There will be a run-thru on Wednesday, April 9th from 5:30-6:00 pm

We will then do a brief walkthrough for older kids before the service at 9:00 am on Palm Sunday, April 13th

2nd Grade and younger meet in the nursery at 9:45 on Palm Sunday, April 13th, they do not need to come earlier.

Quilting Update!

The HTLC quilters thank you for your support!

All the quilt top kits and book bag kits we made have been completed! We have used all our fabric and now WE NEED SHEETS! They can be old or new, any size, flat or fitted, stained, worn, any color, white or print. We can find a use for anything you donate. The quilters are back on their regular schedule 9-11 am on the first and third Tuesdays of each month. We encourage anyone to join us, no sewing skills required. Especially now that our government is cutting back on aid here and around the world, the work of the church is all the more important. Lutheran World Relief does not depend on government funds and you can be sure that our quilts and kits are on their way to help people in need. Thank you HTLC!

THE KITS WILL BE ASSEMBLED BY YOUTH IN THE MONTH OF MAY AND THEN DELIVERED TO THE LWR WAREHOUSE IN MINNEAPOLIS FOR DISTRIBUTION AROUND THE WORLD! THANK YOU FOR SUPPORTING THIS IMPORTANT WORLD-WIDE MINISTRY!

Planning a Road Trip to Minneapolis?

Did you ever wonder where the quilts and kits go when they leave Holy Trinity? Well, they first go to the Lutheran World Relief warehouse in South St. Paul, Minnesota and from there are shipped to over 15 countries (including the USA).

For the past few years, Barb and Dan Rank have been taking quilts and kits to the warehouse when visiting family in Minneapolis. By personally delivering the goods we not only speed-up delivery to the people who really need them, but we also save precious storage space at HTLC. In the past, we have used the annual October LWR in-gathering for quilts and kits in Platteville, WI and that remains an option.

If you are interested in learning more about this and seeing the warehouse yourself (it's pretty impressive) we would be happy to answer your questions and we would love your help!

You can call Dan at 312-371-2799 or Barb at 312-304-4037 for more information.

We'd love to have you on our team!
