## ADVENT & CHRISTMAS

by Pastor Josh Martyn

*“In that region there were shepherds living in the fields, keeping watch over their flock by night. 9Then an angel of the Lord stood before them, and the glory of the Lord shone around them, and they were terrified. 10But the angel said to them, “Do not be afraid; for see—I am bringing you good news of great joy for all the people: 11to you is born this day in the city of David a Savior, who is the Messiah, the Lord.” - (Luke 2:9-11, NRSV)*

Grace and peace to you from God our Father and our Lord Jesus Christ, I cannot believe we are entering into the season of Advent, and Christmas is upon us. It feels as if Easter was yesterday and now we are entering into the season of anticipation and preparation of Christ’s coming into this world. Although my anxiety rises a little knowing how much needs to get done before Christmas Day, I truly love this time of the year. Decorating the inside and outside of the house with beautiful lights, garland, poinsettias, Christmas trees, and all the holiday traditional decorations that come out only once a year. I truly love this time of the year as all the decorations and lights announce the coming of Christ into this world to bring us Hope, Peace, Love, and Joy. It truly is a remarkable time of the year.

*continued on next page*

However, this holiday season is going to be different than in previous years. With COVID still wreaking chaos and heartache in our community and world, we still have to take precautions to protect each other and those in our community. Instead of gathering in person to sing Marty Haugen's "Holden Evening Prayer," we will gather online and sing in our homes as the service is live-streamed on Wednesday's at 7:00 P.M. Instead of the tradition of gathering our families together and frantically trying to get everyone to church on time for the Christmas Eve service, this year our Christmas Eve worship service will only be live-streamed at 7:00 P.M. Although our worship services will be the same traditional candlelight service, this year will be different as we safely gather in our homes for worship. Yet, although I am beyond disappointed with the need to cancel in-person worship, as I am sure many of you are, I lean on the meaning of this season even more in times such as these. During Advent, we prepare for and anticipate the coming of Christ. We remember the longing of Jews for a Messiah and our longing for and need for, forgiveness, salvation, and a new beginning. Advent is a journey to the manger and on Christmas Day we all will look upon the infant child who is named Emmanuel, God with us.

This is the power of this season. Knowing that God has come to us in Jesus...and was born. As simple as this may sound, this is the ultimate act of becoming human. God did not beam down (you can tell I have been watching Star Trek) to Earth but was born. Taking on human flesh God became human in Jesus and therefore became a part of humanity. God became a part of the very system that rejected God. Why? Because God loves God's creation. God loves creation so much that God entered into that very creation in Jesus and lived, suffered, died, and rose from the grave for all of humanity which includes you and me. The infant we journey towards this and every Advent season is Emmanuel. God with us.

Although we may be distant from each other during this season, we all will still gather online in the name of the Father, Son, and Holy Spirit and gather as one in the body of Christ. It will not be the same as in previous years, but we will still gather to worship Emmanuel, God with us. We hope you will join us and all the details on how to log in to the service can be found on our website at [htlcdbq.com](http://htlcdbq.com).

May the peace of Emmanuel be with you,  
Pastor Josh

# WORSHIP

## WE ARE LIVESTREAMING WORSHIP!

Ever since we suspended in-person worship due to COVID, we have prerecorded our worship services. The pastors and staff spent hours recording worship, editing, and more to make worship available online. Thanks to those who donated to our new sound system, they are now able to go live!

What does this mean? Not only will this free up many hours but looking to the future, when we return to in-person worship, we will still be able to Livestream our service making it available to those unable to attend and to our friends and neighbors all over the world!

**We begin Livestreaming on Wednesday, December 2nd  
for our Midweek Advent Worship Service at 7:00 P.M.**

Here is how you can access live worship:

[Go to the "Worship" page of our website.](#)

[Go to our YouTube channel](#)

[Watch on our Facebook Page](#)

*The bulletin for the worship service will be available on our worship page.*

If you can't watch "live" you will be able to access the video at any time at YouTube. If you subscribe to our YouTube Channel, and turn on your notifications, you will be notified whenever we post something new.

We will be ordering 15 poinsettias to decorate the altar for Christmas. If you are interested in sponsoring a poinsettia, [click here to sign up](#) or call the church office at 563-582-3228.

The cost of each poinsettia is \$10.00.

Please make your payment online at our website at <https://htlcdbq.com/give>.

Go to Give+Online and under "select fund" choose Altar Flowers.

OR

Payment must be received by December 21st.

The poinsettias will be available to pick up after January 1st.

## A WORD FROM OUR COUNCIL PRESIDENT

Hello friends!

It has been a very busy year, busier than I would have imagined! I want to remind everyone that if you have not already done so, please complete your pledge cards. The easiest way to do this is to go to our webpage, [www.htlcdbq.com](http://www.htlcdbq.com); on the front page there is a secure link called "Pledge", complete it and you're finished.

Otherwise, you can either mail in or drop off your pledge card.

HTLC depends on your financial contributions to do its work and ministry.

Making a pledge enables our Council and Finance Committee to better plan how to use our resources; the amounts pledged during the stewardship campaign establish an annual budget. While regular non-pledged giving is important, a pledge helps us plan more accurately and better enables our ministries to thrive and grow. Thank you so very much for all that you have given this year! We have such a faithful and caring congregation!

The Worship Team recommended streamed (live) Advent and Christmas Eve services. PLEASE plan on being a part of these services – it's good for the soul! Visit the "Worship" page of our website or find details on the next page.

In the spirit of Christmas I would encourage you to send Christmas Greetings and pray for your pastors. A lot of ministry happens behind the scenes and they do not have a 9 to 5 job.

At our November council meeting, one thing that we all shared was a common sense of sadness in that we don't meet in person, either as a congregation or as teams. We are just waiting for that glimmer of hope when we are advised that we are reopening and that we can again form those church relationships! And the glimmer of hope given to us this week was the knowledge that there are COVID vaccines in the near future! Would I have thought in January that this was something I would even worry about almost a year later!!

I pray daily for those suffering from both mental and physical health issues, financial anxiety and feelings of isolation. I share my favorite verse: Philippians 4:6-7: *"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."* Anyway, I really do miss you all!

Sue Tigges  
HTLC Council President

## **SO MUCH TO BE THANKFUL FOR....**

*2 Let us come into his presence with thanksgiving; let us make a joyful noise to him with songs of praise!"*

- Psalm 95:2

We have much to be thankful for this Christmas season. The list is endless but here are just a few to consider; listening to Handel's Messiah daily for the rest of the year since performances are cancelled (maybe this one just applies to me 😊), celebrations with family and friends and the technology that allows for virtual gatherings, a country which allows us to worship freely and dedicated pastors that continue to shepherd their congregations through a pandemic.

Viewing worship online is a highlight of my week, despite the challenges of living outside the city limits with a vintage internet connection! I especially enjoyed Pastor Josh's sermon on November 15 highlighting how we are called to use our talents. His message affirmed each of us have gifts and abilities to share God's love with others and the following words he spoke really ring true; "God desires us to use our talents and gifts each and every day so that everyone will know that they are not alone, that they are seen and deeply loved by God".

Did you know one aspect of stewardship is to give of ourselves as we use our gifts? Are you investing the gifts God graciously shares with you, or have fear and distrust led you to hide those gifts? People are yearning to hear the message of hope you can provide, no matter your gifts. God wants us to let others to know they are beautifully and wonderfully made in His image, and are loved beyond measure. Are you burying your gifts and hiding them from view?

You are encouraged to quiet the fear in your heart and allow the Holy Spirit to guide you as you participate in God's work. Despite the pandemic restrictions, there are endless ways our gifts can be used to end the isolation many are experiencing. Technology can be used to connect loved ones. Words of encouragement can be spoken by phone or shared by mail. Home cooked meals and treats can be delivered safely to those in need. The options are endless, just listen to that still small voice guiding your steps.

May the grace of our Lord bless you and your loved ones to experience the joy of Christ's birth through the joy of giving.

Wendy Einsweiler  
Stewardship Team Liaison

With Christmas season upon us, we are truly thankful for you and your family. You are a vital part of our church community and we miss being with you! It is through your engagement and support that ministry happens and lives are changed. Please take a few minutes to review your giving for 2020 and fulfill your pledge prior to December 31 if you are able. We know this year has presented numerous challenges for many and we're so grateful for your continued commitment to the ministries within this congregation and around the community. If God has provided additional resources and you are able to increase your giving, additional gifts will be greatly appreciated.

Blessings to you and yours this season and always. Our prayers continue for your safety, health and regular connections with this congregation through online worship, bible study, education and fellowship until we can gather in person again. What a truly joyful celebration it will be to worship together again!
