ISRAEL AND GAZA: CIVILIANS CAUGHT IN DANGER NEED YOU

Israel and Gaza

**LUTHERAN
WORLD RELIEF**

Your Q2 Special Appeal gifts will directly aid those suffering due to the war between Israel and Palestine. After an impactful Adult Education study throughout Lent, we have received another matching funds lead-gift for \$2500 to support the work of Lutheran World Relief in the region. You are invited to give now through June to double your impact to serve our neighbors in crisis.

Here is how LWR is at work from Rev. Tim Krick Senior Advisor, Congregational Engagement:

- In Gaza, we have been able to get a truck full of essential supplies through the one and only access gate. It was full of diapers, feminine hygiene products, laundry powder and more. Enough for 10,000 people!
- We are also working in Lebanon, to help the 90,000 Lebanese citizens that have been displaced from their southern border. In November 2023, 750 hygiene kits, 600 baby care kits, and 1200 school kits were sent to the southern Lebanon villages. In January 2024, and as the conflicts were accentuating, 125 food parcels were distributed to 300 families displaced in South Lebanon, with another distribution taking place on Wed. March 28!

While we are continually trying to help within Gaza and Israel as much as possible, it is extremely difficult to get aid in, therefore, we will continue to bring aid to the people in the southern portion of Lebanon who have been displaced due to the war. All gifts received and designated will be used in this way.

A scholarship fund for students who are members of HTLC, and who choose to enroll in a Lutheran college or university, has been established. The scholarship not only supports students in paying for their education, but also allows students to take advantage of matching funding programs between congregations and colleges. Any member of HTLC who wishes to support this scholarship fund can indicate "college scholarship" on their donation check/envelope. Donations can be made at any time throughout the year and the amount will be disbursed on July 1st. Applications for the scholarship are due July 1st and are available on the members section of the website or through the office.
