After fifteen years of competition, Elk Creek CDE like a multitude of other equestrian competitions and events of any kind in 2020 was forced to cancel all plans and sit out the year due to the Covid-10 pandemic. In 2021 we were able to host an event again and look forward to the world being in an even better place by June 2022. We are making plans to bring back Elk Creek CDE with the additional day of competition in the form of a Driving Combined Test and we look forward to inviting spectators back this year!

The world is in uncertain times and we count our blessings that we are able to offer a venue for drivers to enjoy their horses! The entry uncertainty with fuel prices impacting competitors makes the support of the driving community with financial contributions more important than ever before. We still rely on the generous help from our wonderful driving community - people like you in order to make it possible to offer this event!

The 17th year of Elk Creek's **'keep it simple'** competition scheduled for Saturday, June 4th & Sunday, June 5th will again host Training, Preliminary, Intermediate and Intermediate Hybrid classes as well as the Combined Test on Friday, June 3rd.

As we are sure you know, the entry fees cover only a portion of our costs. As our expenses continue to increase we can not stress enough the need for your help, regardless of how small. All contributions are greatly appreciated. Enclosed is a list of sponsorship opportunities. Please mail in your donation with the attached form.

We know there are many demands on your pocketbook and your time. We greatly appreciate your support, whether it be financial or as a competitor, a volunteer, or spectator.

Sincerely,

The 2022 Elk Creek Organizing Committee
