ALL SAINTS SUNDAY

On Sunday, November 6th we celebrate All Saints Day.

We are reminded that we are God's children made holy by the gift of Jesus Christ. We do not call ourselves saints by our own deeds but in the grace of Jesus Christ we are made holy.

On this day we invite you to give thanks with us for those who have gone before us and those who have been baptized.

At both services we will remember those who have died or have been baptized in the last year. We will also invite you to remember in Thanksgiving others that have gone before us by placing their name on a cross and wearing it during worship.

WE CELEBRATE BAPTISMS

We share in celebrating the baptisms of Joanna Duba and George Parker. Joanna and George were baptized on October 9th in the Bee Branch, our church's watershed. One early Christian teaching about baptism known as the Didache recommends that we baptize in "living" water – cold and flowing, like a river or a stream. Baptizing in living water connects us with the waters of creation, our upstream and downstream neighbors, and God's saving "flood of grace" (Luther). Thanks be to God!

SPOTLIGHT ON QUILT, KIT, AND PRAYER SHAWL MINISTRIES!

Did you know?

Since April, Lutheran World Relief has been distributing quilts and kits at six centers for displaced Ukrainians, sheltering families fleeing bombs, violence and uncertainty. In addition, they are subsidizing the cost of emergency housing for more than 15,000 people. Most arrive with only the clothing on their backs, so providing these families with food

and essential supplies like folding beds, pillows, heaters, laundry detergent and personal hygiene items is of the utmost importance. Your quilts and kits are a ministry of love to families in Ukraine.

In February, 161 students at Isede Primary School in Tanzania received LWR School Kits . Not only did the kits provide pencils and notebooks they need to continue their education, but student attendance also improved significantly because they had the supplies they needed. By U.S. standards, the value of a school kit is around \$20, but the value of a school kit is priceless for these children, thanks to your love.

We are collecting items for Personal Care kits in the month of October. Lutheran World Relief provides us a wonderful opportunity to reach out to our neighbors around the world. Thank you for your donations and participation!

PRAYER SHAWLS

A dedicated group knit and crochet prayer shawls to give as a sign of comfort and a reminder of God's love during hard times.

These shawls are available in the cabinet in the sanctuary. Please take one to someone who might need a reminder of God's faithful presence during hard times.

ALTAR GUILD – CAN YOU HELP?

What is Altar Guild? – in simple terms, the Altar Guild prepares the place for the Eucharistic celebration. We are following Christ's directive (Luke 22: 7-13) to go ahead to find a place to prepare the Passover meal. We check candle oil, linens, prepare the cups of wine and plates of bread, and put out the proper paraments for the Church Season and of course, do laundry as needed. It's not difficult to perform these tasks.

We have 6 very faithful volunteers and one more just joined. We could use 5 more people to assist us. That would mean we'd only have to volunteer for one month a year! That's only 4-5 Sundays, depending on the month! We try to schedule members with months they will be available (avoid vacations) and we all act as backup when that sudden change of plans occurs. Please consider becoming a member. The 2023 Altar Guild schedule is now being completed. If you'd like more information regarding Altar Guild and specific duties, please feel free to contact Diane Kalmes at 920-344-6148.

THRIVENT MEMBERS

Have you applied to do a community project this year?

Thrivent members get 1-2 \$250 community action project grants per year depending on the type of financial services. These are a great way to make an impact and the process is simple! Projects such as hunger outreach and LWR kids are great options.

Contact the church office if you'd like to learn more!

We would be happy to help with ideas!

LUTHERAN WORLD RELIEF NEWS

Thank you! With your donations and help from Thrivent, we collected enough school supplies in the month of August to complete eighty school kits! HTLC youth will be assembling the kits as a service project on November 16 to be sent around the World to help refugees!

In October we will be collecting the following items for Personal Care Kits:

Light-weight bath-size towels, bath-size bars of soap, individual adult-size toothbrushes in original packaging, sturdy combs, and metal nail clippers.

There is a box in the hallway for your donations. Thank you for taking part in this important opportunity to help others and share God's love beyond our community.

If you have questions or need further information, please contact Barb Rank at 312-304-4037 or email: barbmartinrank@gmail.com

LITTLE PANTRIES

“Take what you need, Give what you can”

SMALL GIFTS, BIG IMPACT!

Want to support hunger but don't have time to shop? Consider giving a one-time or regular gift to the Hunger Outreach Fund. We have dedicated volunteers who are more than happy to shop and fill shelves! This is a great way to make a big impact even with a small contribution! Together we make a difference for those who visit our shelves!

Place any amount in the little green envelopes marked “Hunger Outreach”

or

Designate in-person gifts to Hunger Outreach or give online at htlcdbq.com/give under the “gift now” button select “Little Pantries”

Important Note: Please place all food items on the shelves inside the entryway. This help keeps food fresh and safe. Thank you!

Old Mother Hubbard
Went to the Cupboard,
To give the poor Dog a bone;
Went to the Cupboard,
To give the poor Dog a bone;
When she came there,
The Cupboard was bare
And so the poor Dog had none.
When she came there,
The Cupboard was bare,
And so the poor Dog had none.

This English nursery rhyme is sweet, but hunger is not. Unfortunately, our Little Food Pantries are very popular, and we are having a hard time keeping them full! Please consider helping us stock them. I have become addicted to stocking these shelves. Every time I am at the grocery store I find great deals and buy for the pantries. Ready-made meals, canned meats, combinations of pasta and meat sauce, fruits and vegetables, protein bars, and hygiene products are just a few examples of what we want to fill our shelves.

Thank you for supporting our Mission!

HTLC PRAYER CIRCLE

We have a group of faithful people who pray for our community.
Can we pray for you? Submit your prayers online or call the church office at 563-582-3228

Hello HTLC Family! As we approach the end of the year, I'm excited to hopefully reinvigorate the spirit of stewardship. When most people hear the word stewardship, they automatically think of money. However, the dictionary states that it's the job of conducting, supervising or managing something; especially the careful and responsible management of something entrusted to one's care. In my opinion, it's learning how to manage the life that God has given to us and realizing that we are managers versus owners. What a liberating thought knowing that everything we have is given to us by God so we can be stewards of what has been entrusted to us! This mindset helps us get out of the rat race, the never ending accumulation battle. It shifts us to how we can use what we have been given (time, talent, resources) to build God's Kingdom. I truly believe that the secret to living is giving. Below you will find an opportunity to not only make your annual pledge but also get involved with our church. Thank you all for your time and support of our church!

-Cris Houlihan, Stewardship

OCTOBER SPECIAL APPEAL

People In Need [PIN]

PIN is a program developed by Dubuque Area Congregations United [DACU]. Holy Trinity is a member of this organization. Their office space is donated and overhead is paid by volunteers. The program is administered completely by volunteers. As a result all gifts are used completely to aid clients.

Assistance is given to individuals or families facing difficulties and have nowhere else to get help. Assistance is given by direct payments to creditors for rent, utilities, medical or other basic needs. This program helps people in a similar way that our pastor's emergency aid fund does, but on a broader scale helping people throughout the city.

More information is available at cgim.org/dacuonline using the PIN tab. Gifts may be sent to P. O. Box 811, Dubuque, IA 52004-0811. Gifts to PIN are a great way to help the needy in our community get back on their feet.
