

Dear Fellow Community Member,

As a valued member of our community, Angels Bridging Gaps & ABGworks, are dedicated to helping families and individuals affected by varying levels of ASD ranging from Autism to Asperger's, along with other disabilities by providing emotional support, education, programs, and available treatment options – local, regional, and national. We believe that with your support, we can achieve remarkable things.

We are seeking sponsorship for our scholarship program, both full and partial, as well as opening a resource center for all those with disabilities. At this time, we are looking for a permanent base of operations to administer our ongoing activities. We believe that with your sponsorship, we can attain amazing things. Our goal is to raise \$60,000 that will cover expenses and ensure the success of our scholarship initiative in 2025.

In return for your sponsorship, we offer varying levels of brand visibility, positive PR, and a sense of helping our community. Your support will not only benefit our cause but also enhance your business's presence in the community.

We invite you to review our sponsorship packages by clicking on this link: [Sponsor Opportunities \(angelsbridginggaps.org\)](https://angelsbridginggaps.org) If you would like to discuss sponsorship opportunities further, please contact me at 321.324.1643 or via email at [ABG.marketingdirector@gmail.com](mailto:ABG.marketingdirector@gmail.com).

Thank you for considering our request. We appreciate your commitment to supporting the community.

Kindest Regards,

Phil DeFranco
