ALL SAINTS SUNDAY

On Sunday, November 6th we celebrate All Saints Day.

We are reminded that we are God's children made holy by the gift of Jesus Christ. We do not call ourselves saints by our own deeds but in the grace of Jesus Christ we are made holy.

On this day we invite you to give thanks with us for those who have gone before us and those who have been baptized.

At both services we will remember those who have died or have been baptized in the last year. We will also invite you to remember in Thanksgiving others who have gone before us by placing their name on a cross and wearing it during worship.

A NOTE FROM BISHOP JONES

Dear Friends,

My staff and I continue to hold you in prayer during this transitional time for Holy Trinity. We are aware of the concerns the congregation carries in such times and the additional burdens picked up by the staff and leadership. I pray that you are comforted and strengthened by the continued presence of Christ in your midst, and that we can shorten the time you are without regular pastoral leadership. We continue to reach out to other synods, and pastors seeking someone to serve as an interim pastor. I will personally be working with the Call Committee in the call process, meeting with them in November to get them started in discerning who God is calling (and already at work preparing) to serve as your pastor.

I am grateful for the work being done by the President and Council leadership, and for the pastors who have stepped up to lead worship and provide pastoral services in these months. Continue in the good work you are doing to be the Body of Christ in the world. I am honored to walk with you in this time.

Rev. Kevin Jones, Bishop
Northeastern Iowa Synod, ELCA

ALTAR GUILD – CAN YOU HELP?

What is Altar Guild? – in simple terms, the Altar Guild prepares the place for the Eucharistic celebration. We are following Christ's directive (Luke 22: 7-13) to go ahead to find a place to prepare the Passover meal. We check candle oil, linens, prepare the cups of wine and plates of bread, and put out the proper paraments for the Church Season and of course, do laundry as needed. It's not difficult to perform these tasks.

We have 6 very faithful volunteers and one more just joined. We could use 5 more people to assist us. That would mean we'd only have to volunteer for one month a year! That's only 4-5 Sundays, depending on the month! We try to schedule members with months they will be available (avoid vacations) and we all act as backup when that sudden change of plans occurs. Please consider becoming a member. The 2023 Altar Guild schedule is now being completed. If you'd like more information regarding Altar Guild and specific duties, please feel free to contact Diane Kalmes at 920-344-6148.

Light-weight bath-size towels, bath-size bars of soap, individual adult-size toothbrushes in original packaging, sturdy combs, and metal nail clippers.

There is a box in the hallway for your donations. Thank you for taking part in this important opportunity to help others and share God's love beyond our community.

LITTLE PANTRIES

Unfortunately, our Little Food Pantries are very popular, and we are having a hard time keeping them full! Please consider helping us stock them. I have become addicted to stocking these shelves. Every time I am at the grocery store I find great deals and buy for the pantries. Ready-made meals, canned meats, combinations of pasta and meat sauce, fruits and vegetables, protein bars, and hygiene products are just a few examples of what we want to fill our shelves.

Important Note: Please place all food items on the shelves inside the entryway. This help keeps food fresh and safe. Thank you!

Thank you for supporting our Mission!

HTLC PRAYER CIRCLE

We have a group of faithful people who pray for our community.
Can we pray for you? Submit your prayers online or call the church office at 563-582-3228

Hello HTLC Family! As we approach the end of the year, I'm excited to hopefully reinvigorate the spirit of stewardship. When most people hear the word stewardship, they automatically think of money. However, the dictionary states that it's the job of conducting, supervising or managing something; especially the careful and responsible management of something entrusted to one's care. In my opinion, it's learning how to manage the life that God has given to us and realizing that we are managers versus owners. What a liberating thought knowing that everything we have is given to us by God so we can be stewards of what has been entrusted to us! This mindset helps us get out of the rat race, the never ending accumulation battle. It shifts us to how we can use what we have been given (time, talent, resources) to build God's Kingdom. I truly believe that the secret to living is giving. Below you will find an opportunity to not only make your annual pledge but also get involved with our church. Thank you all for your time and support of our church!

PRESENTATION LANTERN CENTER-NOVEMBER SPECIAL APPEAL

This November the stewardship committee is inviting our members to support one of the newer non-profit organizations in our community.

Who We Serve:

Since opening in 2002, The Presentation Lantern Center has welcomed over 1,000 adult immigrants from 69 countries. The Center welcomes all who would like to learn English or improve their current English language skills in the areas of: reading, writing, speaking or listening. Research shows that conversational English and befriending a native speaker of a language is one of the most effective ways to teach or learn a new language. It's also more fun! This is where we excel and what sets us apart from other places in the tri-state area where adults can go to learn English. We also welcome any eligible adult (i.e., legal permanent resident) to prepare for their interview and study for their citizenship test with us. Our students, staff and volunteers work hard and have fun together as partners in the learning process for weeks, months and sometimes even years – often becoming life-long friends. Thorough relationship-building and hard work, we are proud that the more than 105 students who have studied for their citizenship test with us thus far have ALL passed their tests.

I would encourage you to visit their web site, TheLanternCenter.org to learn more about the organization and what they do. There are many volunteer opportunities to help them carry out their mission. Please consider a financial gift either on their web site or by direct mail to Suite LL5-1, 900 Jackson St., Dubuque, IA 52001.
