

PROFILE

Elite Therapeutic Massage was born in 2001, when Shelle Hagen planted the first seed (farm girl born and raised hence the farming analogy) and opened a one room office. Since that day, Elite has been in business for 17+ years providing the best massage care and customer service in the Fargo/Moorhead area. Shelle's ultimate goal behind Elite is to assist in the development of others to achieve their dreams! (This is the harvest!)
