## WELCOME NICHOLE D'ONOFRIO!

Please join us in welcoming Nichole as Confirmation Leader!

Nichole D'Onofrio is in her final year at Wartburg Theological Seminary. She loves to express herself through fun colors in her hair, clothing, and jewelry. She moved with her family to Dubuque in January of 2020 for her to be a residential student at Wartburg. They came from Southern California and live on campus with her husband Chris and her daughter Kaylee they have a grown a son Heath who is back living in California. Nichole graduated from California Lutheran University with a bachelor's degree in History and has held many jobs over the years including Camp Staff, Barista, and Office Administrator. More recent years have been spent in Youth Ministry working in two different congregations. While working in youth ministry she began to discern a call to Word and Sacrament Ministry where she could help connect youth and young adults to the life of the church.

## NEW LFC CHAIRS!

In memory of Martha Wloch, her family has donated 40 new chairs in the LFC. Stop down and give them a try!

## THANK YOU!

As a gesture of appreciation for having meetings at HTLC, Theisen's Learn to Skate/Dubuque Figure Skating deep cleaned the Noah's Ark big room toys! Thank you!

## TRINITY KIDS

Trinity Kids welcomes the whole family to an intergenerational biblical storytelling series we're calling, "God's Word, Our Story." Starting on September 25th, each Sunday from 9:45-10:15 we will gather in the Library to spread the storytelling blanket, open the Bible, sing, and enter the story of God's creative love and mending mercy. Then, we'll join our hands in a project (art, activity, or act of service) that responds to the story and involves all participants in the life of the church. All ages are warmly welcomed! More information for parents will follow.

Adults, would you like to share your faith and love of Scripture with our children? We are seeking adults to tell one Bible story by heart. This is a one-time commitment. If interested, please reach out to Mary Emily Duba (maryemily.duba@gmail.com) or Tami Ernster (djernster@mchsi.com) to learn more and get on our schedule!

### **CURRENT STATUS OF INTERIM PASTOR**

We have not received any updates from the synod office regarding an interim. While we are still hoping for some time in October, the transition team met Friday to discuss worship plans through the end of the year. Having these plans ready will also help an interim pastor ease into the position if one does arrive in October as we hope.

The following Transition Team has agreed to keep HTLC running between pastors:

Joann Kopp – Retired Office Manager  
Mary Emily Duba – Worship Team  
Chuck Barland – Worship/Music Staff  
Amanda Matson – Council President/Pulpit Supply  
Kate Stierman – Interim Office Manager/Communications

### **A NOTE FROM NOAH'S ARK**

The largest ministry of Holy Trinity Lutheran Church, Noah's Ark is thriving in no small part due to the support of folks like you! For the 2022-2023 School Year we are serving 42 children for full time childcare and another ten who join us for preschool. Our wait list exceeds our enrollment, and we are confident we are providing one of the best early childhood learning communities in Dubuque. THANK YOU to everyone who holds us in your thoughts, prayers, and giving.

We have two families attending Noah's Ark this year who are seeking a need-based tuition reduction. We ask that you prayerfully consider giving to Noah's Ark Scholarship Funds to help us support two very deserving children to continue in our care... Donations can be made through the church office or at [www.htlcdbq.com](http://www.htlcdbq.com) and select the "Give" tab. Checks can be made payable to Noah's Ark. Thank you!

## THRIVENT MEMBERS

Have you applied to do a community project this year? Thrivent members get 1-2 \$250 community action project grants per year depending on the type of financial services. These are a great way to make an impact and the process is simple! Projects such as hunger outreach and LWR kids are great options.

Contact the church office if you'd like to learn more!

We would be happy to help with ideas!

## LITTLE PANTRIES

*“Take what you need, Give what you can”*

Important Note: Please place all food items on the shelves inside the entryway. This help keeps food fresh and safe. Thank you!

Went to the Cupboard,

And so the poor Dog had none.

This English nursery rhyme is sweet, but hunger is not. Unfortunately, our Little Food Pantries are very popular, and we are having a hard time keeping them full! Please consider helping us stock them. I have become addicted to stocking these shelves. Every time I am at the grocery store I find great deals and buy for the pantries. Ready-made meals, canned meats, combinations of pasta and meat sauce, fruits and vegetables, protein bars, and hygiene products are just a few examples of what we want to fill our shelves.

Thank you for supporting our Mission!  
Living Christ Call to Love and Serve All!  
Gretchen Kueter, Outreach

### DID YOU KNOW?

Those who visit the pantries love fresh produce? Last week we went through 51.1 pounds of bananas and over 40 pounds of fresh tomatoes from members' gardens. Have extra end-of-the-season produce? Our visitors would love some!

### HELP US RESTOCK!

Stop by the LFC bulletin board, grab a post-it of items needed for the pantries, and return the item at your convenience. Thank you!

## RAISE THE ROOF ON THE LIVING FAITH CENTER!

After years of leaks in the LFC, we've learned that parts of the roof were never built to the blueprints or code. Consider helping protect our building with a contribution to a new roof. Grab an envelope in the entry to include with your offering or click "Give" online. Thank you for your generosity and for keeping us dry!

## SEPTEMBER SPECIAL APPEAL

### Luther Manor Retirement Community

"Enriching lives through a continuum of quality services guided by Christian love and compassion."

What are the options for people who find that there are barriers to living safely in their home, like basement steps and shoveling snow, among other things, which may be hazardous to their health and well-being?

Luther Manor offers several options, depending on your needs. Do you need nursing care, three prepared meals a day, laundry and cleaning services, someone to make the bed and tidy up, or an in-house opportunity to socialize and worship? How about skilled nursing or therapy after a stay in the hospital? Luther Manor has a staff of professional nurses and certified nursing assistants/utility aides, full dietary staff, and people who will provide you with a clean and comfortable environment for your long-term care.

Luther Manor apartments offer maintenance-free living space with as much independent lifestyle as you wish. More information is available on their website, [luthermanor.com](http://luthermanor.com), especially about the new options available at the growing west campus in Asbury. New units provide rehab housing and memory care. Care at home service provides valuable assistance to many who need this service to continue to live independently in their own residence.

The pandemic that we have been living with for more than two years has caused Luther Manor to restrict contact with residents. Much extra effort has been asked of all staff as they try to keep residents in touch with family while doing all the necessary procedures to keep the residents safe and healthy. Since visiting rules can change quickly, it is best to call ahead to confirm the current procedures.

Our monetary gifts continue to be important to Luther Manor and its residents. Many of the life enrichment services cannot be met within the normal budget. Our gifts now can help provide electronic contact means that can replace some of the in-person visits that have always been vital to the residents.

You can donate online at [luthermanor.com](http://luthermanor.com), using the September gold stripe envelope or directly by mail to 3131 Hillcrest Road, Dubuque IA 52001.
