion service with music, prayer, and the gathering around God's Word to bring us healing and wholeness through Christ our Lord in the unity of the Holy Spirit gifted to us all.

Parking spots and outdoor seating are limited and **require a reservation.** To reserve your space, go to

Once you arrive at Wartburg's Parking lot:

- An attendant will greet you and direct you to your parking space.
- Once parked, an attendant will distribute a bag with prepackaged communion elements and a bulletin.
- The service will be broadcast through your cars FM radio. Attendants will be available to help if needed.

There will also be a few specified outdoor seating spots. **For those who have selected outdoor seating, please park on Wartburg Place where an attendant will greet you. Please bring your own seating.**

The Worship Team and staff are working hard to plan all this and for that we give them thanks! We pray that you are patient and respect the health and safety measures that will be put into place to protect the health of us all. All who attend are asked to follow CDC guidelines and practice social distancing and masking if you are outside of your cars at any point.

We look forward to seeing you at this service and have missed you so much! It is our hope that this occasion will provide for us all a renewed sense of community in Christ, and that you may experience the love of God through the faces of those who you see. Please be sure to join us the following morning for our regular online worship service at 9:00A.M. God's peace be with you and yours dear siblings, and know you are in our hearts and prayers always!

In Christ,

NEWS FROM THE CHURCH COUNCIL

Dear Friends,

At our September council meeting, a lot of things took shape:

Good news/bad news - We discussed the COVID numbers and again decided that we really needed to stay closed for now. But, I do feel what goes hand-in-hand with that is the fact that installation of the sound/video system will take place the last week in September. There is a learning curve associated with this and possible tweaks to the system. We are hoping to have further discussion at our next meeting to again hear about some small worship opportunities that can be streamed and again to discuss when reopening can take place.

In the meantime I was happy to hear that the Worship Team is planning a parking lot service! Thanks Team Worship! I am also happy to hear that Food Distributions continue to take place – way to go, Team Outreach! In other news, our office staff are reviewing Church Windows vs. Quickbooks. This is a huge undertaking and I am thankful for Lorice, Cathy and Lisa in helping find what is best for ease of use and staff efficiency. Also, council approved amendments to HTLC's current Constitution in conjunction with the 2019 Churchwide Assembly. A separate informational sheet will be sent to you regarding these changes and will then be voted on at our January annual meeting.

Thanks be to God for our amazing Pastors at Holy Trinity Lutheran Church – they really work well together and balance each other out!

I can't wait to be back worshipping together!
- Sue Tigges, President of Council

AL PLINE, OUR CUTODIAN TO RETIRE

ALL CREATION SINGS

The Hein-Fry Book of Faith Challenge (HFBFC) seeks to enliven the biblical engagement of the whole church by encouraging the development of faithful, innovative and effective ways of teaching and learning Scripture. Each year, one student from each ELCA-affiliated seminary is invited to create an innovative class, encounter or series for people steeped in biblical texts, as well as those unfamiliar with them, and then report their learnings. The 2020 HFBFC centers on the theme "The Bible — Word Not Weapon." You are invited to join the conversation in this year's [four online events](#).

STEWARDSHIP

"Keep your lives free from the love of money, and be content with what you have; for he has said, "I will never leave you or forsake you." - Hebrews 13:5

Fall is upon us, how on earth is that possible? It just seems like a few weeks ago that we ended in person worship and prepared for some time staying safe at home. Boy, have things changed! Throughout all of the hurdles we've faced, the leaders and members have learned so much and continued many valuable ministries in new ways. It has felt strange to worship online but I'm so grateful this is possible. Although I often participate alone, it does offer some sense of togetherness. I'm sure many of you have felt that way while viewing online services, attending Bible studies through zoom meetings or connecting with others by phone. All these changes may seem strange to us, but as the verse above reminds us, we are not alone. God is with us always, we are never alone and contentment is possible, during a pandemic or as we navigate other challenging circumstances.

Despite the many bumps in the road faced by all of us, the generosity of our members continues. Whether you've given by check or online, your gifts allow the ministries to continue to serve those needing support. It's certain the needs will continue into next year, even after we can return to worship in the sanctuary and gather for fellowship.

Since we're not ready to safely gather yet, we are providing a virtual fall stewardship program this year. Please look for the **"You Are Not Alone"** Stewardship Program messages throughout October in the weekly Bridge email, social media posts and during our online worship service. A few dedicated members making ministries happen in new ways and some of the recipients will share some powerful stories of lives changed through your generosity. The program will conclude with a letter summarizing these messages and an opportunity for you to respond. Please prayerfully consider how God's calling you to share your gifts with this congregation in the coming year.

Thanks, as always, for your willingness to be faithful stewards of all God's provided. We're all in this together, although often apart, but the ministries at HTLC couldn't continue without your support!

OCTOBER'S SPECIAL APPEAL: PIN (PEOPLE IN NEED)

By Pastor Derek on behalf of the Stewardship Team

Our special appeal this month will be given towards the vitally important ministry of PIN (People In Need). PIN is a ministry that came to be through the partnership of many communities of faith who are a part of DACU (Dubuque Area Congregations United), a group which we are a member congregation of. PIN was "founded on the belief that the spiritual health of a whole community and of its individual members depends on care for one another. PIN accepts financial contributions from groups and individuals, and it assists those temporarily in need by offering limited help in exceptional circumstances through direct payments to clients' creditors - for rent, utilities, medical care, and other basic needs."

One thing that is important to know is that PIN is an organization run totally by volunteers and all of what you give to them goes towards their mission. All overhead costs are provided for or funded by the Board of Directors of this organization and other devoted partners. This enables them to live by their motto: "A dollar to PIN is a dollar to people in need." We ask that in this time, if you are able, you consider giving a financial gift towards this special appeal for the PIN. Send in your gifts to the office and mark them for the October Special Appeal/PIN or go online to <https://htlcdbq.com/give> to find ways to give online. Please contact the church office with any questions about how to give to this appeal.

During this health pandemic, there are so many people who need the love and support of fine organizations such as the People In Need (PIN). With the additional economic burdens being experienced during this crisis, there is no shortage of need in covering the costs of food, housing, clothing, and all the other essential services. We give you thanks for considering supporting their amazing work. If you want more information about or know someone who could benefit from this ministry, please do not hesitate to reach out to Pastor Josh or Derek.
