GOLF OUTING DONATIONS

The Lake Central Hockey Club offers high school students a chance to engage in a sport they are passionate about. Through hard work, sportsmanship, competitiveness, and an unwavering love for the game, the club supports their development. We are seeking partnerships with organizations to donate or provide gift baskets for our 8th Annual Golf Outing. We kindly ask that the gift basket hold a minimum value of \$50.

Our golf outings serve as a platform to raise funds that support the players and the club. In return, we will acknowledge our donors during the outing and express our gratitude on our website. On behalf of The Lake Central Hockey Club, we would like to express our sincere appreciation for your time, consideration, and unwavering support!

All gift baskets are due by 09/03/2025
