FAITH LUTHERAN CHURCH \* OCTOBER 2021

*Come, join the dance of Trinity, before all worlds began— the interweaving of the Three, the Father, Spirit, Son. The universe of space and time did not arise by chance, but as the Three, in hope and love, made room within their dance.*

*~ "Come, Join the Dance of Trinity!" ELW 412~*

Dear faithful friends and fellow children of God: Let's dance!

Even for those of us, like me, who do not relish the prospect of actual dancing, the concept of life's journey being like a dance can be helpful. This conceptualization is especially comforting to think about when we think about the fact that the dance was started, invented, and continues through the Holy Trinity, which means that our God is our constant dance partner throughout all of life. This absolutely and especially includes the past year and a half, and through this recent surge of the pandemic.

One of amazing things about the Lord of the Dance is that God has taught all of us a few new dance moves in the last 18 months, even people like me who are what you might call "dance averse." In this case it means we've learned how to worship in new ways and new places while praising the same God with the same community of faith. With virtual, recorded worship and praising in the parking lot, to being back inside with face coverings, it is the same dance of worship and praise with new steps intermingling with the familiar ones. To be sure, some of these changes have led to some stepped on toes, miscommunications while learning the new steps, and yet I am so incredibly proud of this church for trusting in the Lord of the Dance to keep the beat and the dance going, even in these recent unharmonious times. I am so honored to be serving you all in this time, learning these steps right along with you and doing what I can to help encourage us all through the words of our God and other children of God. And I know that it is hard, to keep it all up, the energy and tempo, the consistency of doing things differently than we would ideally like to do them, to have this changed pattern of our faith life continue longer than we ever expected it to. It can be very draining, even discouraging.

And yet it is at that very moment that we remember who is dancing with us, who will never tire and will never stop grabbing our hand and hauling us back up on our feet, energizing us with their sheer enthusiasm for the dance and for us. The Trinity in their mysterious ways want us to succeed, want us to keep going, and give us what we need to keep dancing far longer than we would ever expect of ourselves. After all, as the song says, "the Three, in hope and love, made room within their dance." God made room for you, made a space on the dance floor and at the table for you, so keep going, keep dancing, keep praising, keep seeking new ways to dance and add to the great movement of souls with is our faith. Keep joining in with your community for worship. Remember we still have many ways in which to do just that, the different dance moves we've learned still work, join us inside with masks, if not inside then in the parking lot via radio station FM 98.9, or of course

online. So let's dance, whichever method you feel most comfortable with, how ever you choose to dance, know that we dance with you.

*So, until we see each other again: "May the Lord bless you and keep you; may the Lord make his face shine on you and be gracious to you; may the Lord turn his face toward you and give you peace." (Numbers 6:24-26).*

Yours in Christ, Pastor John Barton

*So let us not grow weary in doing what is right, for we will reap at harvest time, if we do not give up. So then, whenever we have an opportunity, let us work for the good of all and especially for those of the family of faith.*

**Galatians 6: 9-10**

Autumn is a beautiful season that signifies both the year coming to an end and the approach of the new year. Autumn represents the preservation of life and its necessities. God is with us in every season of our life.

Here are some of the highlights from our September council meeting:

- Instead of Fellowship/Gatherings on Sunday after the Church Service we will have Fellowship-To-Go at least once a month, maybe twice.
- It is necessary that everyone must wear a mask, regardless of vaccination status, during worship and all other in-person gatherings at Faith Lutheran Church. This policy is necessary for us to continue having in-person gatherings and we appreciate your participation and understanding. If you forget to bring your mask, please ask and one will be given to you.
- Executive Council has decided to continue Confirmation classes but pause all other Sunday School classes. We will also discontinue the Children's Chat during the service, for now.

September's "God's Work. Our Hands" was a success. We gave 60 Hygiene Kits to the Menifee Police Department to distribute to the homeless. Thank you so much to everyone who donated and helped assemble the kits. \*See photos on page 8

Greetings, dear sisters in Christ!

If you are looking for stimulating, inspiring conversation, and the company of spirited and Spirit-filled women, then Circle Bible Study is perfect for you! Two opportunities to jump in await you each month – Lydia Circle on the second Tuesday, and Mary Circle on the second Wednesday. Meeting times and locations are posted in the *Forecaster* - in the Women of the ELCA (W-ELCA) article and on the church calendar. **Come! You are ALWAYS welcome!!**

Our monthly Bible study material, along with a number of moving and thought-provoking articles, is printed in *Gather* magazine. October's focus is **Breath of God: Reviver and Reformer**, session 2 of the 3-part series on the gift of the Holy Spirit. Author Rev. Sara Olson-Smith reminds us that the Holy Spirit is the breath of God, giving life and building community. Beginning with the breath God gave that first human, continuing with the breath that made dry bones dance, God's Spirit continues to revive us. We will see the ways that the Spirit gives life—not just to us as individuals, but to our communities, reconciling us and forming us into life-giving communities, even in our diversity. **Select the Circle Bible study time that's best for you and join in the conversation!**

## Spotlight on Ministry: Stewardship Emphasis 2021 Let your light shine – to the glory of God!

Yaaaaay!!! It's Stewardship Emphasis time – the time when we as the family of Faith Lutheran focus on how generously God gifts us, and on how we can generously respond by putting our gifts to good use to the glory of God.

This month, we will hear during worship from three Faith members about how God has worked and continues to work in their lives, and how they respond to God's generosity through their gifts of time and energy, talents and skills, and monetary giving.

We, too, will have opportunities to express our own responses. **Completing and returning the 2022 financial Pledge Card** we receive in the mail this month is one way. Tossing our tokens in the **Time & Talent Bucket Toss** – a fun way of indicating which ministry areas we'd like to serve in - is another. The Bucket Toss will be all set up and ready for us October 17<sup>th</sup> through November 14<sup>th</sup>, on Sundays and during regular church office hours. Our names will be pre-printed on our tokens, then inserted into a plastic baggie and put in our church mailboxes. We'll retrieve them when we get to church, then toss the tokens into the ministry area buckets of our choosing. If you are unable to get to church, no worries! Time & Talent sheets will also be available via mail, email or personal delivery so everyone is able to participate.

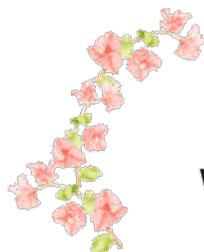

**Time & Talent Bucket Toss**

Our worship service on **In-Gathering Sunday, November 7<sup>th</sup>**, will be an opportunity of a different sort. It will be a time to acknowledge and give thanks to all who so generously gave their time, talent and monetary gifts through prayer, worship and service this past year. A special little something to help our **lights shine** will be gifted to everyone who's with us that day, and later delivered to our homebound.

As Jesus encouraged his followers, so we encourage each other to **“Let your light shine before others, so that they may see your good works and give glory to your Father in heaven.”** (Matthew 5:16)

In Christ's light and love,  
Joanne McGavran, Stewardship Committee Chair
